Engagement can mean Many Things

COVID-19 Response - Engagement

Clubs in our district have cancelled face-to-face meetings and encouraged social distancing. But this does not mean that you should not be in contact with the members of our club. In fact, ***now more than ever you need to be in touch with your club members!***

Ensure that members are safe and healthy and in good spirits. Here are some suggestions.

- Conduct online club meetings. Zoom, Go-to-Meeting, Skype and other platforms offer opportunities. (Global Rewards provides discounts to Rotary.)
- Conduct committee meetings online.
- Use a Rotary Video in your online meeting – they can be found on VIMEO and YouTube.
- Provide tutorials for your members so they know how to participate in online meetings.
- Form small groups to “chat” about a topic, film, or article from the Rotary Magazine.
- Use Facetime, Google Hangouts which allow social media connections.
- Set up a telephone network to connect members.
- See if one of your members needs supplies or an errand.
- Join a Discussion Forum on www.rotary.org

Provide value for your members in their Rotary connection.

Resist the temptation to be paralyzed – Take Action and connect with fellow Rotarians.
