

HOW TO USE THE GRANT CENTER

The Grant Center is the place to go for everything you need to do online for your Rotary Foundation grants, and it keeps all of Rotary's grant-related resources handy for you. This guide will show you how to use it to navigate the updated system, apply for a global grant, and, for district leaders only, apply for a district grant. We'll update this guide with information about other tasks, like reporting on grants, as those functions become available in the Grant Center. For general information about grants, go to My Rotary's [Apply for Grants](#) page.

Navigating the Grant Center

The Grant Center's landing page gives an overview of Rotary grants and links to helpful resources.

The screenshot shows the Rotary Grant Center landing page. At the top is a navigation bar with the Rotary logo, 'Grant Center', and links for 'Home', 'Apply for a Grant', 'My Grants', and 'My Actions'. Below the navigation bar is a large banner image of three smiling children. Overlaid on the banner is a white box containing the following content:

Rotary Grants

Apply for a Grant

The Rotary Foundation offers grants that support humanitarian projects, scholarships, and vocational training teams. Before you apply for a Rotary grant, let's cover some important points about each type.

Global Grants

Global grants fund large international humanitarian projects, scholarships, and vocational training teams that have sustainable and measurable results in one or more of Rotary's areas of focus.

- The application asks about your grant's objectives, participants, sustainability, budget, and financing.
- Make sure that the grant falls within Rotary's global grant guidelines, is technically feasible, your and your partner club are qualified to address this need, and issues aren't already being addressed by another organization.

District Grants

District grants fund smaller-scale, short-term projects that address immediate needs in your community or abroad. Each district chooses the activities it will fund.

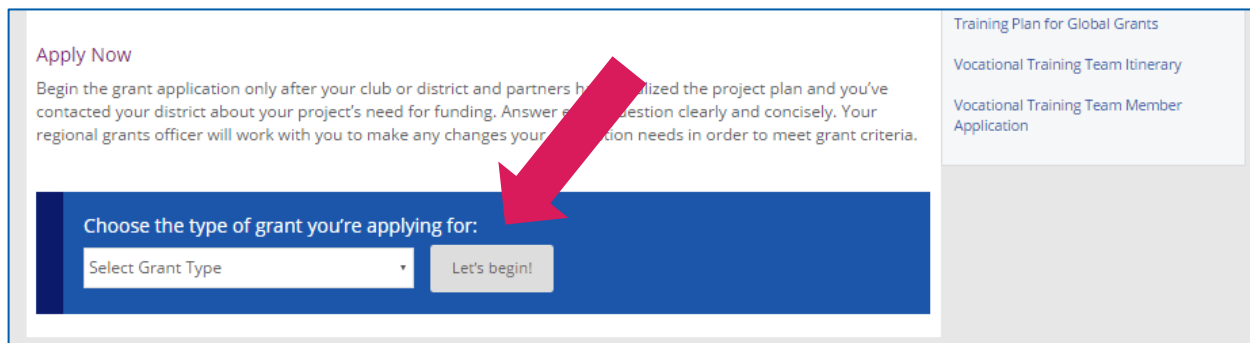

- Districts may apply up to 50 percent of their District Designated Funds to a district grant each year.
- Grant applications need to be authorized by the district governor, district Rotary Foundation committee chair, and district grants subcommittee chair and submitted to

Once you've completed steps 1-10, you're ready to finalize and submit your application. In **step 11** you **Review and Lock** your application. Check each answer you've given to make sure all of the information is accurate. You may find it helpful to print the full application. After you review the grant application, lock it. This will change its status from "Draft" to "Authorizations Required" and make it read-only — you won't be able to make changes. Only the primary contact can lock the application.

Application Finalization & Submission

Step 11: Review and Lock

Now that you've answered all the questions, it's time to finalize the application.

There are a few more steps that need to be completed before your application is submitted to the Rotary Foundation for review.

Review

Double-check each answer on the application to make sure all of the information is accurate. Download a printable PDF that shows all of your answers together.

Lock application

After you review the grant application, lock it. This will change its status from "Draft" to "Authorizations Required" and make it read-only - you won't be able to make changes.

Authorizations and legal agreements

You and other authorizers of the grant will review and authorize the application in step 12.

Submission and Foundation review

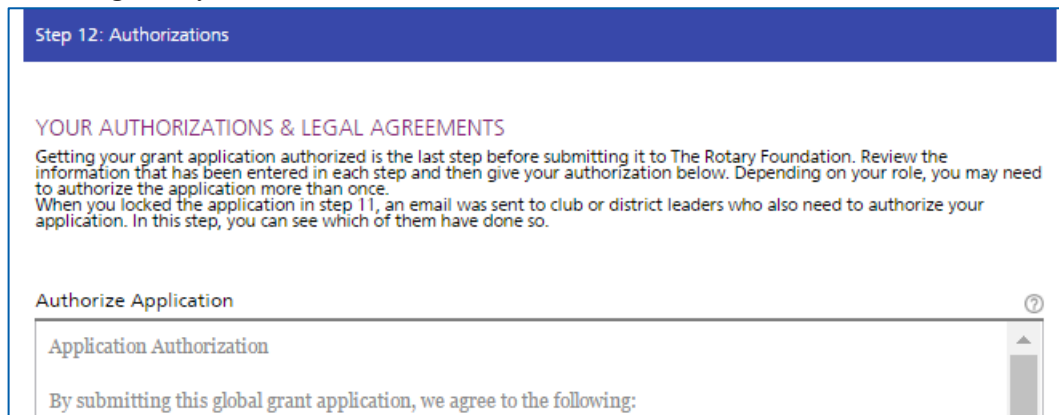

Once all authorizations are given, the grant application is submitted to the Foundation for review.

Bank account information

If your application is accepted by the Foundation, the primary contact will use step 13 to submit information about the bank account you'll use to receive grant funds.

In **step 12, Authorizations**, the primary contacts, club presidents, and the district Rotary Foundation committee chairs authorize the application. District and club leaders who need to authorize the application will receive an email asking them to do so. Once your application is authorized, it cannot be changed without contacting Rotary staff.

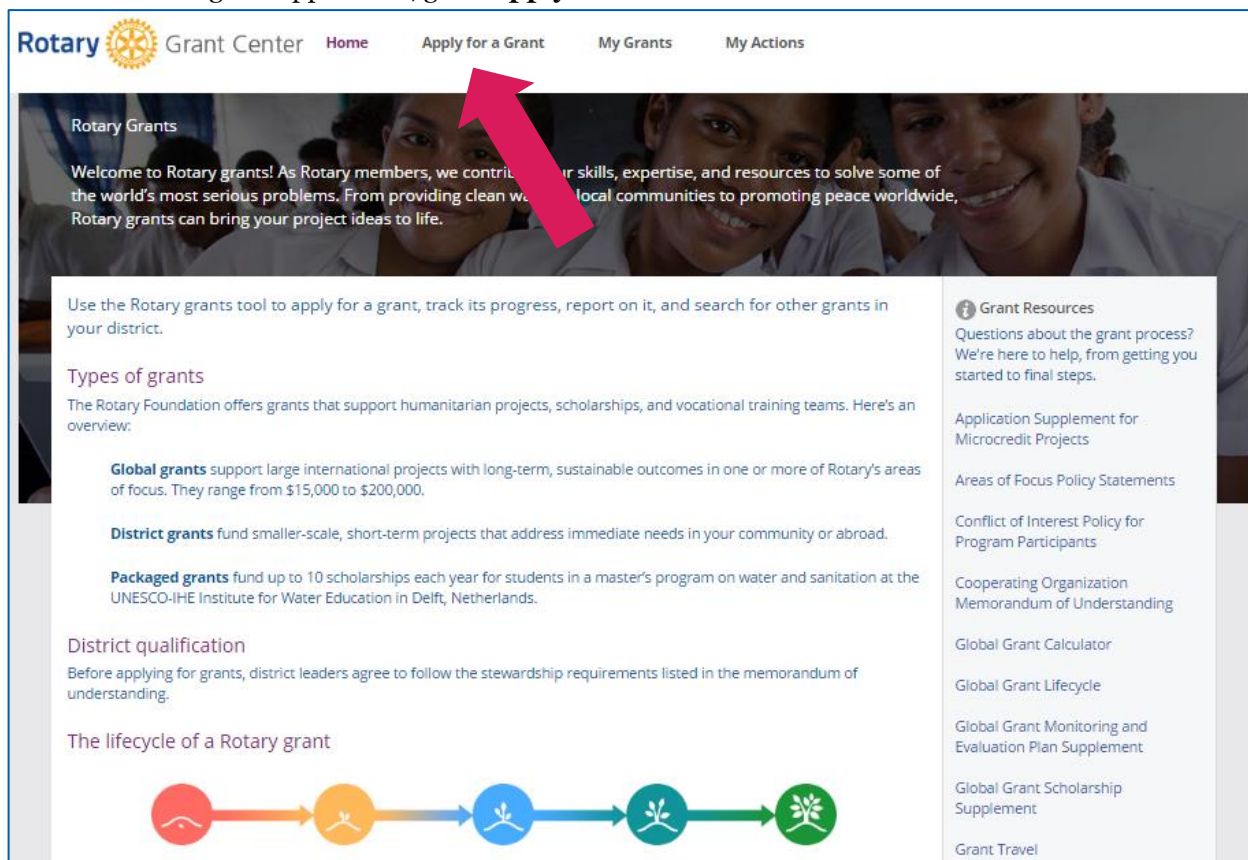

The screenshot shows a web interface for 'Step 12: Authorizations'. At the top is a blue header bar with the text 'Step 12: Authorizations'. Below this is a section titled 'YOUR AUTHORIZATIONS & LEGAL AGREEMENTS' in purple. The text below the title explains that getting the grant application authorized is the last step before submitting it to The Rotary Foundation, and that users should review the information entered in each step and give their authorization below. It also mentions that depending on the role, users may need to authorize the application more than once, and that an email was sent to club or district leaders who also need to authorize the application. Below this text is a section titled 'Authorize Application' with a question mark icon. Underneath is a large text area with the placeholder text 'Application Authorization'. At the bottom of this text area is the text 'By submitting this global grant application, we agree to the following:'.

As soon as all authorizations have been completed, the application is submitted to The Rotary Foundation for review.
