### Global Grant Scholarship and Scholarly Stipends

KAREN PLUNKETT, D6270 Scholarship Committee Chair

Rotary clubs of Southeastern Wisconsin (District 6270) will award one scholar a \$30,000 Global Grant Scholarship (GGS) formerly known as a Rotary “Ambassadorial Scholarship” for matriculation Fall 2018. The purpose of the Global Grant Scholarship, a graduate-level study opportunity often outside the US, is to further international understanding and friendly relations among people of different countries and geographical areas, within one of Rotary’s six areas of focus.

Application deadline for the Global Grant Scholarship is January 15, 2018. Scholarly Stipend applications are due and reviewed quarterly (February 15, May 15, August 15, and November 15).

For more information, contact Rotary District 6270 Scholarship Chair, Karen Plunkett 414-403-4878

### Summer Youth Exchange Coordinator Needed

KELLY MUNDELL, District 6270 RYE Chair

Changes in our District (new By-Laws, Incorporation) allow us to re-initiate our D6270 Short-Term Youth Exchange Program. But, we need someone with a passion for youth exchange to coordinate the program. Are you passionate about paperwork, youth, and international initiatives? I know - some of you said "paperwork - ugh!" and quit reading! If you're up to the challenge anyway, we have some great students in our district that would like to go on a short term exchange to another country and need our help. This position has responsibilities certain months of the year depending on the number of students interested and how much help they need with paperwork. We are partnering with a very experienced district - District 6250 from western Wisconsin - who will help get us up to speed with this program. You will be paid in hugs, smiles, and stories! If you are interested, contact Kelly Mundell at [ryechair@rotary6270.org](mailto:ryechair@rotary6270.org).

## Join a Vision Team Service Trip to Common Hope in Antigua, Guatemala, April 8 to 15, 2018

DEBORAH WENTE, Sheboygan Rotary Club

Join the team in Antigua, Guatemala, for lots of history, lots of families in need but lots of Hope because of organizations like Common Hope, a Minnesota based organization that provides education, medical care, dental care and homes for families in need. Our team leader is Deb Wente, a seasoned traveler who led a team of 13 in spring 2017 and it was an amazing blend of service and culture. ### Trees

BRIAN MONROE, District 6270 Tree Project Coordinator

Good news, 27 (50%) out of our district's 54 clubs have either completed their tree planting plans or will have them finalized by spring 2018. So far this year we have recorded 1,295 trees planted and another 1,082 planned for spring plantings. That means we're 2/3 of the way there for our goal of 3,000 trees for our district.

### Rotary Celebrates 100 years in Racine

STEEN SANDERHOFF, Racine Founders Rotary Club

Founders Rotary Club has been celebrating 100 years of Rotary in Racine during this year with a series of events and activities in the community. As the birthplace of Paul P. Harris, the Club worked together with the City of Racine to rename Festival Park on the lake front to Paul P. Harris Rotary Park. With a major gift from the Rotary Club to the City a performance stage was added to the park to enhance the quality of life in Racine.

## Projects - International

---

### **Global Grant completed - Economic Development of Small Farmers in Joyabaj**

Rotary Club of Milwaukee

Rotarians in the Rotary Club of Milwaukee and the Rotary Club of Guatemala Vista Hermosa recently completed a project and filed the final project report. The project worked to increase the economic capacity of small farmers in the Guatemalan highlands municipality of Joyabaj. The project provided agricultural training to diversify their crops, extend their growing season, and effectively grow cash crops in addition to their traditional subsistence crops. It also provided direct and safe access to the regional road network to get their crops to the Joyabaj market during the rainy season when rivers are high.

Cooperating organizations included Engineers without Borders at MOSE and Marquette Universities and Tenamaste. Chapters of Engineers Without Borders – USA (EWB) managed design, construction, and monitoring of two footbridges. Tenamaste provided expertise in regional and local solutions to agriculture training. This project was funded by Global Grant GG1527107.

Thank you to all who participated in this project.

## Global Grant completed – Implementation of e-Learning in 60 Rural Schools in RI District 2980

Elmbrook Rotary Club

Rotarians in the Rotary Club of Elmbrook working with Rotarians in District 2982 in India to implement a project to improve basic education and literacy for poor children studying in government and government-aided free elementary and middle schools in southeast India. The project was funded under Global Grant GG1527030. They worked to bring the accelerated learning technology to 60 free village schools in Rotary International District 2980. This provides similar opportunities to low income family children in rural areas that their counterparts have in urban and more upscale schools. Participants in southeast India included Rotary Clubs of Virudhachalam, Namakkal, Namakkal Poultry Town, Salem Cosmos, Chidambaram, Mayiladuthurai, Salem Metropolis, Kumbakonam Central, Nagapatinam, Salem Midtown, Attur, Salem Sunstar, and Sirkali. In undertaking this project, knowledge was sought from Parent -Teachers Associations and local Rotarians. Assistance was also received from RILM (Rotary India Literacy Mission), a national level literacy committee. The project has been certified as completed by The Rotary Foundation with the acceptance of the Final Project Report. Thank you to all who participated in this project.

## Rotary Friendship Exchange (RFE) to India

Members of the District 6270 Rotary Friendship Exchange (RFE) team leave in January to visit RID 2981 and RID 3201 in India. Members of the Indian teams joined us in Wisconsin in late May and early June of 2017 for our District Conference. Wisconsin Rotarians will experience the wonders of Kerala, Punducherry, and other parts of India. Many thanks to RFE Coordinator John Henderson (Elkhorn Rotary), and Pete Bosch (Waukesha Rotary) for all of their efforts to coordinate visits.

## Polio

### End Polio Now - update

JEFF REED, District Governor

As of December 28, there have been 19 new cases of polio reported in the world during 2017. Thus far this year

- Twelve cases have been reported in Afghanistan in 2017.
- Seven have been reported in Pakistan in 2017.
- There have been no new cases in Nigeria since August 21, 2016 – 16 months ago.

We are making great progress to End Polio Now. The count of new cases by recent year:

19 in 2017 (as of 12/28/17)	37 in 2016	74 in 2015	359 in 2014
-----------------------------	------------	------------	-------------

Facts about Polio:

- Polio continues to paralyze children.
- Every child must be vaccinated to eradicate polio.
- We are over 99% of the way to eradicating polio globally.
- Polio eradication effort is the largest public-private partnership for public health.

Thank you to every Rotarian and Club in District 6270 who has helped with this effort.
