# RI Convention Speaker Xavier Ramey Coming to Mequon Saturday 17 November

BRIAN MONROE, M-T Sunrise Rotary

I had the wonderful opportunity to attend one of Rotary's six "International Peace Conferences" in Chicago last June. D6270 was well represented with fifteen of us in attendance. We enjoyed the privilege of hearing many phenomenal speakers and participating in thought provoking breakout sessions and panel discussions.

One of those speakers, Xavier Ramey really stood out and I had the pleasure of hearing him speak again at the RI convention in Toronto. Good news, the Ozaukee County Branch of the NAACP has arranged to have Xavier Ramey as their guest speaker at their "Freedom Fund Fundraiser Event" on Saturday 17 November at the River Club in Mequon. The theme for this year's event is "*The Road to Peace is Justice*".

Promoting peace and understanding is one of Rotary's six areas of focus. Please consider joining us to enjoy dinner and hear fellow Rotarian Xavier inspire us to action. Tickets, sponsorship opportunities and his RI

Convention speech are available on this <u>Eventbrite Link</u>. Our emcee that evening will be D6270 AG Rayna Andrews, who is also a public health ambassador, author and activist with her core work in food security.

I know that you'll love this event. Please feel free to contact me with any questions.

Best Regards, Brian Monroe 414.881.6901 monroe.earthbound@gmail.com

## **Cedarburg Grafton**

JAMES A. SCHOWALTER, Club President

As a new President of my club, I've found in a very short time that you need to ask for help. Every Rotarian is a busy individual, often working, volunteering, parenting and living a very active life.

Our club, the Cedarburg-Grafton Rotary Club, is a dynamic club. We host two large fundraisers each year that demand much of the club time and talent to pull of successfully every year. This, in addition to all of the other demands that are present in running a Rotary Club today.

When the call from Rotary International came last year with the tree planting challenge for Arbor Day, clubs like ours heard the call but were left with the feeling that we just didn't know how to

pull off yet another large endeavor. Yet we wanted to be a part of this movement and our community deserved our interest in this project.

### Fond du Lac Morning

**DEB WITKOWSKI** 

A Welcome Baby Literacy Kit is given to the parents of newborns at their 20-week prenatal/ultrasound appointment at Agnesian HealthCare locations in Fond du Lac, Ripon and Waupun. The kit features a children's book, a guide from the Fond du Lac Public Library with suggested books for infants in English and Spanish, a county-wide resource guide, and a tip sheet on the importance of communicating with your baby.

The kits have been made possible thanks to a \$3,500 grant from the Fond du Lac Morning Rotary Club.

"Our membership recognizes the importance that reading plays on the lives of our children," says Deb Witkowski, a Fond du Lac Morning Rotary member. "Our efforts first began with researching early literacy and its importance to brain development. It shows that talking, reading and singing are critical even before the baby is born."

#### **Fox Valley Area Clubs**

LISA WERNER, Assistant Governor, Neenah

The Rotary Clubs of Fox Cities Morning, Menasha, and Neenah collaborated for the 25th year in a row for Seafood Fest, a general club fundraiser held at Jefferson Park in Menasha. This two-night festival offers free live music while they enjoy full lobster/salmon dinners in the pavilion or enjoy offerings from local food trucks. Funds raised go to support service opportunities and grants in the community it is raised in.

#### **Manitowoc Sunrise**

PATTY LOU POHLMANN

The first half of every Rotary year is always hectic for Manitowoc Sunrise Rotary because the majority of our events

occur in this half. We partnered with Two Rivers Rotary to work a food booth for a national women's beach volleyball tournament this summer. Then we moved right into an O&H kringle sale. Tree planting followed at the new Farm Wisconsin Discovery Center, which is attracting lots of tourists. Cleaning up Memorial Drive along Lake Michigan was followed by our annual Rotary Run for the Kids, and still to come is our November 13<sup>th</sup> Veterans' Day Breakfast!

#### Mitchell Field

**SUE HEBNER** 

The Rotary Club of Mitchell Field recently completed its second annual "Flags for Heroes" project in Oak Creek and its first in South Milwaukee. This multi-purpose event was designed to honor heroes—military and civilian, deceased and living—at a display of 200 American flags placed on the lawn of the Oak Creek Community Center over the Memorial Day weekend and 100 around South Milwaukee City Hall from Flag Day through the Fourth of July.

We also held our fourth successful Food Truck Sunday fundraiser in the past two years, raising a total of \$9,500 after expenses, and we used a

#### **Racine Founders**

PATRICK BOOTH. Event Chair

The Dennis Barry STRIVE Golf Classic 2018 was another huge success at Racine Country Club on September 10<sup>th</sup>. This is one of Racine Founders Rotary Club's largest Rotary events we do each year to raise monies for scholarships. This year we had 70+ golfers attend with 30+ sponsors. The event is truly about bringing the community together to help bring awareness on Rotary and Strive.

This event could not be done without the amazing support of so many businesses and organizations, many are Rotarians. Racine Country Club does a wonderful job hosting the event. It's a joy for all golfers to enjoy the beauty of

this course that is hidden in the city of Racine.

After a full day of golfing, we hosted a dinner where silent auctions items could be purchased. Another way to raise money for the scholarships. This year our guest speaker was Chancellor Debra Ford from UW Parkside. It was great to hear how Parkside is growing and shaping our future.

The best part of hosting the Dennis Barry STRIVE Golf Classic each year is seeing the joy this event brings that day and how it continues to give students the opportunity to go further in life with Rotary support.

Patrick is shown in the photo on the left. John Busey, Chairperson of the scholarship application review committee, is pictured second from right. The three girls shown are 3 of the 5 scholarship recipients.

#### **Rotarians Find Life-Saving Solutions**

MIKE PADDOCK, Rotary Club of Milwaukee

"Am I getting too old for this?" I thought as the 5 AM alarm came too early. I was in Guatemala as a Rotarian and volunteer through Engineers Without Borders USA. We were moving at break-neck speed, hiking up and down steep mountains to evaluate 10 potential new projects. Yesterday, we'd done a half-day mountainous hike to test two newly

discovered springs that might provide clean water to a community that had never had it. That got me moving, as did the fresh Guatemalan coffee.

I was in a rural mountain village where a community named Chupoj, descendants of the ancient Mayans, had requested assistance with a potable water system for its 840 residents. The Rotary Club of Milwaukee, along with other clubs in our District and the Vista Hermosa Rotary Club of Guatemala, want to partner on this project through a potential Rotary Global Grant.
