The screenshot shows a web interface for managing membership leads. At the top, there is a search bar with a 'FILTER' button. Below it is a table with columns for 'PROSPECTIVE MEMBER' and 'STATUS'. A row for 'John Smith' is visible, with a status of 'District assigned candidate to club'. A red circle highlights the 'Manage status' link next to this status. A blue arrow points from a callout box to this link.

**When you select **Manage status**, you can officially admit the member by selecting **Club admitted candidate**. Select the **ADD** button, complete the additional details, and hit **Submit**.**

**Some statuses will require you to leave feedback. Other statuses are considered the final step of the process and will move the lead to the historical lead report.**

**If you admit members using your own database (i.e., ClubRunner), confirm the member ID before adding the member to avoid creating duplicate records.**

**For members changing clubs, the secretary of their old club must terminate their membership in Rotary's database before they can be admitted into their new club.**

**Status history shows the progress of active leads and any feedback left by clubs, your district, or staff.**
