Art@calientehotglass.com Caliente Hot Glass is a professional glass blowing studio in San Antonio, centrally located about a mile southeast of Pearl Brewery. They focus on the authentic experience of blown glass - for artists, collectors, participants, and spectators alike. Caliente welcomes guests to shop their gallery for locally made original art, gifts, or for custom work. If you're feeling more hands on, they also offer highly rated classes, parties, and team building events.

BRIAN PURCELL, The Texas Highway Man

[www.texashighwayman.com](http://www.texashighwayman.com) [texhwyman@gmail.com](mailto:texhwyman@gmail.com)

All his life, Brian has been interested in transportation - roads, trains, subways, airplanes... you get the idea. His particular interest in roads gained him the nickname of "Highway Man". Since he currently lives in Texas, he added that to his moniker and came-up with "Texas Highway Man". Brian has many amazing photos how San Antonio looked in the past and how it looks now.
