EarlyAct™ in Action

DESCRIPTION OF EarlyAct™

EarlyAct™ is a school-wide service club for elementary students from ages 5 to 13. It is sponsored by one of the local Rotary clubs in the township in which the school is located.

The mission and operation of EarlyAct™ are closely linked to the ideals of Rotary and provide the foundation and natural succession into Interact.

EarlyAct™ provides young students the opportunity for gaining an increased awareness and knowledge of their community and the world.

At a young age, all students can easily be encouraged to be caring and helpful. Their minds are open to recognize the dignity and worth of each individual which builds respect for others. EarlyAct™ also promotes understanding and the building of friendships among the club members.

EarlyAct™ also engages students in character-building activities and prepares them for leadership roles to identify and carry out projects which benefit their school, local and global communities.

“The future belongs to those who believe in the beauty of their dreams.”

Eleanor Roosevelt

Through EarlyAct™ students learn to take responsibility for real-life problems and to realize the significant impact of their involvement. Naomi Drew's Ladder of Peacemaking, shown below, illustrates how a young individual can make a difference.

"It isn't enough to talk about peace. One must believe in it. And it isn't enough to believe in it. One must work at it."

Eleanor Roosevelt

OBJECTIVES OF EarlyAct™

The purpose of EarlyAct™ is to provide young students with the opportunities to participate in active citizenship in a culturally diverse democratic society within an interdependent world.

EarlyAct™: Partners in Character Education addresses the following objectives:

- 1. The students develop committed citizenship and leadership qualities by identifying and taking responsibilities for real life problems within their school, local and global communities.*
- 2. The students realize the importance of respect, dignity and caring for all people by promoting good will and understanding through their active participation at school, local and community levels.*
- 3. The students develop high student achievement by actively participating in various projects to improve the quality of life for their school, local and global communities. They work with the sponsoring Rotary club members as facilitators, mentors and role models.*

GUIDELINES OF EarlyAct™

EarlyAct™ is a school-wide service club in which all students are members. The EarlyAct™ Club is self-supporting and carries out three service projects annually—one each for their school and local communities, and one which furthers international understanding.

The EarlyAct™ Club meets twice monthly for thirty minutes. Meetings are conducted by the EarlyAct™ officers. Two rotating representatives from each class attend the meetings. Meetings are conducted using parliamentary procedure, under the guidance of attending faculty and Rotarian advisors.

Officers of EarlyAct™ are selected from the two senior classes of an elementary school. For example, in a Kindergarten through fifth Grade school, the President, Vice President, Recording Secretary, Treasurer, Second Vice President and Corresponding Secretary are

assigned from the fourth and fifth grade classes. Officers are appointed by faculty advisors based on leadership assessment and teacher recommendation.

There are no dues. Monies for projects and activities are raised through EarlyAct™ Club activities. The EarlyAct™ Club submits an annual report to the sponsoring Rotary Club.

HOW TO START AN EarlyAct™ CLUB

If a Rotary Club has an interest in sponsoring an EarlyAct™ Club, it can begin by appointing an EarlyAct™ subcommittee. One committee member can agree to act as the Rotarian advisor to the EarlyAct™ Club which involves attending meetings and offering guidance on service projects. Once the EarlyAct™ subcommittee has become familiar with all the elements of the EarlyAct™ program, it can make a presentation to its Rotary Club.

Plan an inaugural “kick-off” event. Invite the District Governor, the mayor, and any other special guests. Prepare a press release. It is critical to contact the press and news media to publicize the event.

After the Rotary Club has approved sponsorship, the EarlyAct™ subcommittee can contact the appropriate school official or principal to discuss plans for an EarlyAct™ Club. The EarlyAct™ subcommittee can schedule a presentation to the executive board of the P.T.A., then the subcommittee and the principal can discuss the meeting time, place and faculty involvement. It is optimal to have several faculty advisors. The faculty advisors are the driving force behind EarlyAct™ because they are there, on site, to guide the students in carrying out the day-to-day activities of the club.

The initial meeting of the EarlyAct™ Club establishes the goals and objectives of the club. EarlyActors plan service projects which benefit their school and local communities, and those which promote international understanding.

“Never doubt that a small group of thoughtful citizens can change the world. Indeed, it is the only thing that ever has.”

Margaret Mead
