At the end of **First Steps**, you will enter basic information about your grant. As the person logged in to the system, you will be identified as a primary contact. To begin the application, indicate whether you are the host or international sponsor and whether the project is being sponsored by your club or district. Then click **Add Primary Contact** and you will be directed to search for your Rotarian partner, as shown in the pop-up box below. The easiest way to search for a Rotarian is to look up his/her club or district then search among the members of that club or district.

The 'Primary Contacts' section contains instructions and a table with columns: Name, Club, Role, Sponsored by, and Serving as. An 'Edit' button is located to the right of the table. A red circle highlights the 'Add Primary Contact' button. A pop-up window titled 'Find and select committee member' is shown, containing search fields for District, Club, First Name, Family Name, and Member ID, along with 'Search', 'Clear', and 'Cancel' buttons.

## FINANCING

The Rotary Foundation funds global grants from the World Fund, and awards range from US\$15,000 to US\$200,000. The Foundation matches cash contributions at 50 percent and District Designated Fund (DDF) contributions at 100 percent. The Foundation will also match non-Rotarian contributions toward a grant, provided they do not come from a cooperating organization or a beneficiary.

### Resources

- [Grant Terms and Conditions](#)
- [Grant Management Manual](#)
- [Donor Advised Fund FAQ](#)

To determine the World Fund match for your global grant, list all sources of funding, specifying contributions from cash, DDF, and other sources. Non Rotarian contributions with no match from TRF can be included in the grant financing if they are being used to purchase grant budget items. These contributions should not be sent to TRF. Note that the total financing must be equal to the total budget of your activity.

After you have added all funding sources and the requested World Fund match, click "Save" to save your grant financing.
