

### District 5930 PolioPlus Club Recognition Award for 2021-2022

District 5930 proudly announces its 2021-2022 PolioPlus Club Recognition Award to recognize Rotary clubs that are actively working to help The Rotary Foundation completely eradicate polio from the face of the earth. With the support from our clubs and district, as well as the support from clubs and districts around the world, The Foundation has an excellent chance of meeting its goal of raising \$50 million this year. These funds will be matched at a ratio of 2:1 by the Gates Foundation to generate a total of \$150 million to help eradicate polio. Clubs wishing to apply for the District PolioPlus Recognition Award are required to meet the following criteria:

- Provide evidence that the club has included a 2021-2022 PolioPlus Contribution goal on Rotary International (RI) Club Central at least 10% higher than the goal the club established in 2020-2021.
- Provide evidence that the club met the PolioPlus Contribution goal for 2021-2022 by February 4, 2022.
- Clubs that did not contribute to the PolioPlus Contribution Fund in 2020-2021 are asked to input a goal of at least \$500 for 2021-2022 in RI Club Central and provide evidence that they met this goal by February 4, 2022.
- Support the October 23-24, 2021 District RotoMotoRun to help eradicate polio. Support could be in the form of making a financial contribution (attach copy of check), photo(s) of providing food or other amenities to help riders successfully complete their trip around the district), or other forms of support.
- Provide the name of an EndPolioNow event conducted in October 2021 and include evidence to document that the event took place. Evidence may include photo(s), video(s), flyer(s), social media post(s), etc. of event(s). Examples of events are Pints for Polio, walking/running event, presentation on EndPolioNow at a meeting, etc.

Clubs applying for the award are asked to complete the attached application and submit it, along with the appropriate evidence, to DeeDee Arismendez at [deedeerotary@gmail.com](mailto:deedeerotary@gmail.com) no later than February 7, 2022.
