A photograph of two women working at a construction site. The woman on the left is wearing a purple jacket, sunglasses, and blue jeans, carrying a large wooden beam. The woman on the right is wearing a dark blue long-sleeved shirt with the Rotary logo, dark pants, and gloves, also carrying the beam. They are standing in front of a building under construction. The background shows other buildings and construction materials.

A close-up photograph of a hand holding a glass of beer. The glass is partially filled with a golden liquid and has a thick head of foam. In the background, other glasses of beer are visible, and a string of warm, out-of-focus lights creates a bokeh effect. The overall scene suggests a social gathering or event.

LIQUOR LIABILITY

Liquor liability coverage is provided when it is the Club or District that serves alcohol at an event. It is expected that all applicable laws be followed, including ensuring proper licensing with all applicable governmental bodies.

SEXUAL ABUSE & MOLESTATION

There is no exclusion on the policy related to abuse and molestation.

The policy is silent and would respond to claims or suits that arose.

NON-OWNED & RENTED AUTOS

The Program provides excess liability coverage for the use of rented and non-owned autos, above any other valid and collectible insurance on the auto.

When a trailer is attached to a vehicle, the vehicle owner's insurance is primary.

This coverage pays for medical expenses incurred by a third party for an injury sustained while not admitting fault.

The Program excludes medical payments for persons injured while practicing, instruction or participating in any athletic events or activities.
