

Camper Orientation Meeting – May through June

To confirm the attendance of the campers selected for your club's RYLA program, we strongly advise organizing an orientation meeting for the entire group of campers. If needed, individual meetings can be arranged to ensure their availability for the camp. The event that they cannot attend, alternative candidates may be considered, or the scholarship funds can be reallocated to support other campers in the district.

At the orientation meeting (usually 2-6 weeks before RYLA), you should plan to provide the following:

1. List of items to bring to the camp:

The "bring to camp" list can be found under the "Forms" tab on the District's RYLA Website: For more information, visit Our web site at: www.rotary5520.org > Youth Programs tab > RYLA

2. Transportation information:

Your club is required to arrange transportation to and from camp for your chosen campers. Guidelines can also be found under the "Forms" section on the District's RYLA website: www.rotary5520.org > Youth Programs tab > RYLA

****Please note, two adults are required in the transportation of campers. If only one adult is available, Rotary District 5520 requires a background check.***

4. RYLA Videos: These videos are available on the home page of the RYLA website or via the direct links below: your orientation meeting is a good time to show these videos to campers and their parents. This gives them a better idea of what to expect from their RYLA camp.
