The District has the opportunity and responsibility to manage that portion of DDF for District Grants. This amount may be as much as 50% of the total DDF in any given year. In addition, this plan will cover Global Grants when such funds are received by the District.

The key to the successful management of the finances related to District and Global Grants is based on an effective process of administering the applications for and allocation of all grants.

**Guiding Principles:** The guiding principles behind the District's administration of the District and Global Grants are:

## DISTRICT 5520 FINANCIAL MANAGEMENT PLAN 2020-21

- All projects funded with District and Global Grant money must comply with TRF rules; Global Grants will address at least one of the Seven Areas of Focus and District Grants will support The Rotary Foundation's mission to help Rotarians contribute to world understanding, goodwill, and peace by improving people's health, supporting education, and alleviating poverty.
- The funds to be applied for District and Global Grants came from the clubs and members of the District. Thus, each club's Annual Program Fund (APF) contribution is a major consideration in the distribution of District and Global Grant funds.
- Notwithstanding the foregoing principle, it is desired that the available grant funding be spread as widely as possible among the clubs applying for District and Global Grants. Thus, it is encouraged that smaller clubs form partnerships to sponsor projects.
- It is desired that the funds granted result in a lasting benefit to the targeted population. Thus, it is desirable that no more than three clubs join together in partnership to sponsor a single project that can be larger, have a broader and more lasting impact and include more Rotarians from the District.
- In the case of District Grants, funds will be allocated within District 5520.
- Clubs are encouraged to partner with outside, third-party organizations to expand the impact of the projects. However, all projects funded by a District Grant must be proposed by Rotarians, and Rotarians must have leading role in their management and direction.
- All activities associated with District Grants must be verifiable and auditable.
- The District's administration of District and Global Grants will be, in all particulars, in conformance with the requirements and intents of the Rotary Foundation District Grant Agreement, TRF Memorandum of Understanding (MOU) and this plan.

### **The Plan**

1. **Administration of District Grants:** The process for the submittal and evaluation of District Grant applications and the allocation of District Grants will be as follows:
  - A. **Club Qualification to Request District & Global Grant Funding:**
    - I. All District 5520 Rotary Clubs are eligible if the Club:
      - a. is in good standing with Rotary International (RI) and District 5520 (D5520);
      - b. is current on:
        - i. RI and D5520 dues and reporting
        - ii. prior District Grant and Global Grants reporting
        - iii. their IRS Form 990
      - b. has at least two people from the club attend a Grant Management Training (GMT) seminar; and,
      - c. has completed the District Grant Agreement (for District Grants) or the TRF Memorandum of Understanding (MOU) (for Global Grants).
    - B. **Grant Applications:**
      - i. Use the Grants Module on the District 5520 website to present the necessary information for a District Grant application and submit it to the DGSC. Clubs will apply for Global Grants using the applications on the RI's Grant Center.
      - ii. District Grant funds are not required to be matched although clubs are encouraged to contribute additional funding to maximize the impact of their projects.

## DISTRICT 5520 FINANCIAL MANAGEMENT PLAN 2020-21

- iii. In general, clubs may request only one District Grant; however, in those cases where clubs contributed more than \$50,000 in the year the DDF was generated, the club may request a second grant. In addition, a qualified club may also apply for the *limited* available District Grant funds to conduct a Community Assessment to support a Global Grant application.
  - iv. District Grants will be conducted within the confines of Rotary District 5520. Rotary defines D5520 as: New Mexico, and Texas, that portion west and south of the western and southern boundaries of the counties of Reeves, Ward, Crane, Crockett and Terrell and including the municipality of Farwell in the county of Parmer. Funds for a Community Assessment may be used outside the confines of the district.
  - v. The minimum District Grant is \$250.
2. **Schedule for District Grant Applications:** Unless otherwise specified,
- A. Opening date for applications is May 1<sup>st</sup>.
  - B. Closing date for preliminary project proposals is June 15<sup>th</sup>.
  - C. Closing date for applications is June 30<sup>th</sup>.
3. **Processing the District Grant Applications:** The District Grants Subcommittee Chair will review the District Grant applications as they are received and work with the respective clubs to resolve any content or format issues regarding the application. The DSSC will ensure that each club is qualified by examining its completed District Grant Agreement and validating that the club is current in all other requirements (IRS Form 990, dues, etc.)
4. **District Grant Funding Determination:**
- A. The District Grant Committee (DGC) consisting of the following members will meet to review each application (no more than 9 members).
    - District Grants Subcommittee Chair (DGSC)
    - District Rotary Foundation Committee Chair (DRFC)
    - District Global Grant Subcommittee Chair
    - District District Grants Subcommittee Chair
    - District Foundation Stewardship Subcommittee Chair
    - District Polio Plus Subcommittee Chair
    - District Triple Crown Circle Subcommittee Chair
  - B. The DGSC will take and maintain minutes of all meetings in accordance with the District 5520 Manual of Procedure. Further, the DGSC is responsible for the generation and submission of DGC-related reports and applications as required by TRF and other authorities.
  - C. With the approval of the Governor and the concurrence of the DRFC, the DGSC may assign DGC members duties as necessary to accomplish the purpose of the committee.
  - D. A simple majority of the DGC members being present will constitute a quorum for this meeting.
    - a. No member shall be a direct participant in a potential grant.

## DISTRICT 5520 FINANCIAL MANAGEMENT PLAN 2020-21

- E. The DGC will determine a project funding plan for the proposed projects given the constraints of the funds available for District Grants. The Project Funding Plan will be attached as an addendum to the District 5520 Financial Management Plan.
5. **District Grant Funding Resolution:** The DGSC will make a formal resolution regarding the grant funding plan indicating the will of the Committee. While a consensus is desired, a simple majority of votes of those present in favor of the plan placed in a motion, seconded and discussed will be sufficient to approve the resolution. The resolution of the DGC will be final with no appeal allowed. (The rationale for this policy is to avoid, to the maximum extent possible, any delays in the funding of the approved grants.)
6. **District Grant Funding Resolution Dissemination:** The resolution regarding funding of the proposed District Grants including a summary of the respective projects and the funding will be disseminated to all clubs in the District for information as soon as practicable after the DGC has determined the funding plan but in no event more than 10 days after the resolution is made.
7. **Funding Procedure for District Grants:** Funding of the approved projects will be accomplished as soon as practicable after the funding plan has been determined. Funding will be accomplished as follows:
- After approval of the grants, the DGSC will assign a unique number to each District Grant; prepare the paperwork for the DDF request. Copy DRFC, Stewardship Chair (DSSC) and Governor.
  - Upon approval the DRFC will submit the DDF request to TRF.
  - TRF will electronically deposit the funds in the District's District Grant Bank Account.
  - The DGSC will send the DGC Resolution, annotated to include the assigned grant numbers, to the DSSC, DRFC and Governor.
  - The DSSC will prepare a check request list indicating the grant number, the payees' names, addresses and the amounts of the respective checks. The check request list will be sent via email to the DGSC, DRFC and Governor.
  - The DRFC and Governor will verify the checks per the instructions from the DSSC.
  - The DRFC will verify the check amounts and payees are in accordance with the DGC Resolution and then arrange with the District Bookkeeper that the checks are drawn and signed by two signatories. Verification will be sent via email to DGSC and the DSSC.
  - The DSSC then makes arrangements with the District Bookkeeper for the checks to be sent to the respective recipients.
8. **Funding Procedure for Global Grants (Bank Account held in District 5520):** Funding will be accomplished as follows:
- TRF assigns a unique number to each Global Grant.
  - After TRF approves the application for a Global Grant it requests the bank information to transfer the funds to a separate DRF Grant Bank Account for that Global Grant.

## DISTRICT 5520 FINANCIAL MANAGEMENT PLAN 2020-21

- The Primary Contact on the Global Grant will request the DRF Grant Bank Account information from the DGSC. With approval from the DRFC, the DGSC will provide the information to the Primary Contact on the Global Grant.
  - When the funds are in the DRF Grant Bank Account, the DGSC will notify the Global Grant primary contact.
  - The Primary Contact will prepare a check request, to the DRFC and DSSC, indicating the amount, the payee, their bank information (if it is a wire transfer) or their mailing address. Invoices or receipts must accompany the request.
  - The DRFC will approve the disbursement via email. Copy to Primary Contact, DGSC, Stewardship Chair and Governor. If it is a wire transfer, the DRFC will forward the request to the Governor for approval.

  - The DRFC and Governor will verify the check amounts and payees are in accordance with the check request. The DRFC will have the check signed by 2 signatories. Verification will be sent via email to DGSC and the DSSC.
  - The DSSC then makes arrangements for the checks to be sent to the respective recipients.
9. **Club District Grant Reporting Requirements:** As a stipulation of receiving a District Grant the sponsoring club will commit to comply with interim and final reporting requirements:
- a. Interim Report: For a project in progress, an interim report must be submitted online by March 31 of the grant year, and every six months thereafter until project completion:

## ADDENDUM ONE

### Club Project Funding Plan

#### I. Background:

Prior to 2017 – 2018 the funding model used was very straightforward. District 5520 funded approved projects in the form of matching grants ranging from a minimum of \$250 to a maximum of \$2,000. While the projects were based on merit, little attention was given to the contributions by the club to the TRF Annual Program Fund (APF). As a result, a club that gave little or nothing to the APF was as eligible to receive a District 5520 matching grant as a club that annually gave \$100 per capita. The other criteria for rewarding a matching grant (two annually trained club members, paid up dues to RI and District, etc.) have remained the same over recent years.

#### II. The Plan:

1. District Grant funding will be based on the following funding model. This model has two funding sources; the contribution amount a club gave to Annual Fund-SHARE during the base year (three years prior to the grant's funding year), and, a set amount if the club achieved \$100 per capita giving to the APF during the year prior to the grant funding year.
2. The District each year receives as its District Dedicated Fund (DDF) an amount equal to 50% of the unrestricted Annual Program Fund contributions by its clubs during the base year. For the 2020-21 (FY 2021) the funding will be based on the contributions during FY 2018 (the base year). The portion of the DDF allocated to District grants will be determined by the DRFC budget after administrative expenses such as the annual lease of the ClubRunner® Grants Module software, postage, etc. determined at the beginning of the fiscal year. The District has usually requested that 50% of the DDF be allocated to District Grants. The resulting District Grant Fund may be augmented by the district; once district funds are transferred into the District Grant bank account, they are administered as District Grant funds.
3. For Clubs that have met the qualifications to apply for a District Grant, the base amount of their grant will be calculated as 15% of their unrestricted Annual Fund-SHARE contribution in the base year (2017-18). Clubs that contributed to the APF at the \$100 per capita level during the fiscal year preceding the grant's funding year will receive an incentive bonus (Kicker)

## DISTRICT 5520 FINANCIAL MANAGEMENT PLAN 2020-21

amount added to their base funding. The Kicker amount will be available even to clubs that do not qualify for a base funding amount. The Kicker amount will be determined, upon receipt of the June 30 TRF report of APF contributions, by equally allocating to those clubs in this category the amount remaining in the District Grant Fund after all base grants have been allocated; the sum a club's baseline amount and kicker/bonus share will not exceed the amount requested for the grant.

**NOTE:** District 5520 will not issue a grant for less than \$250.

4. This plan can be modified by the DRFC if deemed appropriate by the DRFC Chair in consultation with members of the Foundation Committee.
5. District Grants are not required to be matched although clubs are encouraged to contribute additional funds to maximize the impact of their projects.
6. In general, clubs may request only one District Grant; however, in those cases where clubs contributed more than \$50,000 to APF-SHARE in the year the DDF was generated, the club may request an additional District Grant.
7. In the event that a club was not chartered during the baseline year generating the DDF, a baseline minimum grant of \$249.00 will be assumed.

## ADDENDUM TWO

### Global Grants

- I. General:
  - a. Rotary District 5520 supports clubs that desire to participate in Global Grants; D5520 does not advocate for any particular project but rather depends on the participating clubs to promote the projects they favor and assemble sufficient support. Therefore, D5520 will not act as host or international host on Global Grants.
  - b. In general, Rotary District 5520 matches D5520 club contributions to Global Grants up to a preset amount. Each year the District Rotary Foundation Chair (DRFC) and District Grant Subcommittee Chair (DGSC) with the concurrence of the District Governor, will determine the DDF matching cap based on availability of unrestricted DDF and anticipated demand for matching funds. For the FY21 Rotary Year, D5520 will match up to \$8,000 of D5520 club contributions.
  - c. The DRFC may deviate from the Global Grant matching formula based his evaluation of the circumstances of each Global Grant. Any deviation(s) from the "formula" will be noted in the DDF Allocation Decision Document along with the reasons therefore. Such deviations may include but are not limited to:
    - i. Availability of DDF compared to the annual DDF spending plan;
    - ii. An unusually large amount of Club contributions;
    - iii. One or more of the D5520 host and/or partner clubs being delinquent in reporting, dues, IRS-990 compliance, etc.
    - iv. Special circumstances which might include but not be limited to: (a) Exceptional merit of the project; (b) Zone's priority
- II. Global Scholarships:
  - a. There are two types of Global Scholarships: (1) Scholarships proposed and funded by clubs; and (2) Scholarships offered and funded totally by District 5520 without any club funding.
    - i. Scholarships proposed by clubs and funded by clubs will be processed in the manner as any other Global Grant.
    - ii. A Scholarship proposed by a club without funding by the club will not be processed.
    - iii. Scholarships offered and funded by District 5520 require a district-wide advertisement and selection process. The club sponsoring the selected candidate will be the District 5520 Host club.
