Rotary International District 5520 Four-Way Test Essay Contest 2018-2019

History

From the earliest days of the organization, Rotarians were concerned with promoting high ethical standards in their professional lives. One of the world's most widely printed and quoted statements of business ethics is The Four-Way Test, which was created in 1932 by Rotarian Herbert J. Taylor (who later served as Rotary International president) when he was asked to take charge of a company that was facing bankruptcy. This 24-word code of ethics for employees to follow in their business and professional lives became the guide for sales, production, advertising, and all relations with dealers and customers, and the survival of the company is credited to this simple philosophy. Adopted by Rotary in 1943, The Four-Way Test has been translated into more than a hundred languages and published in thousands of ways.

Goal

Our short-term goal to have every Club sponsor a Four-Way Test Essay Contest in the eighth grade of every Public and Private School in their geographical area depends on club participation. If every eighth grader in our District prepared a Four-Way Test essay, soon every High School student in our District would know about Rotary. Think of the positive impact on Interact Clubs, Rotary Youth Leadership Awards, Youth Exchange, Rotaract and on the public image, and the future of Rotary.

The long-term goal is to develop a deeper relationship with your community's middle school by introducing the concept of the Four-Way Test in seventh grade. By establishing the Four-Way Test in the classroom as a useful tool for teaching ethics one school year before the Four-Way Test Essay Contest ensures that the student not only can write a thoughtful essay but also experiences the value of integrating ethics into their everyday life.
