## PREAMBLE

The activities and organization of Rotary International District 5520 (the "District" or "District 5520") shall exist solely to help individual Rotary Clubs advance the Object of Rotary and should not tend to diminish services provided by Rotary Clubs and Rotary members on the local level. The District provides particular assistance with programs that it would be impractical for clubs to implement individually, such as RYLA and Rotary Youth Exchange.

Rotary members in District 5520 embrace the core values of Rotary: Fellowship, integrity, diversity, service, and leadership. Moreover, Rotarians aspire to ensure that our conduct exemplifies these values. All Rotary members and other participants in Rotary programs are expected to be considerate and contribute to a collaborative, positive and healthy environment in which all are respected and valued.

With the exception of committees specifically recommended by and constituted in the manner prescribed by the Board of Rotary International from time to time, no continuing officers, organization, or committees shall be created within the District which may in any way tend to dilute the authority or responsibility of succeeding District Governors.

DGs are encouraged to appoint Rotary members of experience as chairs of District committees. The type and number of District committees should only be as extensive as is necessary to effectively promote the Object of Rotary and ensure the integrity of the District.

The Rotary clubs of District 5520, to ensure continuity and with the expectation of an improved understanding of the District's objectives and operational procedures, have caused this document to be written and by a vote of their members present at the District Conference have adopted, and from time to time revised, the provisions contained therein.

Nothing in this document or in the Bylaws of District 5520 shall be deemed to contradict or supersede the Rotary International Manual of Procedure, Constitution or Bylaws.

## ARTICLE 1 – DISTRICT FUNCTIONS

The operational procedures of the District are set forth in the latest edition of Rotary International Manual of Procedure and Bylaws.

(<https://my.rotary.org/en/learning-reference/about-rotary/governance-documents>)

Historically, District 5520 sponsors major projects involving fundraising, fellowship, vocational, community and international service, and youth programs. In addition, traditionally, District 5520 promotes club events throughout the District, as requested.

## ARTICLE 2 – DISTRICT ORGANIZATION

### 2.1 In General

The District Governor (DG) shall have maximum flexibility in developing and establishing the District's organizational structure as is appropriate to best achieve the District's goals and objectives. This may include, but is not limited to, appointments of Lieutenant Governors (LG), Assistant Governors (AG), and District Committee Chairs. The structure suggested by these Procedures is recommended but not mandated.

### 2.2 Lieutenant Governors (LG)

Each Lieutenant Governor serves as an administrative liaison between the Assistant Governors and the District Governor. The District Governor-Elect may, at his or her option, appoint a Lieutenant Governor for each of the five geographic regions to serve during his or her term as Governor. Lieutenant Governors assist the Governor and the Assistant Governors. Lieutenant Governors are District appointees; they are not officers of Rotary International. The Lieutenant Governors can work through the Assistant Governors or work directly with the individual Clubs in their regions. The Lieutenant Governors must have the same qualifications as the Assistant Governors and it is recommended that each Lieutenant Governor have served as an Assistant Governor for at least one year. The roles and responsibilities of the Lieutenant Governors are defined annually by the District Governor to achieve his or her goals and the goals of Rotary International and The Rotary Foundation.

### 2.3 Assistant Governors (AG)

The Assistant Governor is the first point of contact between the Club and the District and is responsible for assisting the Governor with the administration of his or her assigned Clubs. Assistant Governors are appointed by the District Governor-Elect to serve during his or her term as Governor and can be reappointed to serve up to three additional years. Assistant Governors are District appointees; they are not officers of Rotary International. The roles and responsibilities of the Assistant Governors are defined annually by the District Governor to achieve his or her goals and the goals of Rotary International and The Rotary Foundation.

Criteria in selecting Assistant Governors include the following.

- a. Membership, other than honorary, in good standing in a Rotary Club for at least three years.
- b. Service as a Club President for a full term (as of the date when the Assistant Governor takes office) or as a charter President of a club, having served the full term from the date of charter to June 30, provided that this period is at least six months.
- c. Willingness and ability to accept the responsibilities of Assistant Governor.
- d. Demonstrated outstanding performance at the District level.

More information on roles and responsibilities of the Assistant Governor is available in Assistant Governor Basics, Learning Center, [www.rotary.org](http://www.rotary.org).

**2.4 Club Size Designation:** The Club Size Designations of “Small”, “Medium”, “Large”, XL and XXL are designated based on the number of members in the most recent July 1 District Dues Report and determined by allocating to the “XXL” category those clubs with more than 120 members; to the “XL Large” category those clubs with 81-120 members; to the “Large” category, those clubs with 51-80 members; to the “Medium” category those clubs with 25-50 members; and to the “Small” category those clubs with 24 members or fewer. The DG may, at his or her discretion, alter the parameters of these categories for the year in which the DG serves as Governor, provided, however, that these designations are communicated to the clubs prior to July 1 of that Rotary year.

**2.5 Five Geographical Areas:** The five geographical areas of District 5520 are Central, North, South, Southeast, and East.

**2.6 Area Assignments:** Although clubs have traditionally been assigned to one particular geographic area, the DG may reassign clubs as needed to accommodate the workloads of individual Assistant Governors. Club assignments will remain in effect from year to year unless specifically reassigned by the DGE and updated in the District’s Organization Chart prior to the President Elect Training Seminar (PETS). A current list of club assignments by geographic area is set forth in Appendix 5 to this Manual.

Placement of event announcements on the District web site will be determined based on the judgment of the District Governor and the District Executive Secretary. The District Executive Secretary will manage a calendar for all such events in a manner that is accessible to all Rotary members.

23.2.4 Communications regarding deaths or illnesses: In the event of illness or death of a current or past Governor, spouse of a current or past Governor or member of the District Leadership Team, the District Executive Secretary will:

- a. Send a notice to all Rotary members with information on scheduled memorial service(s) and where to send condolences,
- b. Send an appropriate remembrance gift (e.g., flowers or donation) to the family on behalf of the District.

Rotary Club members are responsible for notifying interested parties of other illnesses and deaths.

23.3 Shared Communication: All District Leadership Team members have a responsibility to share their communications with all persons whose accountabilities are affected.

23.4 Council of Presidents: All Rotary Club Presidents and Presidents-Elect are encouraged to participate in regional meetings of our District's Councils of Presidents. These meetings are hosted by the area's LG and typically scheduled on a monthly basis. The meetings are designed to provide opportunities to share ideas and current projects, brainstorm solutions to issues of concern, and request support. They also foster fellowship among Club Presidents and their Clubs. Members of the District Leadership Team may also be invited to attend these meetings. A schedule of regional Council of Presidents meetings is maintained on the District web site home page, together with contact information for each meeting's coordinator.

23.5 Newsletter: A District newsletter will usually be published on a monthly basis and may be published more frequently at the discretion of the District Governor. The District's newsletter editor is appointed by the District Governor and will establish the schedule for submission of content and for publication of the newsletter. All clubs are encouraged to share their ideas and accomplishments with other Rotary members around the District by submitting photos and articles for the newsletter.

23.6 Master Calendar for Club Administration: The District has created a calendar of reminders for club officers ("Master Calendar") on the District web site, under the "Club Resources" banner.

## 23.7 Rotary Friendship Exchange (RFE)

24.7.1 Rotary Friendship Exchange (RFE) Defined: RFE is an opportunity to meet and engage with Rotary members from another area or country. The program allows District 5520 Rotary members to learn about many aspects of another area and culture, by traveling with or without a spouse: RFE is not simply a way to obtain friendly lodging during a vacation trip. The exchange of Rotary members who are motivated by a sincere desire to learn about others and share fellowship can be an effective tool in promoting better understanding worldwide.

23.7.2 Eligibility: D5520 limits participation to Rotary members and their spouses or significant others, including a friend or adult child. Rotary members who have participated as Friendship Exchange travelers should be willing to serve as hosts if RFE visitors come to their home community.

23.7.3 Locations: An RFE takes place between two districts anywhere in the world. They may be domestic exchanges between districts within a home country.

23.7.4 How to Participate. To participate in an exchange as an outbound traveler, a Rotarian must apply directly to the District RFE Chair after they receive an announcement about an upcoming RFE opportunity. To become a host, a Rotarian should apply directly to the RFE Chair. The local hosting committee determines the schedule of activities in each area to ensure uniformity for all the guests in the incoming group.

23.7.5 When are RFEs available: RFEs may occur any time of the year that is agreeable to the two exchanging districts. Reciprocal visits may occur during the same year or in another year.

23.7.6 Duration: In each case, it is up to the hosting district to determine the nature of the Friendship Exchange, the number of host families involved, and the length of each visit. RFE groups usually visit 2-3 communities in the hosting district, staying a few days with each different family. Domestic RFEs typically last 10 days, and international RFEs usually last 14 days.

23.7.7 Costs: In all cases, guests pay for their travel and basic expenses. Variations from this standard are only at the host club's discretion and should not be expected. Host families provide a bedroom, bath, breakfast, and sometimes other meals. Hosting clubs sometimes decide to cover other expenses in their area, but those decisions are left to the hosting clubs/families.
