

POST-CAMP RYLA PRESENTATIONS

We highly recommend that your club invite the campers you sponsor to speak at one of your meetings prior to the start of the new school year about their positive experiences from camp. Many clubs in the District utilize 30-45 minutes for these presentations, which are cherished by Rotary members as some of the best meetings/speakers of the year.

If you need a running slideshow for the presentation including pictures from the 2024 camp, please contact the District Chair for a download that can be utilized by your club (usually available within one week of the conclusion of the RYLA camps).

We suggest mentioning these presentations during the interview period, so that your selected campers will be able to set aside the time from their busy schedules to come speak to your club.
