COMMUNITY SERVICE

(Special thanks to Districts 5170 and 5240)

Community Service is one of the five Avenues of Service which encourages Rotarians to offer service to their communities. Service is the very core of Rotary's character.

Community Service is the opportunity Rotary clubs have to implement club projects and activities that improve life in our local communities, and this happens every day through thousands of service projects around the world.

When clubs complete effective service projects, they improve the community, bring people together, and reflect well on Rotary. When Rotary is viewed as a positive force in the community, its membership strengthens and grows, adding to the organization's ability to serve worldwide.

Community Service:

- Encourages and fosters the ideal of service to the personal, business and community life of every Rotarian;
- Offers opportunities for every Rotarian to exemplify “Service Above Self;”
- Provides a chance to respond to the needs of a local community.

Community Service Projects:

- Are relevant to the community;
- Serve as a learning experience for Rotarians;
- Identify a Rotary club’s role in its community;
- Determine how Rotarians can help with the resources at hand.
