GSE Information

Exchange with Australia

Our District will participate in the Group Study Exchange with District 9800, which is located in Australia. Anticipated dates in 2015: March 1-28.

General Information

Through the program, teams of young professionals from Districts 6840 and 9800 will exchange visits. For four weeks, team members experience the way of life, customs and vocational practices of Louisiana/Mississippi and Australia, while sharing information about their home country.

The purpose of the Group Study Exchange program is to promote international understanding and goodwill through personal connection. While abroad, team members stay in Rotarians' homes and have the opportunity to meet their professional counterparts. They also give presentations to Rotary clubs and other groups about their home country.

Rotary pays for round-trip airfare, and Rotary club members in the host country provide meals, lodging and group travel in their district. Team members pay for personal and incidental expenses.
