EITHER SUN JAN 29 8:30am-12:15pm in person

**WHAT IS RLI:** The overriding goal is to create ENTHUSIASM for Rotary by opening up to them the world of Rotary outside of their own clubs and also showing them the great potential of Rotary service for the benefit of the world that can be furthered with excellent leadership in our clubs.

RLI is a general education program, while most Rotary International training programs are "job-specific"; that is R.I. trains Rotarians for specific positions. RLI is not a PETS or any other district training program, but graduates of RLI bring a greatly enhanced background in Rotary when they later attend job-specific programs. This 3-part course is designed in keeping with Rotary's core value of Leadership.

**WHO IS IT FOR?** Everyone open to unlocking Rotary and leading into the future is welcome and all are invited. The entire course is a series of facilitated discussions among the participants with a content expert. Rotarian participants can have zero to over 20 years of Rotary or leadership experience

**HOW LONG DOES IT TAKE:** The full course is designed as seventeen 45-minute facilitated conversations organized into three parts. Parts One and Two [12 conversations] on **Saturday, January 28 in person**. We will begin promptly at **8:15am** breakfast and coffee break provided); have lunch on-site from 12:45-1:30, and **finish at 6pm** (coffee break provided and optional drinks to follow).

**From the RLI website:** RLI believes that excellent CLUB leadership (all types of club leaders) is essential to the future of Rotary in a complex and fast changing world. Most Rotarians have not been exposed to the great scope of Rotary around the world and have not considered what leadership skills are necessary to move Rotary forward.

RLI strongly believes that a good Rotary Club leader must know the evolution of Rotary, its current status and activities in the world and have a vision for what Rotary can be in the future. Therefore, RLI provides a three day basic course in both Rotary knowledge and leadership skills, especially for voluntary organizations. In addition to the specific leadership skills sessions, all the RLI sessions have a leadership component.
