SCANEX is a multi-district organization of Rotary International including District 5340.

<http://www.scanex.org/>

As Rotary Long Term Exchange Students a high school student will travel abroad and attend school in their host country for a full academic year. They also have opportunities to participate in camps, meetings, and trips in their host country. They will be immersed in the language and culture of that country. As a student ambassador they will be hosted by a local Rotary club and 2-3 families approved by Rotary. The host Rotary Club provides a monthly stipend equivalent to \$75-\$100. Long Term Exchange is an enriching experience for the student and an opportunity to develop lifelong friendships. Universities recognize the value of greater self-reliance and social maturity which students acquire during their year abroad.
