### It's Spring Fever!

Spring is here! We have set the clocks ahead, the days are getting longer, and the daffodils are starting to bloom. March was a busy month of continuing Rotary activities. The Presidents Elect Training Seminar (PETS) in San Jose started the month off with a roar! DGE Vicki and the Far West PETS Committee put on another great session for the nine districts in Northern California and Hawaii. It was very gratifying to *see all of the Presidents Elect charged up and ready to energize their clubs next year*. Kim and I also attended Foundation Dinners in Area 7 and Area 5. Both events were extremely well attended, and had exceptionally interesting and inspiring speakers. On March 16<sup>th</sup> I attended my own Loyalton Club's 74<sup>th</sup> Charter Night celebration. It was wonderful, and our next year's Charter Night will be a *really* big deal (75 years)! We finished out March by helping Portola celebrate their 75<sup>th</sup> Anniversary of Rotary Service. Once again, it is such an honor to join Rotarians from around the District to celebrate their incredible service to their communities and to our world!

April is Magazine month. This month is a good time to take a few moments and go through our great Rotarian Magazine. It truly is a

world class publication. It is designed to provide interesting and relevant information in a format that you can move through quickly. Our magazine also lends itself to that quiet time where you can sit down for a few moments and be inspired and entertained with great stories from around the Rotary World. In fact, keep an eye out for a story, or possibly two stories, about District 5190 Rotarians that will be printed in upcoming issues. I don't want to spoil the surprise!

Last month, our clubs continued to make good progress on my highest priorities: Rotary Foundation support, and membership development. Total District 5190 contributions to the Annual Programs Fund (APF) now exceed 91 percent of our aggregate goal! Many clubs have already met or exceeded their commitment. Polio giving is also continuing to rise as worldwide cases of this devastating disease have slowed to record low levels. As of this writing, there have been only eleven cases of polio reported in the world since January first. *That is a sixty percent reduction from last year at this time*. It is especially exciting that there has been only *ONE CASE* reported in Afghanistan!

Rotarians across the District really got busy on membership last month. Because of your efforts, our district doubled its net growth from my last report to you! We are now at **2,507 active members**. That is an increase from 26 to 51 new Rotarians in the last month alone.

It seems like folks are catching  
"Spring Membership Fever"!!

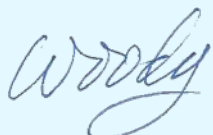

With only three months left in the Rotary year, it is critical that we *intensify our focus on achieving our membership goals*. Have a meeting with your membership committee, develop a three month

action plan, and don't focus solely on finding new members: implement a new member retention initiative as well. We have to hang on to what we have! Reach out to those members you have not seen in a while, hold a fun Rotary social, and make sure we are delivering on the promise of Rotary. Adjust your membership goals if needed. ***If every club added just 2 new members between now and the end of June that would be a tremendous accomplishment!***

To assist in this effort, I am initiating an effort to refocus and re-Ignite our membership efforts. I am calling it: "***Spring Membership Fever!***" For the month of April, I want to make an all out push to reach out to bring in new members, ***and*** keep all of the folks that are currently on the rolls. For this initiative, ***your club can score points*** by inviting visitors to your club meetings (5pts), bringing in new members (25 pts), and implementing an activity designed to attract and retain members (10 pts). The club submitting the highest point total will be this spring's "***Red Hot Club***" and will be given recognition at the District Conference. Clubs already reporting under the ***Ignite*** program will recognize these as they are identical to information they are already tracking!

By far, the majority of clubs have grown and retained membership so far this year. Whether or not your club is struggling with membership issues, this is not a time to slack off on our membership efforts: membership demands constant attention. We simply cannot afford to back off from this issue. We cannot get discouraged and we must not give up: what Rotary provides for your community and the world is just too good to not fight for! Reaching out to someone in your community and inviting them to share this wonderful gift of Rotary Service will not only help us continue to change the world, it will change that person's life forever. And when you change one life, that changed life in turn changes other lives. This is the beginning of another chain reaction of good that will spread like ripples in a pond reaching ever more people, ever more lives. Please, make this the month that you undertake the single most significant act of Rotary Service that any Rotarian can undertake:

***Sponsor a new member into YOUR great club!***

Sam "Woody" Wilbanks

## Assistant Governor's Straight Talk

### Area 4, Doug McDonald

It's not unusual to be walking in downtown Grass Valley or Nevada City, shopping for groceries, or picking up prescriptions to bump in to a fellow Rotarian from one of the five Clubs in Western Nevada County. With over 250 active Rotarians in the area, the chances are that you'll see a friend on a pretty regular basis.

While the five Clubs have distinct personalities and traditions, members are proud of the fact that they work together in a common cause to serve the community.

Take, for example, the Fairgrounds Rotarians-at-Work project under Scott Spencer (Grass Valley). Last year, Rotarians, family members, and youth groups such as Interact Clubs and Scouts, turned out in large numbers to paint, fix, repair, plant, rake, roof, and provide care for the Nevada County Fairgrounds, one of the true gems of our community. The public attention to this day of service was overwhelming, and this year, because the Fairground's funds are still compromised, we'll do it again.

Or how about our on-going project in Uganda? All five clubs have members who were instrumental in the early years of this project. They and their Clubs provided assistance, funding and equipment for 49er Rotarian Dr. Scott Kellerman's hospital. The clubs continue to provide support for this highly successful project, and plans are now in the works for a nursing school, with involvement of many other Clubs around the district and support from outside of Rotary.

And take a look at some of Rotary's own programs that have a strong tug at the heartstrings and pocketbooks of local Rotarians: Interact, Rotary Youth Exchange, and International projects. Each one of these programs has a Rotarian heading up the joint efforts of all the clubs – Gordon Beatie (49er), Bobbie Swanson (Grass Valley), Yvonne Bartlett (49er).

Dan Halloran (Penn Valley) headed up the District GSE Team to Brazil last year, and this year is coordinating the visit of the inbound team from India.

Our Rotary Eighth Grade Leadership Experience (REGLE) is coordinated with the three Auburn Clubs which make up Area 5, and is headed by Blake Smith (Grass Valley). In its third year this year, we are focused on getting next year's Eighth Graders committed and signed up for an outstanding locally held leadership training and personal growth experience. Our principals are raving about the service these eighth graders are providing to their schools upon their return from REGLE.

The Area 4 Rotary Foundation Dinner held last Fall was chaired by Rotarian Janielle Litton (Nevada County South) and was a great success, focusing support on the Rotary Foundation and honoring new and multiple Paul Harris Fellows, Major Donors, Benefactors and Bequest Society Members. It must be noted that two clubs have been recognized for being Every Rotarian Every Year and 100% Sustaining Member Clubs!

...the five clubs are proud that they work together to serve the community...

And who can ignore the positive energy of our Ignite membership development program under Larry Meek (49er Club) or the fun and enthusiasm of our Speech and Music Contests under Phil Ruble (49er), Erin Miller (49er) and Barbara Ross (Penn Valley).

Another interesting feature of our Clubs is that many couples are Rotarians, but may be members of different Clubs. Several couples' work and family schedules are such that attendance and participation in a different Club meeting on a regular basis works for them. For them, in many ways it's like being a member of two different Rotary Clubs!

Two Clubs are morning Clubs (our largest and our smallest Clubs), and three are noon Clubs. And every day of the week is a Rotary meeting day somewhere close, except for Fridays. Each welcomes your visit!

Thanks goes out to our Club Presidents for their great work this year! They are: Tim McCall, Grass Valley; Eric Sams, Nevada County South; Bob Kline, Penn Valley; Lindy Beatie (Nevada City 49er Breakfast); and Dennis Geare, president-elect of Nevada City who took over for Pearce "Terry" Boyer who had to step down part way through the year. We appreciate their dedication and commitment to making Rotary a wonderful and giving part of the Western Nevada County scene.

"Like Us" on Facebook under Rotary Clubs of Western Nevada County! Hope to see you in the Gold Country soon!

## Club News

### Music to My Ears

*Submitted by Sharon Zenz, Reno Centennial Sunset*

At the Speech Contest one of the mothers thanked me for putting on the event. I said something like, "No problem. We love speech contest nights." Then she shared with me that she was born deaf. Her daughter is a senior in high school, a public speaker and actor, who has won awards, but she'd never heard any of it, only read lips. She recently received cochlear implants. Last night was the FIRST time she'd ever HEARD her daughter give a speech. She cried, and thanked us all. THIS is what Rotary helps create, these precious memories.

### District 5190 Rotarian earns Presidential Award

*Alan Young, of Rotary District 5190, has been recognized by President Obama and ShelterBox USA with a Presidential Volunteer Service Award for his efforts during 2012 to provide shelter, warmth and dignity for survivors of natural and other disasters worldwide*

Alan's efforts of raising awareness and funds for ShelterBox enabled the

organization to respond to more than 30 disasters in 23 countries last year, providing families with disaster relief tents, cook stoves, water purification units, blankets, mosquito nets, children's packs and other essential equipment.

"I am truly proud to honor our volunteers, who work hard year-round to support ShelterBox and our efforts to help families rebuild their lives across the globe," Emily Sperling, ShelterBox USA President, said. "It is through the continuous efforts of our volunteers like Alan that we are able to help so many vulnerable families each year."

The President's Volunteer Service Award is a special recognition presented on behalf of President Barack Obama. More information about the Presidential award and the iconic green shelter boxes can be found at <http://www.presidentialserviceawards.gov> and [www.shelterboxusa.org](http://www.shelterboxusa.org).

## My Cliff Dochterman Moment

*Submitted by "Anita" Anacabe Francoia*

On my way back from PETS I was in line to catch a flight and an approximately 8 year old young boy that reminded me of a Cub Scout down to his cap and long sleeved shirt button all the way up his neck and neatly tucked in tried to engage in a conversation with me. He was probably trying to tell me where he was headed off to and what wonderful adventure he was embarking on. With the surrounding noise and my "leave me alone kid" non-responsive attitude that comes from those of us that really can't hear that well, he left me alone. Oh if I could do it over again.

Further along the line I noticed his mother a nicely dressed woman in her thirties, struggling with two big standup black bags, the kind you take when you're going to be gone for a long time. I probably could have asked if she needed help as we went zigzagging up to the counter. She appeared to be Hispanic but not really, probably Middle Eastern so I wasn't going to try and speak Spanish to her. It usually does break the ice though. Oh if I could do it over again.

Finally, too late, we are the next two to be called up to the counter "Where are you going?" "Pakistan" says the woman in perfect English. I had a hand free and I remembered the map with the 3

countries where polio still has a hold. "Pakistan, Afghanistan" I say and point in the air one on top of the other not mentioning Nigeria. She says, "I'm a Pediatrician going to work in a clinic in Pakistan." I quickly say, "India has been polio free for 2 years, do you know about Rotary?" She says, "No". Oh if I could do it over again.

Hurriedly I implore her to convince her people as a mother and doctor to make her people understand about polio. I tell her to please find out about Rotary at [www.rotary.org](http://www.rotary.org). She can only nod her head as I rattle on. We both get called to the counter at the same time and as we go our separate ways I make sure she hears me "Please join Rotary!"

Oh if I could do it over again!

## The Power and Fun of Acting Out!

Gloria LaPlant, President Rotary Club of Portola

Another great Apple Dumpling Book year! The kids loved that we acted out the book, and laughed when we messed up our lines ... it was Great FUN!!

Cast of Rotarian characters from left to right: Ralph Taylor as the Narrator, Austen Schiavone as "Andy", Kristen Schiavone as "Becky", Al Chamberlain as "Elmer", and President Gloria LaPlant as "The Voice".

## Rotarian Flies 3,800 Miles South for the Summer

Last Summer Jackson Rotarian Gale Fairbrother visited Ecuador and met a number of wonderful young people while visiting the RYLA Conference in Salinas, EC. Students were sponsored by Rotary Clubs along with Rotaract Guayaquil Sur.

The photograph shows Gale with the RYLA participants at a child care center in Guayaquil, Ecuador. They made improvements to the day center which was in very poor condition and in need of the basics

including chairs to sit on rather than just the floor.

While there she spread the word about solar cookers, one of Jackson's on-going projects, to Rotarians and representatives from Dole Food and other companies. She hopes to return with materials for the day center and solar cooker supplies.

## On the Up and Up

Submitted by Pat Nahin, Photo by Terry O'Brien

Josh Ingram, Edward Jones Financial Advisor, was inducted into The Rotary Club of Bishop on March 19, 2013. The ceremony was led by Past President, Randy Van Tassell along with Kay O'Brien, standing in for sponsor, Pat Nahin.

Josh was born and raised in Sacramento, California and has lived in Mammoth Lakes for 3 years. He was impressed with the interesting programs at club meetings plus the many areas of service the club has to offer the community and internationally. Josh gives a personal approach to his work and is anxious to do the same with Bishop Rotary Club's many activities.

Kay O'Brien, Josh Ingram and Randy Van Tassell

## Focus on the District

### Engaged Rotarian is Ready to Share

Submitted by Karen Grosz

Open to Paul Harris Society Members, Major Donors, Benefactors, and Bequest Society Members and their guests, this year's Paul Harris Society Dinner features DG Shirley Grace (District 5230) from the Rotary Club of Fresno.

Shirley and the clubs in her district have been active participants in several Major Grants in partnership with District 3170 in India, including wheelchairs, and Women's Empowerment grants that delivered sewing machines as well as various food preparation machines and flour mills. She also delivered polio immunizations as she toured the country visiting her district's Rotary projects.

Join with other Rotarians Friday, April 19 for a memorable evening. Please register for the [Paul Harris Society Dinner](#) before April 6.

## District Training Assembly Coming on April 20!

*Submitted by Tom Hardy, District Public Image Chair*

The 2013 District Training Assembly fires up at 8:00 a.m. on April 20, 2013 at the Atlantis Casino Resort in Reno. The District Training Assembly will have something for *everyone* in your club, from your leadership team to new members. This will be the place to train your Club Secretaries, Treasurers, Membership and Foundation Chairs, New Generations and Project Chairs and MORE. This year there is also have a special training track for new members—we want to help them “plug in” to your club.

As an *extra* added-value this year, there will also be special “Quick Start” sessions; allowing all attendees, in addition to their traditional training track, to pick an additional quick “intro” to a wide range of Rotary topics—our Foundation, the Ethics Initiative, a Fundraising Idea exchange, using Facebook for your club, Club Runner software, Club President Nominees, Developing Club Leaders, Club Foundations, Youth Exchange and a refresher on Rotary Basics.

Please join District Governor Elect Vicki Puliz for a dynamic kick-off to a year where we will all **Engage Rotary** and **Change Lives**.

Registration information, a complete list of all training tracks and “Quick Start” sessions, and room block information is available at: [www.regonline.com/builder/site/?eventid=1200499](http://www.regonline.com/builder/site/?eventid=1200499)

## Bring Your Family to the Conference

*Submitted by “First Mate Woodette”*

This year, Woody and I tasked the Conference Committee with making the 5190 District Conference more “family friendly”. Our objective is to create an event that the entire family can experience and enjoy together, rather than having Rotarians “leaving” their families to attend the District Conference. Here is some of what the Conference Committee has planned:

First, I am extremely excited that on Friday morning, prior to our opening session, you can register to see a “pre-release screening” of the latest Star Trek movie: “Into Darkness”. The price includes popcorn and a soda, and “Captain Woody” will meet you at 8:00 AM in front of the Sparks Cinemark Theater, across from the Nugget, to give you your ticket!

In addition, the committee has designed special activities to accommodate three components of a Rotarian family: children (11 and under), young adults (12-18) and non-Rotarian spouses/partners.

*For children 11 and under:*

- ~ The conference will feature special “kid friendly” tables for our young guests and their families at all plenary sessions, complete with fun, quiet children’s activities and special meals: lower cost meals, tailored to youthful tastes.
- ~ Additionally, children will have the opportunity to attend their own, fun Breakout Session on Saturday afternoon while Mom and Dad are attending THEIR Breakouts.
- ~ And in the evenings our younger guests are invited to attend special “Pizza/Pajama Parties”, right around the corner from Mom and Dad’s (or Grandma and Grandpa’s) evening parties.

*For our young adults, ages 12 to 18:*

- ~ Young people are invited to join our Rotary Interactors and our Rotary Youth Exchange Students from all around the globe in a specially designed “Youth Track”: separate, fun breakout sessions dealing with issues of interest to young folks, featuring Rotary VIPs such as Past RI President Rick King and RI President’s Representative Young Hwa Kim, from Korea.
- ~ They’re invited to join us at our Plenary Sessions (at discounted meal prices) and they’ll have a blast playing “Human Bingo” at our Friday evening “Galactic Gala reception. They’ll even have time for a “pool party” on Saturday afternoon. (I’m sure they’ll add some spice and energy to our after dinner dances!!)

*For our treasured Rotarian spouses:*

- ~ Spouses are sure to enjoy the wonderful Conference meals, the fun themed cocktail receptions each evening, the fabulous motivational speakers, and the after dinner fun and fellowship: we’ll be cheering each other on as we dance to the tunes “DJ Breeze” on Friday evening and “A-Train” on Saturday evening.
- ~ Additionally, spouses will be inspired by the ever popular speech and music contests, and they’ll be pleased by the variety of interesting breakout sessions available to them: “Youth Exchange”, “Hands on International Service”, and “Group Study Exchange Teams”.
- ~ Personally, I’m especially excited about the breakout session that professional photographers Ed and Pat Nahin from our Bishop Club will be sharing with us: a narrated multimedia presentation of photos they have taken from exotic locations around the world, such as Antarctica and Africa.

In their “free time”, families can also

enjoy the Nugget’s amazing swimming pool and children’s arcade,

or they can venture out into Reno and Sparks area to explore the great opportunities this exciting area has to offer ... fun family spots like the Exploratorium, the Fun Park, the Planetarium, and the nearby Legend's Outlet Mall (Google: Reno Family Activities). On Sunday afternoon Rotarians are offered half-off entrance fees to the Harrah's Auto Museum with a guided tour by Rotarian Dave Zybert.

I feel proud that the Conference Committee has built a truly family friendly conference! Now all you need to do is **Boldly Go** and register for your conference now, at [www.rotarydistrict5190.org](http://www.rotarydistrict5190.org). Woody and I guarantee the conference will not only be educational, entertaining, and inspirational, it will be a truly memorable and worthwhile family weekend!

See you all there!!

### *Opportunity is Knocking at the Door*

If your club is willing to sponsor a middle school for the 2nd Rotary Eight Grade Leadership residential camp, please let the program coordinators know by May 1, 2013. Program capacity is 17 middle schools with five students from each school. Slots will be filling

fast! If this program is new to you and you would like to learn more, please contact Karen Shimamoto at 530-640-0649 or Ann Taylor at 530-927-7133. Joe Donohue at 775-387-0123 is also available to answer questions. Emails may be sent to: [RotaryEGL@gmail.com](mailto:RotaryEGL@gmail.com). You can also check out the website: [www.RotaryEGL.com](http://www.RotaryEGL.com)

### **Rotary Club of Winnemucca / Humboldt General Hospital 2 Person Best Ball Golf Tournament**

Join us on May 11 & 12 at the Winnemucca Golf Course to compete for your share of \$50,000 in prizes. The tournament raises funds for scholarships and youth activities in Humboldt County. Hole in One prizes include a \$10,000 cash prize and a 2013 Polaris RZR. For detailed information about the tournament rules, fees, hotel accommodations and registration go to [www.clubrunner.ca/Portal/Home.aspx?cid=8378](http://www.clubrunner.ca/Portal/Home.aspx?cid=8378). Spots are filling fast and only the first 60 paid teams will be accepted. This is a great warm up for the District 5190 Rotary golf tournament the following weekend in Sparks! For further information call Tom Klein at 775-397-0624.

### **Tech Corner - Promoting Club Events On the District Website**

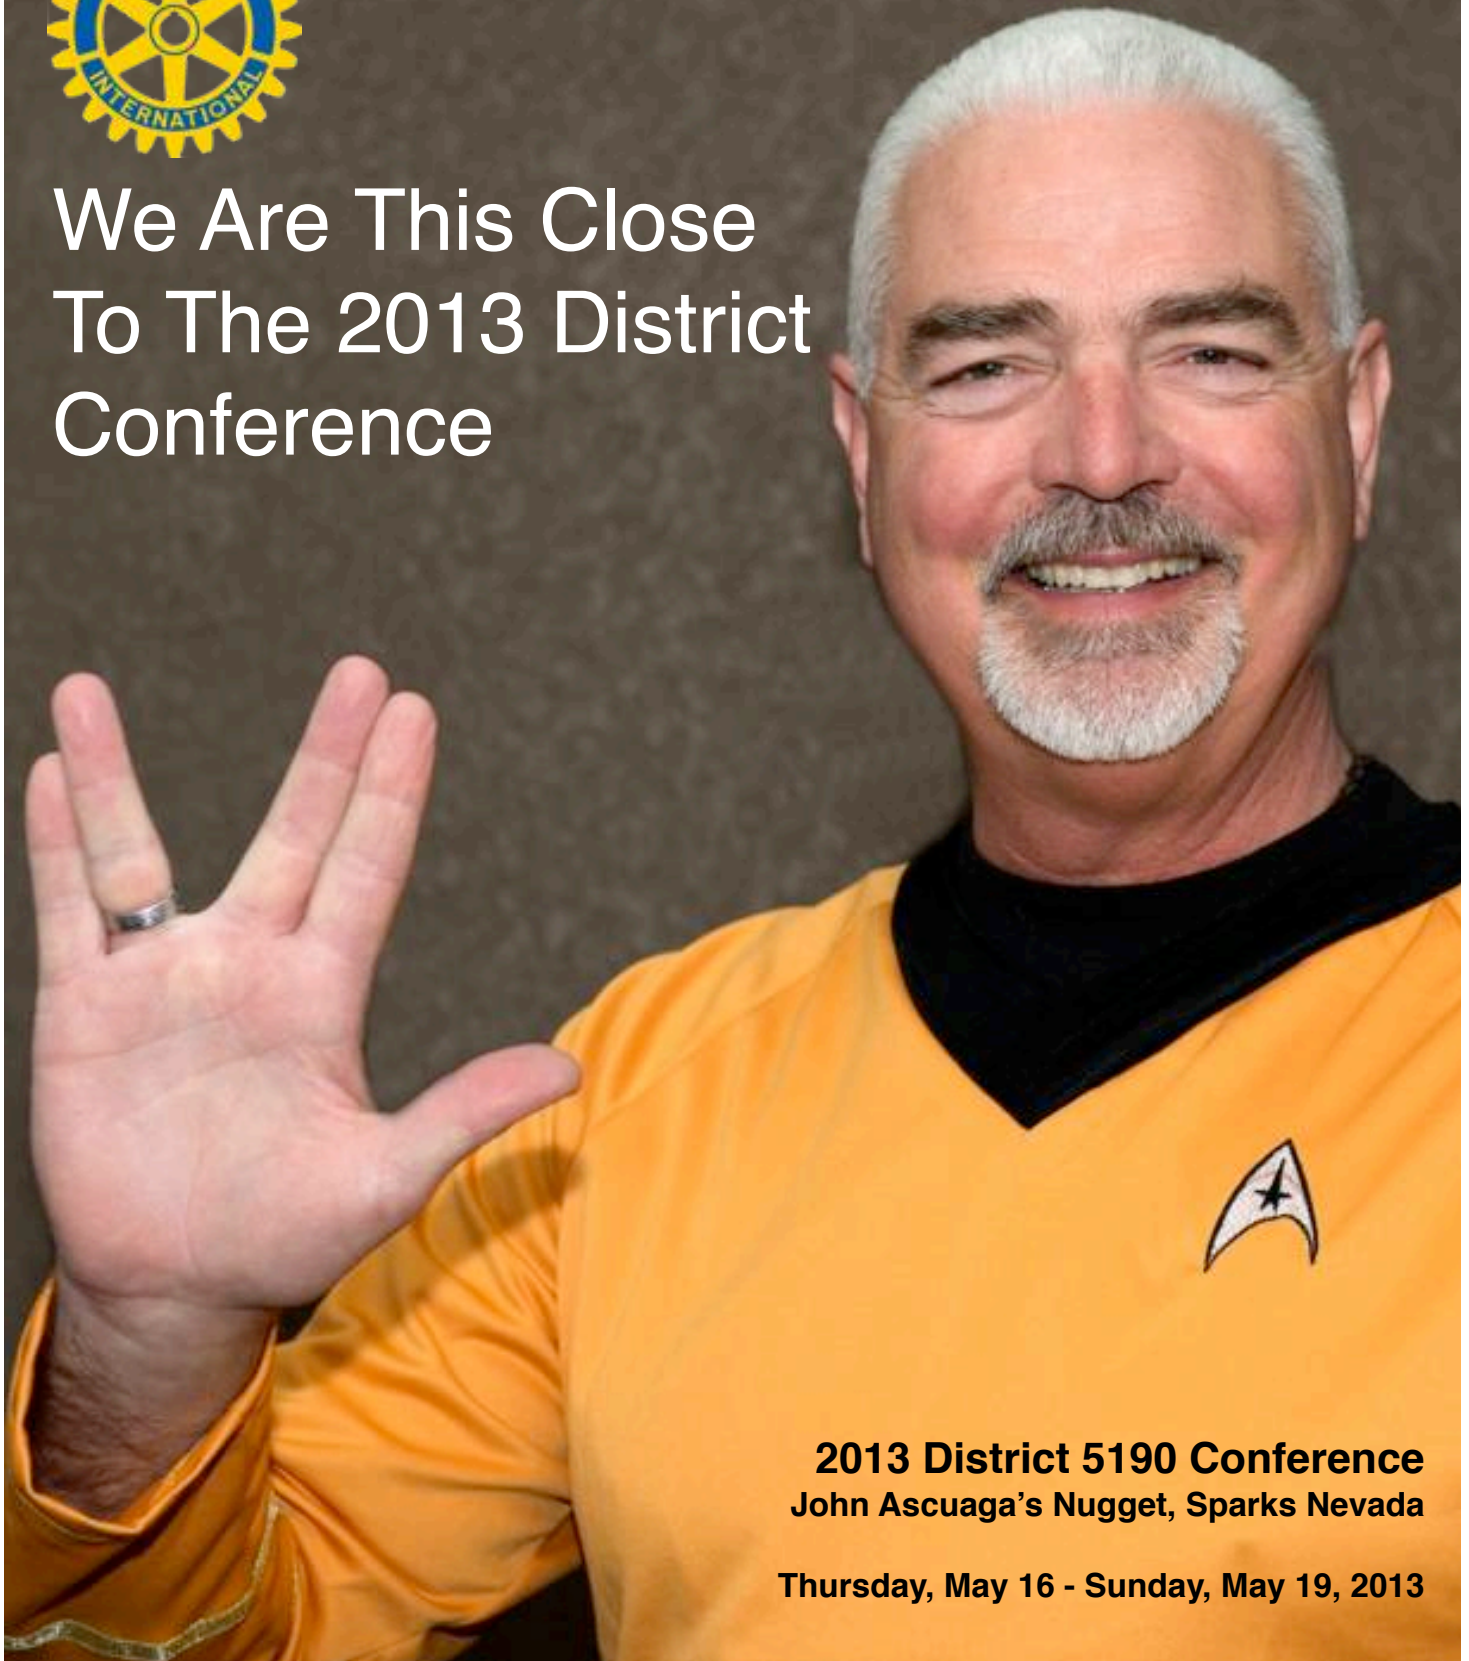

Clubs are encouraged to promote Club Events on the District Website according to the following criteria.

Clubs which subscribe to ClubRunner, may promote Club events of interest to other Rotarians or to the general public by inputting the information on the Club's ClubRunner site under Events 2.0. Be sure to select "Show in District Event Calendar?" If an event is of interest **only** to Club members then the box for "Show in District Event Calendar?" **should not be checked**. Putting events not of general interest on the District's Event Calendar makes it difficult to read.

Information regarding posting on the website's Home Page and on the District's Facebook page will be discussed in a later tip or is

# We Are This Close To The 2013 District Conference

**2013 District 5190 Conference**  
**John Ascuaga's Nugget, Sparks Nevada**

**Thursday, May 16 - Sunday, May 19, 2013**

## Polio Score Board

Wild Poliovirus (WPV) cases – As of 27 March 2013

Total cases	Year-to-date 2013	Year-to-date 2012	Total in 2012
Globally	11	31	223

Case breakdown by country

Countries	Total as of 19 Mar 2013	Total as of 21 Mar 2012	Total in 2012	Most Recent Case
Pakistan	5	14	58	12 Feb 2013
Afghanistan	1	5	37	31 Jan 2013
Nigeria	5	10	122	13 Mar 2013
Chad	0	1	5	14 Jun 2012
Niger	0	0	1	15 Nov 2012

The Rotary Club of Alturas recently received a note from a local citizen, inspired by the club's "Pennies for Polio" project. The following heartfelt message reminds us that every fundraising effort small or large touches lives and improves our world.

"I would like to thank Rotary International for its continued efforts to raise money to fight the polio virus in the remaining countries with cases.

This was my dad with polio in 1937, before vaccines and just prior to the accepted use of exercise in the treatment. He lost the use of his left arm and hand. He had to repeat 7th grade two times and graduated high school just after he turned 21 in 1945. He farmed with his dad and owned/operated a garage/gas station in a small town for 30 years in Colusa County, California. He died in 1980 at 56.

Its interesting that as a child I wanted to be like him, handicap and all.

Again thanks to Rotary and thank you for keeping donation jars available in the community." ~ Chris Lauppe ~

## Club Kudos

### Bras for a Cause!!!

"Bras for a Cause" - that's what the Winnemucca branch of the "5190 Free the Girls Project" has dubbed their efforts. They are just one of the clubs participating in this amazing International Project. And – BOY – have the clubs been having fun with this one!! For more info on Free the Girls click this link: <http://thecnnfreedomproject.blogs.cnn.com/2012/02/22/bras-liberate-women-from-sex-slavery/>.

It all started when President Bernadette Lovato, of the Rotary Club of Bishop Sunrise, got wind of the mission of the Free the Girls Organization in Denver, Colorado: they collect lingerie and send it to Mozambique where there is a huge market for these items. The stock is used to

help young women who have been rescued out of sex slavery. With a supply of lingerie these young women are able to establish their own small businesses, and thereby create new lives for themselves. The Bishop Club dubbed their efforts "Bishop or Bust"! They even made up a logo for the project, incorporating their famous Mule Days theme.

Bernadette has spread the word, and organized collection efforts in many interested 5190 clubs. Her goal: to collect 5,190 bras! The clubs that took on this project will be delivering their "hauls" to the District Conference in May. (Stay tuned – Bernadette will be sending out details on the Free the Girls Conference plans soon.)

So, Kudos to the Nevada City Club: they leaped right on this opportunity ... they had their "bra drive" up and running for Mardi Gras in early February, as you can see. Their parade entry

definitely jump-started their collection efforts, as people threw bras and money to the fun-loving Rotarians as they danced their way down Main Street.

(Pre-event publicity had folks bring their bra donations in their pockets.) Watch RI's Rotarian Magazine for a write up on this!

Here's another GREAT idea, deserving of Kudos ... the Winnemucca Club added a special twist to their project by adding personal letters to their boxes of bras: letters of support for the young women receiving their donations. Way to take it to the next level, Winnemucca!

And Kudos to the Cameron Park Club, too ... they kicked-off their collection efforts by

wearing bras to a meeting. (I wonder what the guest speaker thought of that!!) "It was pretty disgusting", laughed club secretary James Buckley.

BUT ... very effective, as the club has already collected over 1,500 bras and camisoles. Their goal is 2,000, and at this rate they'll top that!!

Yes – "Bras with a Cause" is sweeping District 5190, spreading much fun while creating opportunities for abused women. It's not too late to support this easy, worthwhile, and uplifting International project. Contact Bernadette Lovato at [bernadettelovto@gmail.com](mailto:bernadettelovto@gmail.com) with questions.

**Thanks, Rotarians ...  
KUDOS TO YOU!!!**

## District Newsletter

The Rotary District 5190 Newsletter is a monthly publication sponsored by District Governor Sam "Woody" Wilbanks. Please note the newsletter is posted on the District website at [www.rotarydistrict5190.org/newsletters.asp](http://www.rotarydistrict5190.org/newsletters.asp). Follow the instructions to download a copy of the newsletter. It is necessary to have a "Portable Document Format" (PDF) reader to read it. Instructions for downloading the free "Acrobat Reader" are available on the website. If you cannot print a copy from the website, contact your Assistant Governor and ask for a hard copy.

Send Club bulletins, news and brilliant ideas to Editor Elizabeth Cavasso, 1201 Juniper Street, Alturas, CA 96101 or e-mail to [ecavasso@gmail.com](mailto:ecavasso@gmail.com) • Home: 530-233-3265 • Cell: 530-640-0002. Deadline: 20th of the previous month of publication.
