GOVERNOR'S MESSAGE

From the Back of the Bike. . .

January is "Vocational Service" month on the Rotary calendar. Our District Vocational Service Chair, Jim Greenlee with the Rotary Club of Auburn Gold Country, is ready and willing to help you with ideas, projects, or programs to recognize and honor vocations, in the Club and/or in the Community. Some things to consider are distributing the Four Way Test in the community, Presenting Vocational Service Awards in the Community, having Club meetings at a member's business, offer mock interview services in the schools or through Interact or Roteract. Whatever you do, we are here to help and support.

As we hit the mid-point of our year, I want to thank you for all the Connections, Lasting Change, and Good in the World that the great Clubs in District 5190 have accomplished. I also encourage you to keep it up! District 5190 is #41 in the WORLD in total contributions to Our Rotary Foundation and we are in the top 5 Districts in our Zone in Annual Fund Per Capita and Polio Plus giving! Thank you from all of us from the bottoms of our hearts.

Coming up early in this month is our District Leadership Meeting at which we will be taking our District Visioning Session forward to the next step and updating the District's Strategic Plan. Also, as I said last month, I encourage you to reach out to our District team for support or assistance. The team is here simply to support the clubs. If you have questions

AREA UPDATES

Area 5

Rotary Clubs of Auburn, Auburn Gold Country, Auburn Sunset and Sierra Passport

Area 5 has been very busy. With four outstanding clubs working together we found that having one vision and four clubs turns into major success. This year we entered the Auburn Festival of Lights Parade and had a great time. The float took approximately two months and one week of planning and construction. During the parade a major storm moved into the area, but that didn't stop the Auburn Rotary clubs, they still walked and danced to Christmas music.

On February 15, 2020, the four Rotary Clubs will team up again for a major fundraiser. Yes, it is BINGO and fun will be had by all. This is the second year the clubs have teamed up to raise money for a project. Last year was revamping Railhead Park during Rotarians At Work Day and this year will be for an Area 5 wide International Project. The cost is \$30 per person for this family event. Please be on the lookout for your invitation.

March 19, 2020, will be a special night for Area 5 as they celebrate Rotarians from all 4 clubs and their dedication to the Rotary Foundation. Yes you guess it, it will be the Area 5 Foundation Dinner with non Rotarians receiving a Paul Harris Fellows for their community efforts, club members receiving multiple Paul Harris Fellows and rumor has it we will have a new Major Donor that will also become the newest Triple Crown for Rotary District 5190!! If you would like an invite please email Assistant Governor Stacy at stacylg68@gmail.com and she will make sure to get you on the invitation list.

Then coming on May 9, 2020, will be the Auburn Rotary Club Brewfest!! This event always sells out, typically two months in advance, so if you want to join in on the fun, please connect early.

Well that is it for now from Area 5. All the Rotary Clubs of Auburn hope your holidays were special and the New Year brings you all success, love and laughter.

Stacy Graham, Assistant Governor

Area 10

Rotary Club of Fernley

The Rotary Club of Fernley is moving forward with our **Soles for Souls 2019 - 2020** project. We have made contact with Saleem Ahmad Khan from the Rotary Club of Lahore Metropolitan Punjab Pakistan, in District 3270. We are excited and thrilled to include all of our clubs in District 5190 to help with this great International Project.

We are requesting commitments from each club if you choose to help with shipping costs by January 31, 2020. Clubs may use their Bonus District Designated Funds (DDF) Allocation and/or cash to contribute. Please contact District Rotary Foundation Committee Chair (DRFCC) Wyn Spiller with questions (wyn.spiller@gmail.com). Once we have commitments, the Fernley Club will apply for a matching grant for shipping costs. Each contributing Club will be listed as a partner. Any shoe purchases online or other shoe donations can be sent to Nevada State Bank Fernley Branch 250 US Hwy 95A, Fernley NV. 89408, or can be brought to the Pre-Pets Training February 1, at the Nugget in Sparks.

We are asking for new flip flops or light weight shoes sizes for 5 -12 year olds. These are the most needed and requested sizes. Please no used shoes!

Tracy Jo Johnson, the President of the Fernley Club, will keep an inventory of all shoes collected and work with Lodhi the project creator and Rotarian from Fernley on shipping details.

The Rotary Club of Fernley thanks Lori McMahon, Wyn Spiller, Randy Van Tassell, and

Carolyn Feuille for their assistance with this project. We will keep everyone posted as the shoes and contributions come in.

Summer Cycling Fun in the Ruby Mountains!

Here is your chance to see the amazing and awesome Ruby Mountains up close and personal. The first annual bike "gravel ride" provides participants an opportunity to "Ride Around the Rubies" on a 40-, 66-, or 118-mile (endurance) loop. The route is on paved, gravel and dirt roads. Elevation on the long loop ranges from 5915 feet to 7200 feet. This one-day cycling event begins and ends in scenic Lamoille, Nevada (near Elko, Nevada).

Join the members of the sponsoring Elko Desert Sunrise Rotary Club for this fun, fund-raising event on June 20, 2020 Summer Solstice. Proceeds from this event support youth leadership development, exchange programs, local and global community improvement projects, and programs that encourage healthy behaviors and inspirational service to others. FEATURE STORIES

Developing Catalysts For Peace

Peace Fellowships

All of Rotary's Six Areas of Focus contribute to global efforts toward peace. For example, water and sanitation programs help alleviate some of the underlying roots of population migrations leading to conflict. But the specific area of Peace and Conflict Resolution is often overlooked. Out of \$86.7 million dollars awarded by The Rotary Foundation (TRF) in, only \$ 3.5 million went to Peace and Conflict Resolution.

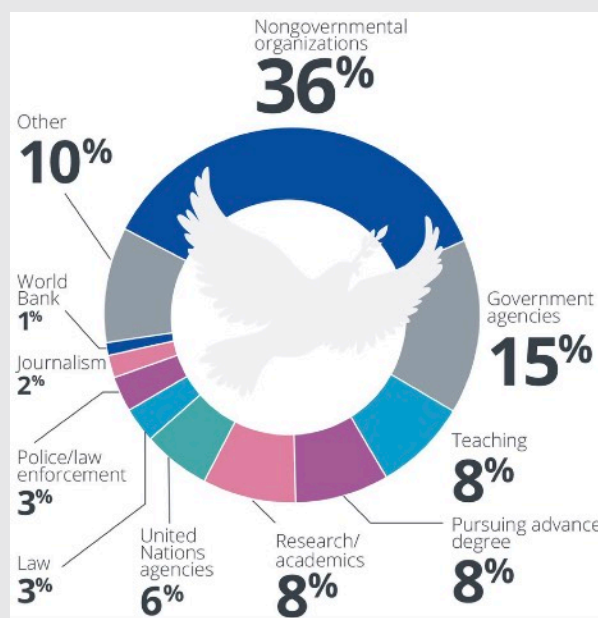

The most important way that Rotary helps to alleviate conflict is through its support of Peace Fellowships for select individuals to attend one of six Peace Centers around the world: Sweden, England, North Carolina, Thailand, Japan and Australia. And starting in 2020-21 a new center will open in Uganda.

According to Rotary, “each year, Rotary awards up to 100 fully funded fellowships for dedicated leaders to study at one of these centers. Through academic training, practice, and global networking opportunities, the Rotary Peace Centers program develops the fellows into experienced and effective catalysts for peace. The fellowships cover tuition and fees, room and board, round-trip transportation, and all internship and field-study expenses.

In just over a decade, the Rotary Peace Centers have trained more than 1,200 fellows. Many of them now serve as leaders at international organizations or have started their own foundations.”

While studying peace and conflict may at first seem like a theoretical, academic exercise, graduates put their new expertise to good practical use. For

Where Rotary Peace Center alumni work.

example, a Philadelphia police officer recently attended the Peace Center in Thailand and returned home to help his fellow officers build better community relations as well as detect and address human trafficking.

If you know someone who might benefit from Rotary's Peace Fellowship program please urge them to apply. Rotary asks that candidates have the following attributes:

- Proficiency in English; a second language is strongly recommended
- Demonstrated commitment to international understanding and peace
- Excellent leadership skills
- Master's degree applicants: minimum three years of related full-time work or volunteer experience, bachelor's degree
- Certificate applicants: minimum five years of related full-time work or volunteer experience

Value of Rotary Volunteering

A [special report](#) prepared for Rotary International by the Johns Hopkins Center for Civil Society Studies estimates the value of Rotary member volunteer hours at \$850 million a year. The report gives a conservative estimate of nearly 47 million hours of volunteer effort generated by Rotary members in a typical year. The report recognizes that volunteer service is not only a feel-good calling—it may provide one of the more promising, and one of the more fulfilling—avenues through which to achieve the ambitious goals that the international community has set for itself.

Rotary International Strategic Plan

Rotary's plan for the next five years is to increase our impact, expand our reach, enhance participant engagement, and increase our ability to adapt. By helping to realize the goals of this plan, we will ensure a stronger and even more effective future for Rotary—a tremendous legacy. The plan is rooted in our tried-and-true values and builds on the remarkable capabilities and spirit of Rotarians.

Total Member Count For District #5190			2291	2247	2092	2286	2%

As a district, we've now had 5 months of membership growth from July through November! We had 2,286 members as of November 30, representing a 2% growth.

Congratulations to the 28 clubs which have lead the growth in their total membership, and especially to those clubs that have achieved their goal. Half that number of clubs (14) have suffered a net membership loss, while the remaining clubs have remained at their starting membership.

Our challenge in December was to keep our members active with the club and not drop them from our roles. We'll be finding out how we did in that respect over the next few days!

Let us know how we can help you grow your club membership! Give us a call or send an email – we're there to help!
