From the Woodshed

Our Rotary Foundation!

I can't believe that October is in the can, and November has arrived. Last month Kim and I visited another twelve clubs. We bounced

around a bit in October visiting all the Area 4 and 5 clubs, a few Reno clubs, and Fernley. A big highlight for us was celebrating the Rotary Club of Tahoe-Douglas' 50th year as part of the Rotary movement during our visit. This district has some venerable Clubs, ranging from 96 years (Reno) to three years of service (Reno Midtown). As usual Kim and I were amazed by the magnitude of service that the clubs of 5190 provide in communities large and small. Almost without exception, our clubs don't stop at the border of their

communities, but reach well beyond them, across international borders to provide the kind of service and assistance that no other organization on earth is capable of.

November is Foundation Month. A month when we Rotarians celebrate OUR Rotary Foundation. It all began in 1917 when Rotary International President Arch C. Klumph announced the acceptance of endowments "for the purpose of doing good in the world" – and The Rotary Foundation was born! It started with a donation of \$26.50, and eleven years later, in 1928, when the endowment had grown to the magnificent sum of \$5,000 it was renamed The Rotary

Foundation, and became a distinct entity within Rotary International.

Most of us recognize the signature achievement of Our Foundation as the ongoing battle to end polio. It's remarkable to note that the very first grant our Foundation made (\$500) was to the International Society for Crippled Children (started by a Rotarian) which later became known as the Easter Seals. The "March of Dimes" was this organization's campaign to fight polio.

The Great Depression and World War II both slowed the growth of our Foundation, but the yearning for lasting peace around the world generated great postwar interest. Then, in 1947, contributions began pouring in to honor the passing of our founder, Paul Harris. That year, the Foundation began granting scholarships to students to attend universities in other countries: the forerunner of the Ambassadorial Scholarship program. Programs continued to grow over the years, as did the power of the Foundation. In 1984 "Polio Plus" was announced. Little did we know what an incredible effect this audacious program would have on the history of the world!

Over the years, as support of Our Foundation has grown, it has received contributions totaling more than \$1,000,000,000! The unique strategy that Rotarians have put to use to maximize the effectiveness of contributed dollars makes Our Foundation the best charitable investment around.

Not only does Our Foundation support the ideals and the work of Rotarians in their communities around the world, but the money is invested to work and grow for three years before being put to use, so that administrative costs are essentially covered by the interest earned. This results in more money going to do projects. In fact,

sometimes MORE money goes to do the work of Rotary than was actually contributed!

Our Rotary Foundation funds great work in local communities around the world. Sometimes folks believe that Foundation funded projects are almost exclusively international (outside the US). Actually, this is not true: fully half of all contributions to our Annual Programs Fund (APF) come back to the Districts that generated the money, to be used by their clubs. According to the Four Way Test, I think that is fair and beneficial to ALL concerned. Not only that, but it definitely builds goodwill and better friendships around the world!

Clubs can partner with other Rotary clubs to do projects that would otherwise be beyond their reach financially. They can provide scholarships to people from their communities, and send teams to areas of critical need.

In my travels this year, I have observed that many clubs establish "Club Foundations" to facilitate their ability to make wonderful things happen in their local areas. This is wonderful! Most of us can get our minds around supporting a fund that goes toward addressing social needs locally. In my opinion, Rotarians are the best in the world at this. However, what makes us Rotarians is that we broaden our service objectives to include not only our local community needs, but the needs of other communities as well. When we band together with Rotarians in other places we truly make the impossible possible!

Our "local" projects include the entire planet, as our Foundation binds us together in service to humanity all over the world.

So many Rotarians that I have met have had their lives changed forever by participating in a project funded by Our Foundation. We live in such a prosperous nation. Yes, we have need here, and Rotarians do a fantastic job of addressing that need. We need to maintain our focus on feeding our own hungry, supporting battered women, helping the homeless, the aged and the infirm. It is very important that we keep working to prepare our young

Assistant Governor's Straight Talk

Area 7, PJ Karnaze

Howdy from Gold Country! Area 7 is comprised of four clubs located in Amador County, which is famous for the Gold Rush and historic well-known towns like Jackson, Ione and Sutter Creek. Today, Amador County is also known for its wine industry and tourism. As the crossroads for scenic Highways 49 and 88, Amador County is easily accessible from all four directions of the compass.

Our Rotary year kicked off at a gallop. The Amador County Fair is the biggest event of the year and all four clubs contribute to making it the best little fair in the country! Troy Bowers, the freshly minted president of the Rotary Club of Plymouth-Foothills, is also the Fair CEO, so it was no surprise that he looked a little frazzled at the district governor's board meeting with his club the day after fair finished. Fatigued but not [yet] comatose, Troy set the tone for Area 7 by leading his team through what would be the first of four fabulous club presentations to the district governor.

We may not be big wealthy clubs, but we have heart and a strong camaraderie that Woody and Kim quickly picked up on during their visit. Partnering to support RYLA, REGL, Interact, RYE, music & speech contests, Foundation Dinners, and supporting each other's fund raisers is just how we do things in Area 7. Now let's take a peek at each of the four clubs in Area 7.

Amador Upcountry is preparing to celebrate their 30th anniversary by mixing everything up! After years with little change, they have recently moved venues, switched meeting days, and gone from a lunch to dinner club. All of this change has provided the club with a new perspective and zeal, which is reflected on their new website and Facebook page.

Their president Berta Pickett is the daughter of one of the club's founding members. Berta said, "I wish he were still around to give me a hug or to give one of his goofy, long-winded but inspirational speeches (he was PDG, after all). He's not, but Dad is still a beacon for me, too."

Along with participating in the Area-wide initiatives, Amador Upcountry continues its weekly support of the Interfaith Food Bank with food and funds. "Grandpa" Neil Smith ensures that members either bring food or pay up! Then he and other club members like Jim Graves and Hank Arnold transport the food to the distribution center.

I may be biased, but my favorite Amador Upcountry event is their annual Sweet Potato Pie fundraiser spearheaded by President-elect Marjorie Craig, who also heads a non-profit called Helping Kenyan Children Survive and Thrive. Marjorie and her team of volunteers grow the sweet potatoes, harvest them, and then cook them up into the best pies this side of Mississippi!

The Rotary Club of Jackson is celebrating its 60th anniversary this month and is the core of the Rotary spirit in Area 7. Jim Wilmarth is maintaining his club's reputation as the movers and shakers in Amador County by continuing a tradition of unparalleled fund raising and community support, which is a blessing to other community service groups that have come to rely on the Jackson club's generosity in sustain their programs.

The club recently hosted its 20th annual Bowl-a-thon with over eighty participants from Interact, Lifeline, Boy Scouts, the high school bands, and several church groups, which raised over \$18,000 for community projects. How important is this event to the club, you may ask? Over twenty members participated in the event this year and, believe it or not, Jim met his wife at the Bowl-a-thon seven years ago!

people to lead our nation and the world. We also need to understand and embrace the fact that a relatively small proportion of our wealth and good fortune can have an incredibly disproportionate and positive effect on people who come from countries that have not advanced to our level of economic and social wellbeing.

With the support of Rotarians like you, Our Rotary Foundation continues to make the impossible possible: helping Rotarians spread peace through service by building peace, fighting disease, providing clean water, supporting mothers and children, promoting education and growing local economies. Does it get any better than that??

Thanks Area 4 for this witty poster....

The Rotary Club of Ione is the little engine that could. This twenty-eight member club led by Larry Costick takes on big projects with measurable benefits for their community. After finishing a beautiful renovation of the Ione City library that impressed the heck out of Woody and Kim, the Ione club immediately launched into another massive project.

"...what impresses me most is their ability to sustain a deliberate long-term effort...

Partnering with several other community support groups, the club is now spearheading the renovation of Evelyn Bishop Hall, which has been around since the mid-1960s and currently serves as a community center and emergency relief shelter. The most recent fundraiser for this project netted \$21,000, not to mention additional contributions the club helped garner. I think what impresses me the most about the Ione club is their ability to sustain a deliberate long-term effort to complete projects of this magnitude, especially given their size.

The Rotary Club of Plymouth-Foothills is the newest addition to Area 7, Chartering in March 2007. Though a young club, P-F has quickly jumped aboard the fast moving Rotary train and contributed to quality of life both locally and internationally, with an emphasis on supporting youth. The Plymouth Community Market is sponsored by the club and held weekly throughout September and October. It serves as the club's primary fundraiser for an annual thousand dollar project for Plymouth Elementary.

This market is one of four farmer's markets in Amador County, but has a unique twist. "I think we have the right formula for a community event," said Austin Ford, the club's market project facilitator. "Vendors and visitors alike really enjoyed the peaceful location and opportunity to share a glass of wine and plate of food while browsing produce, fruit and baked goods stands. We seem to have become a regular meeting place on Thursday afternoons."

Club News

Mini-Grants and Dictionaries - Thanks Pollock Pines-Camino

The Rotary Club of Pollock Pines-Camino held their 6th annual "Evening in the Orchard" on September 19. It was held at member (and president-elect) Christa Campbell's Apple Hill TM location in Camino. Over 100 locals and Rotarians from Placerville and Camino attended to make the evening a success.

The evening featured the ambience of guitar music in the background, raffle baskets, a wine trunk of excellent local wines and a silent auction. Rainbow Orchards provided the tri-tip dinner and salads from Christa's fruit tree and gardens. Dessert was Rainbow's trademark apple crisp a la mode.

The event benefits the Third Grade Dictionary Program, which distributes 5 pound, full of colorful illustrations, McMillan Dictionaries to the school in Pollock Pines, Camino, one room schools in Silver Fork and Indian Diggings, and Pioneer School (formerly a one room school also) in Somerset.

Additionally, applications are solicited in August for mini-grants to serve the local children and community. The proceeds from this fundraiser serve the

A hopeful supporter with a handful of raffle tickets

Rotarian Jack Mallinson and his wife Elizabeth

mini-grant program. These mini-grants range from funding 8 iPADS for the schools. providing musical instruments, as needed, Boy Scout uniforms, recreational equipment for the Boys and Girls Club and a host of other projects for teachers. In the past 3 years "Evening in the Orchard" has returned

over \$20,000 to the community. Some of the mini-grants have qualified for matching grants form District 5190 (DSG's).

55th Annual Sierra Safari

The Rotary Clubs of Bishop and Bishop Sunrise proudly came together this past September 28-30th to host the 55th annual Sierra Safari. The event started as a way to bring Rotarians from Southern California to the beautiful Eastern Sierra for a weekend of fun and friendship. Now that we're in a new District, we're looking forward to bringing that level of fun to our new friends in District 5190, and to continuing what we *think* is one of the longest-running Rotary events on the West Coast (although we really don't know . . .)

Sierra Safari is unique in that it is all about friendships. The events include a Friday evening hosted cocktail party, excursions to local sights during the day on Saturday, a great catered dinner Saturday evening, and then concludes with an "al fresco" breakfast on Sunday

Friday night gathering at Lifeflight hangar

morning. There is plenty of time for kicking back and enjoying the beautiful fall weather that we always seem to be blessed with. This year we enjoyed a great turnout from our District 5190 leaders, including DG Woody and Kim; DGE Vicki and Tim; DGN Joe and Cheryl, and a slew of PDGs.

The dates for next year's Safari will be announced soon—look for it next fall and plan to join us for a fun, family friendly weekend for everyone!

DG Woody and DGN Joe enjoy morning festivities along with PDG D5260 Larry Jernigan and dedicated interactors

District News

The Rotary Foundation's Future Vision

Grant Management Seminar

For nearly 29 months now, our Rotary Foundation together with 100 Rotary Districts from around the world (who are part of a pilot program), have been working on a plan to begin updating and streamlining the way our Foundation will begin supporting clubs with regard to the grant process. This new grant model is what The Rotary Foundation refers to as *Future Vision*.

On July 1, 2013, District 5190 together with the other 531 Rotary District's will *flip the switch* and begin operating under this new and improved grants model.

Simply put, the goal of *Future Vision* is to increase efficiency in grant processing and insure quality of funded projects. Eligible activities reflect those that Rotary Clubs and Districts have most often implemented ... and project planning will become more of a bottom-up and host Club/District driven process.

Is your club qualified? All clubs who wish to participate in TRF/District funded grants after July 1st. must be qualified. The qualification process is really simple and requires the following three members of your club attend the new Grant Management Seminar: 2012-13 Club President, President Elect and Club Foundation Chair. This three hour session prepares your club to apply for the new style Global and District grants offered under the *Future Vision* grant model. Once all three have attended, your club becomes 'qualified' to submit online the new and improved TRF/District Grant applications. To date, 23 clubs in our District are now fully qualified. There are an additional 15 clubs who are very close and will become qualified once their single remaining leadership position attends the seminar.

The District has conducted four training sessions and the last three Grant Management Seminars are scheduled as follows:

- November 30th, Friday @ 1:30 4:30 at John Ascuaga's Nugget, Sparks, Nevada
- February 9th, Saturday @ 2:00 5:00 at TBD (immediately following PrePETS)
- April 19th, Friday @ 1:30 to 4:30 at the Atlantis Casino Resort & Spa, Reno, Nevada (the day before District Assembly)

Register today! Go to http://www.rotarydistrict5190.org

This seminar is open to any Rotarian interested in Rotary's new grant model. And remember, The Rotary Foundation changes lives ... throughout the world ... and in your club ... it will change you!

The Rotary Foundation Resources

The links below are a few of the resources available through Rotary International to help you understand more about The Rotary Foundation and the opportunities to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty.

- → Rotary Foundation Code of Policies, October 2012
- → 2010 Manual of Procedures
- → <u>District Rotary Foundation Committee Manual, June 2012</u>

- → Club Rotary Foundation Committee Manual, 2012
- → Future Vision Quick Reference Guide
- **→** The Guide to Matching Grants
- The Rotary Foundation of Rotary International 2011 Facts
- → Have you seen the new <u>EREY brochure</u>?
- → Check out The Foundation courses at <u>www.learn.rotary.org</u>. Register with Member Access before taking a course.
- **→** Facts About Vocational Training Teams

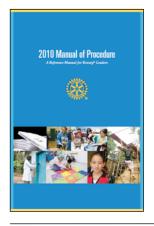

The Annual Fund provides ongoing support today, while the Permanent Fund helps secure Rotary's response to the pressing needs of tomorrow. To contribute to The Rotary Foundation or learn more about these funds, visit www.rotary.org/contribute or call 866-976-8279. Your generous support funds projects in Rotary's six areas of focus:

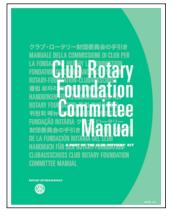

- Peace and conflict prevention/resolution
- Disease prevention and treatment
- Water and sanitation
- Maternal and child health
- Basic education and literacy
- Economic and community development

Five Tips to Increase Foundation Giving

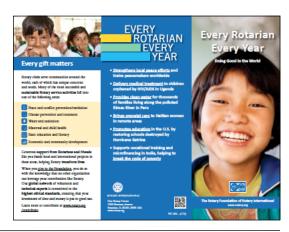

Over the past four years, the Rotary Club of Honolulu Sunset, has averaged \$803 in per capita giving. District Annual Giving Subcommittee Chair Richard Zegar offers his top tips for increasing your club's giving:

- 1. Select committed Rotarians to serve in fundraising positions for several years in a row. This consistency contributes to an "atmosphere of giving."
- 2. Meet one-on-one with members to discuss The Rotary Foundation's work. Then ask them to join you in supporting the Foundation.
- 3. Recognize new members by making donations to the Foundation in their names. Not only will you introduce them to <u>individual recognition</u> opportunities, but you'll also encourage their continued support.

- 4. Use <u>Foundation reports</u> to inform members of their current recognition levels and encourage them to reach the next level. Acknowledge club members who attain higher giving levels.
- 5. Explain how effective and efficient The Rotary Foundation is compared with other charities. For example, tell members that 100 percent of their donations fund programs.

Going The Extra Mile

With over 2,200 Rotarians in Rotary District 5190, there is tremendous opportunity for humanitarian service. RI President Sakuji Tanaka reminds us that Rotarians are "people who have embraced the idea of Service Above Self. Rotary service means doing your best - not for yourself, but for others. It means achieving as much as you can, to make other people's lives better."

Service to others is realized through active involvement and financial support for Rotary projects and programs. The following are just some of the District 5190 individuals who have donated or

have had \$1,000 or more contributed in their name to the Annual Programs Fund, PolioPlus, or the Humanitarian Grants Program and have been recognized this year as Paul Harris Fellows (PHF).

Rotary Club of Reno

- ➤ John Mattina was awarded his PHF+1 and is a long time Rotarian and retired educator.
- Paul Havas was presented his PHF+2 at the same time his wife Gordine was given a PHF in celebration of their 52nd wedding anniversary.
- ➤ John Bushee was recognized with a PHF+1. John has been a Rotarian for over 20 years in the Tahoe-Douglas and Reno Rotary Clubs.

- → Millard Reed received his PHF+3 and is a senior member of the Rotary Club of Reno. Millard recently won the International Blind Golfer Association Match for his age group.
- ➤ Bob Lewis was awarded is PHF+5. Bob is a Past President of the Rotary Club of Reno and is currently a Trustee on the Rotary Foundation.
- ➤ Dick Gammick earned his PHF+6. Dick has been a member of Rotary since 1995, Past President of the Rotary Club of Reno (2009-10), and remains very active in the Club.
- Carlee Ferrari was presented her first PHF during DG Woody Wilbanks' recent club visit. Carlee joined the Club in 2008 and serves on the Community Service Committee.
- ➤ Harvey Fennell received his PHF+3 from DG Woody at the Area 8 Foundation Dinner. Harvey is the club's President Elect Nominee and has been a member of the Club since 1988.
- Carl Fuetsch was awarded his PHF+7 at the Area 8 Foundation Dinner. Carl is the 2013-14 President Elect. Carl's father was President of the Rotary Club of Reno in 1950-1951.

Rotary Club of Fallon

- Melissa Burns was awarded her first PHF for her outstanding support to the Club.
- → Mike Richards is a Club Director, an 11 year member, and was awarded a PHF+1 for his dedicated support to the Club.
- → Mike Lister earned a PHF+1. Paul is a Past President and a dedicated 30 year member of the Club.
- ➤ Bob Kent PHF+1 is a dedicated 61 year member of the Club.
- ➤ Karla Kent PH+2 is the Club's President-elect, a Director for the 2011-2012 Rotary year, and a 25 year Rotarian.
- ➤ Steve Endacott was awarded a PH+3 at the Foundation Dinner. He is a Club Past President and an 18 year member of the Club.
- ➤ Stu Richardson donated over \$1000 this past year to earn a PHF+4. Stu is a Past President and a 28 year member of the Club.
- ➤ Pat Fisler PHF+6 is a Club Director, is extremely active in supporting Club activities, and as a Paul Harris Society

"The Rotary Foundation is not to build monuments of brick and stone. If we work upon marble, it will perish; if we work on brass, time will efface it; if we rear temples they will crumble into dust; but if we work upon immortal minds, If we imbue them with the full meaning of the spirit of Rotary as expressed in our Objects and with the just fear of God and love of our fellowmen, we are engraving on those tablets something that will brighten all eternity."

Arch C. Klumph — The Rotary Foundation, The Rotarian, April 1929

"Rotary International's masterpiece is The Rotary Foundation....It transforms our most daring dreams into the most splendid realities....Only God achieves the impossible, but The Rotary Foundation achieves the best that mankind can possibly achieve."

Paulo V.C. Costa — Address to 1996 Rotary Convention, Calgary, Alberta, Canada

Polio Score Board

Wild Poliovirus (WPV) cases - As of 31 Oct 2012.

Total cases	Year-to-date 2012	Year-to-date 2011	Total in 2011*			
Globally	177	502	650			

Case breakdown by country

Countries	Total as of 24 Oct 2012	Total as of 25 Sep 2011	Total in 2011	Most Recent Case			
Pakistan	47	136	198	02-Oct-12			
Nigeria	99	42	62	23-Sep-12			
Afghanistan	26	47	80	01-Oct-12			
Chad	5	116	132	14-Jun-12			

In all but three countries of the world, governments supported by the Global Polio Eradication Initiative have stopped transmission of this crippling virus. This year, fewer children (171) have been paralyzed by polio, in fewer parts of the world than ever before.

Since the launch of the Polio Global Emergency Action Plan 2012-13 in May 2010, India - long thought to be the hardest place from which to eradicate polio - has stopped polio transmission. Polio now survives among the most marginalized communities of just three countries: Afghanistan, Nigeria and Pakistan.

Polio eradication is at a pivotal point, and the three countries and the partners supporting them are all in emergency mode. A massive surge of human resources - over 4000 people - has been deployed to assist the countries, but local ownership is at the heart of these efforts.

Club Kudos

As you read through these ideas you will be reminded that Rotarians are creative, action oriented people. Borrow an idea, refashion it to fit your club, or use it to spark a new idea. Please submit your ideas to <u>ecavasso@gmail.com</u>, for inclusion in future District newsletters.

Pennies for Polio

The Fernley Club has painlessly raised hundreds of dollars for Polio Plus using these dandy collection containers in their President Elect Bob Barbaro of "Pennies for Polio" drive. Club members are encouraged to take one home and keep it on their dresser, to stick their spare change into at day's end. they Additionally, have containers out at Rotary events. Some members have also placed them in their businesses. Clever

President Brian made containers. "They are cheap and easy to make. The most expensive part was the Rotary

and construction tips.

Election Day Genius

the Penn Valley Club is a genius! He contacted the County Clerk's Office and arranged for his club to cover the local voting site during elections. Interested club members attend a quick training session, then sign up for a shift on election day. They report having great fun and sharing the load so no one has to work long hours. Additionally, this makes Rotary highly visible on these important days – GREAT for Public Image. The state pays the Rotarian workers and they turn their checks over to the club, producing over \$500 per election to support the Foundation.

Drive-By Fundraising

The Quincy Club has had much success raising Polio awareness in their community with this fundraiser: Eight

decal!" Contact Brian for details Rotarians passed out pamphlets Poker for Polio to folks in cars waiting in line for free "drive-by" flu vaccinations. At the vaccination point folks were given the opportunity to support Rotary's efforts and make polio vaccinations available to children around the world. In just 2.5 hours they

earned \$1080. This is Quincy's 6th year on this fundraiser, and they have had similar results each year!! They also assisted the County Health Department by directing traffic, which was much appreciated and created visibility for Rotary. Contact President Pete for more information.

The Rotary Club of Auburn organized a WAY FUN casino night which they billed as "Poker for Polio." With the help of proceeds from this fun fundraiser they have already met their polio goal for the year!! Contact "Poker-faced President Brian" for details.

TRF Direct

Check out the slick new "TRF Direct" program - an easy, painless way for Rotarians to become sustaining members of Foundation the Rotary (contribute \$100 per year) by having \$8.35 deducted automatically from their credit card each month. This is available through "member access" at the RI website (www.rotary.org). When you're signed in, just click "Make a Contribution" follow and from directions there. THANKS!!!

District Newsletter

The Rotary District 5190 Newsletter is a monthly publication sponsored by District Governor Sam "Woody" Wilbanks. Please note the newsletter is posted on the District website at www.rotarydistrict5190.org/ newsletters.asp. Follow the instructions to download a copy of the newsletter. It is necessary to have a "Portable Document Format" (PDF) reader to read it. Instructions for downloading the free "Acrobat Reader" are available on the website. If you cannot print a copy from the website, contact your Assistant Governor and ask for a hard copy.

Send Club bulletins, news and brilliant ideas to Editor Elizabeth Cavasso, 1201 Juniper Street, Alturas, CA 96101 or e-mail to ecavasso@gmail.com • Home: 530-233-3265 • Cell: 530-640-0002. Deadline: 20th of the previous month of publication.
