

2016 District Grant Final Report Report on Use of Grant Funds

Grant reporting is a key aspect of grant management and stewardship. Therefore in accordance with paragraph 7 of The Rotary Foundation's District Qualification Memorandum of Understanding paragraph 7, districts must report to their clubs on the use of all district-designated funds (DDF) to their member clubs by: Providing a report annually at a district meeting to which all clubs are invited or eligible to attend that includes a breakdown of expenditures for each project that received funding and the names of districts, clubs, and individuals who received grant funds Including financial information on such grants in the governor's final monthly communication. Districts must adhere to all TRF grant-reporting requirements.

The 2016 District Grant allocation from The Rotary Foundation of Rotary International was \$17,916.

This final report is being submitted to all clubs on 30 June 2016 at the District 7150 Annual Changing of the Guard and will published in the July 2016 district newsletter.

In support of these requirements the following report is submitted by:

Henry MacDonald, District Governor 2015-2016
Paul Scott, PDG, District Rotary Foundation Chair 2013-2016

District/Club	Activity type	Activity description	Distributed amount (USD)
Baldwinsville	Community development: general	Baldwinsville Rotary is excited to be a part of the revitalization and growth of Baldwinsville as a "River Community". We wanted to assist with a "Welcome Sign" on the new dock on the Northeast side of Lock 24- encouraging boaters to get off and come into the community.	672
Dewitt	Community development: general	Partnering w/ Marcellus Rotary to provide the Samaritan Center with two replacement freezers. These freezers are necessary to the commercial kitchen the Samaritan Center runs to serve hot meals 365 days a year to the homeless and other food insecure people of Central New York..	3616
Fulton/Fulton Sunrise	Community development: general	Fulton/ Fulton Sunrise RC's Lake Neatahwanta in Fulton has been silted to the detriment of the community. Fishing, swimming and recreation are not currently possible. The City of Fulton with Grants from NYSDEC have put together a program to dredge the lake. The community campaign "One Yard at a Time for \$12.89" is funding this dredging. Fulton Rotary, Fulton Sunrise and the District Grant will fund the dredging of 223 cubic yards.	1500
Moravia	Community development: general	The Project will purchase and install an electro-mechanical hoist at a therapeutic equestrian center. The developmentally disabled students currently enrolled are youth who are easily assisted on to the horse. The lift system will allow older, larger, and heavier students to benefit from this therapy as well.	2500
Skaneateles	Community development: general	Partnering w/ Skaneateles Sunrise Rotary, supporting Syracuse Honor Flight Mission #6. U.S Military Veterans, principally of WW II and the Korean War are transported to Washington, DC to visit memorials dedicated to honor their service to our nation. It's a day that recognizes their sacrifices and losses of conflict. The Veterans, Rotarians, Friends, family and community members are able to reflect on the magnitude of the veterans' contributions.	3000
7150	Education: scholarship	Providing scholarships to students attending post secondary education <ul style="list-style-type: none"> • Baldwinsville Central School - \$1,000 • Oswego Central School - \$1,500 • Vernon-Verona-Sherrill Central School - \$1,250 • Syracuse YMCA Student & Government Program, District Grant - \$1,350 • Mohawk Valley & Utica College Rotaract Intern Program, District Grant - \$1,350 	6450
7150	Grant management seminar	Grant management seminar	178
