To all Rotarians in District 7150,

We look forward to working together this Rotary year as we seek out new and unique ways to **connect** to our communities and to the world.

During first ten club visits Jan and I made during the week of July 8 to July 12, it was exciting to learn about the great variety of projects and participate in different meeting styles. Helping to induct several new members, recognizing Paul Harris Fellows, and enjoying your warm greetings and good fellowship reaffirmed our belief that we have vibrant Clubs ready to explore "what's next" and also ready to grow the impact of Rotary here in central New York State.

We will continue our schedule of club visits through July and into August. We will finish up our visits by mid-September and we look forward to good fun and fellowship with you all in the months ahead.

Always remember that "Rotary Connects The World!"

ROTARY'S MEMBERSHIP EXPERIENCE FEEDBACK

Why do people join Rotary? What makes them stay in their clubs, and what makes them leave? Rotary conducts the Membership Experience Feedback Survey every year to better understand the needs, interests, and engagement of Rotary's membership. The survey gives insights on each stage of membership — prospective, current, and resigned. [Click here](#) to read the summary of results and access more details!

A MEMBERSHIP SUCCESS STORY: HAMILTON ROTARY

The Hamilton Rotary Club has shown 13% growth in membership in the 2018–2019 Rotary year! Congratulations Hamilton! So how did they do it? What is their secret? Things like having membership a focus the whole year, every member knowing it is their responsibility to help grow the club, inviting speakers, inviting family members, having a fun filled club, and having a good public image in their community are all a part of their success. Walking into the Hamilton Club's meeting you will hear pleasant conversations in the background, you will be greeted at the door, and the president and others will personally welcome you. Throughout the entire meeting you feel the camaraderie and positive vibes. Great job, Hamilton!

President Joanne Borfitz let the club know right at the beginning of the Rotary year that membership would be a focus all year.

Membership Chair Stephanie Fadale reminds us that it is important to tell other people in the community and work place about the good things the club is doing. Spread the message!

Incoming President Matt Langel attributes some of the growth to the feeling of being part of a Rotary family in Hamilton.

New Member John Bailey had previously been a speaker at one of the Hamilton meetings.

New Member Beth Wood–Amir was invited by her father Robert Wood Jr.

UPDATED MEMBERSHIP PAGE

We have a brand new District Membership Chair, Janet Joslyn, with a slightly revised team of membership coaches, so be sure to check out the updated Membership page on the district web site. You will find all of their contact information, as well as a vast array of resources you can use to set your club up for success this year – that means getting new members AND keeping your current members!

CAN YOU NAME ALL THE TYPES OF ROTARY CLUBS?

Did you know there are at least seven different kinds of Rotary Clubs on the books? In order to grow and adapt to attract new members and/or retain existing members, these different types of clubs keep Rotary relevant all around the world. ROTARY RENEWS PARTNERSHIP WITH SHELTERBOX

Since 2012, Rotary has partnered with ShelterBox USA for disaster relief projects and recently announced that they will continue for at least another 3 years. ShelterBox provides kits that include emergency shelter and other survival essentials for families impacted by disasters around the world. 90% of all ShelterBox responses are assisted by Rotary and 1,000 Rotarians work for the organization. If your club is looking for a way to help in the aftermath of a hurricane, earthquake, flood or refugee displacement, a contribution to ShelterBox is a great start. [Click here for more!](#)

UTICA ROTARIANS CLEAN UP PROCTOR PARK

Volunteers from the Rotary Club of Utica wielded rakes, shovels and trowels to participate in the Central New York Conservancy's annual 'Clean Up the Park Day' at F. T. Proctor Park in Utica on Saturday, June 17.

The day's work included unearthing, cleaning and rehabilitating a long-neglected historic stone staircase plus grooming the areas of the lily pond, bath house, park pathways, streams and the parking lot. Special thanks also to Notre Dame High School's NJROTC cadets and the Utica DPW.

Pictured—Some members of The Rotary Club of Utica pose for a photo while working to rehabilitate the historic stone staircase at F.T. Proctor Park. From left: Deb Burke, Joe Caruso, David Bagley and Elizabeth Nassar.

IT'S TIME FOR BBQ IN AUBURN

Make plans to visit us on Owasco Lake in Auburn for this year's Rotary Ribs Rhythm & Blues Festival.

Presented by the Auburn Rotary Club and Duke Company, this is a Kansas City Barbeque Society (KCBS) sanctioned event and NY State

Championship. More than 30 pro barbeque teams from the Northeast and Canada will compete.

Besides great food and music, a Psychic Fair has been added this year. Plus Passion Pictures, a London production company, will be on hand to film parts of the festival in behalf of one of their clients. Proceeds from this year's event go to Nicks Ride 4 Friends, a local heroin, opioid and addiction help group.

Ticket and event information available at auburnrotarybbq.org.

SYRACUSE INNER CITY CLUB MOVES MEETING LOCATION

Syracuse Inner City Rotary will continue to meet at 7am on the first and fourth Wednesday of the month, but their location has changed to be at the office for OnPoint for College. The address is 488 W Onondaga St, Syracuse, NY 13202.

THE ROTARY CLUB OF SHERRILL HAS CHANGED ITS NAME

We will now be the Rotary Club of the Vernon-Verona-Sherrill Community!

While we loved being the Sherrill Club, we wanted our name to better reflect our membership, past present and future, and the community we serve. Our Interact Club, scholarships and projects involve members from all three towns and our combined school district. To be more welcoming to potential new members who may be interested in a service club, we wanted them to know the VVS Community Rotary is a club for them!

I'm sure we will be seeing many of you at a training or community event at our VVS school, packing Books for the World, cooking, doing a Grant project, or out in a town park with the community.

BALDWINSVILLE WORKING ON SATELLITE CLUB PROJECT

The B'ville Club recently voted in support of exploring the formation of a satellite club in Liverpool. Satellite clubs make it possible for a new club to form with just 8 charter members (instead of the twenty needed for a traditional club). The first step is finding those 8 potential members, an effort being undertaken by current District Membership Chair Janet Joslyn and her husband, PDG Marv. The club hopes this could inspire others in the district to consider forming satellite clubs too! They ask that the district send positive vibes for a successful recruitment effort. This satellite would really bring their club's story full circle as they were originally sponsored by the former Liverpool Club!

GREATER UTICA SUNRISE MOVES MEETING TIME TO 8AM

The Greater Utica Sunrise Rotary Club will be changing its meeting time from 7:00am to 8am, effective immediately. The club meets every Tuesday at the Hampton Inn in North Utica. By changing the meeting time to 8am it was felt it would be more accommodating for retail businesses, large and small companies, owners, managers and working individuals.

FULTON PRESENTS SCHOLARSHIP

At a recent Fulton Sunrise Rotary meeting, Hannah Edwards was presented with a scholarship to help further her education. Hannah spoke of her involvement in community services as a volunteer fire fighter and nursing home aide. She aspires to work as a pediatric nurse and will begin her studies at Cayuga Community College in the fall. Pictured from left, Mom Stacy Borrow, Rotarian Linda Rossiter, Hannah and Rotarian Doug Stevens.

CHANGING OF THE GUARDS AROUND THE DISTRICT

2018–2019 President Dan Farfaglia turns over the duties of the office to 2019–2020 President Abby Wiertzema

Little Falls Rotary's outgoing president Pat Talaba passes the gavel to new co-presidents Dale and Linda Wagner. [Click here](#) for a write up in the local news!

Outgoing DeWitt Rotary president Linda Ervin handed over the gavel to incoming president Keith Robisch for the 2019– 2020 tyear. Linda did a great job during her term in office, including overseeing a very successful 65th annual Pancake Day which included the major changes of a new date and location after 60+ years. The annual Pancake Day generates enough net proceeds to donate to many deserving organizations in the CNY area. “Hats off” to Linda and DeWitt Rotary looks forward to working with Keith and his administration in the coming year.
