HOUSE OF FRIENDSHIP REGISTRATION

The House of Friendship (HOF) is a space for clubs to share information about their key fundraiser, best project or top Rotary passion. It's also where Rotarians can go to relax, socialize and have a snack during conference. Again this year we are asking clubs to bring their "A" game to the HOF and impress us with your creativity in displaying what your club does best!

REQUIREMENTS TO PARTICIPATE:

Submit this form by April 19, 2019 - Walk-ins cannot be accommodated

Set up your dazzling display on Friday, May 3rd starting at 3pm

Take down your display on Sunday, May 5th by 10am

No easels allowed on the floor - tabletop only

Please indicate in the description below if you will require floor space or if you have any special requests

Contact Kuki at 8189ekhaines@gmail.com if you have a particularly dazzling display with special needs!

We will feature an "Inspiration Hour" in the House of Friendship starting at 1pm on Saturday. Please have a member there that is able to speak to your club's display and interact with other Rotarians as they get inspired by your success!
