

# POLIO TRIVIA

*In honor of World Polio Day, October 24, 2018*

**In what year did Rotary first commit to the eradication of polio?**

**In which three countries are we still battling new cases of polio?**

**A child needs to be vaccinated multiple times to be protected against the polio virus. True or false?**

**How many years must a country/territory be free from new cases of wild polio virus before it can be certified polio-free?**

**In 2017, how many children were immunized against polio (within 25 million)?**

Email your answers to DG Marv at [marvd7150@gmail.com](mailto:marvd7150@gmail.com) by November 1st. Anyone who gets all the answers correct will be entered to win a prize.
