TWO DISTRICT FUNDRAISERS FOR VETS

Go Green for Veterans

You may have noticed many homes in your neighborhood swapping out their normal porch light for a blue or green one. Blue is support of police and green is in support of our military. Show your support and help raise money for our district's efforts to serve veterans by getting your light bulb from us! They are two for $5 and all proceeds will serve local veterans.

Veterans Cemetery Markers

Make sure your loved ones who have passed are honored for their service with these replacement markers. The markers at $30 each and for $5 more can come with a flag denoting their branch of service. There are also markers available for fire fighters!

ORDER FORM FOR: _____

Club Name

Light Bulb | 2 for $5

Replace your front porch bulb with this green one and leave it on 24/7 to show your support for our military & veterans
