

District 7150 Rotarian of Excellence Award Club Designation Form

The purpose of the District 7150 Rotarian of Excellence Award is for each club president of a chartered Rotary Club within our district to acknowledge a member who has given devoted and valuable service in the current Rotary year. To recognize this service, Rotary Club presidents should designate their club's Rotarian of Excellence to the District Governor Nominee, who will recognize the member for furthering the principles and ideals of Rotary, identifying them as an emerging leader.

Award Criteria

Each District 7150 Rotary Club president should designate just one of their club members as the Rotarian of Excellence each year. Before selecting a recipient for this award, presidents should consult with other club leaders to obtain nominations for the recognition. In selecting a recipient, the club president should consider that the recipient be:

- An active Rotarian member of the club and member in good standing during your year as president
- An active project participant and supporter who has given service beyond merely monetary service for any and all of your club's efforts
- A Rotarian who will represent your club in a way that will enhance the image of your Rotary club in the community, district, zone and for Rotary International

Designation Procedure

- By March 15th, club presidents must submit their designation for Rotarian of Excellence on behalf of their club to the District Governor Nominee, Marv Joslyn, using the form below
- Prior to District Conference, the district will publicize the list of winners to all Rotarians in the district
- The District Governor Nominee will conduct a recognition ceremony for all Rotarians of Excellence at the awards presentation at District Conference, open to attendance by all district Rotarians

Rotary Club _____

Club President _____

Name of Recipient for Rotarian of Excellence Award

Please print neatly!
