District 5180
October 2015

Rotary
Dear Rotarians,

A short few weeks ago I was fortunate to attend the Rotary Young Professionals Summit whereas district leaders and young professionals gathered from all over the Rotary Zone. The purpose of the Summit was to bring together a group of people who will define the evolution of Rotary to help make it relevant in a new and different social and societal environment. The weekend was full of ideas with some forward thinking ideas for Rotary such as a “pay as you grow” club, “an application on your phone to send money instantly to Rotary”, “Rotary 40 under 40 clubs”, “digital means to connect with young professionals”, “flat dues club” and “conduct young professional break-out sessions at training events” were just a few of the ideas.

Also when asked, “Why Rotary? The top reasons were Friendships, Service, Community, Networking, Leadership, Family, International and Impact. Overall it was a wonderful weekend of collaboration, a deep understanding of people in Rotary and a platform to share fresh ideas among leaders and young professionals. I will continue to bring these fresh ideas and plans to our district for the future as Rotary continually evolves.

The month of October is “Economic and Community Development Month” in Rotary. This is a new Rotary theme and different from years past. In fact below is the new list of Rotary themes for each calendar month. From my visits to your club, I know we are truly connected within our community hence the new theme fits us so well. The time and treasures we give back to our community not only strengthens our relationships but also makes a difference to so many. Our international projects do impact economic development and sets us apart from any other global service organizations.

LIVE Rotary!

Yours in Rotary,

Glenn Fong
2015-2016 District 5180 Governor

FOUNDATION HAPPENINGS

Here is a summary of the new happenings in the Rotary Foundation this year:

FOUNDATION DINNER

As many of you already know, the Foundation Dinner this year is going Hollywood. As of August 31st all 45 tables for this event have been sold. I have been told by the committee there will be some seats that will come available on a first come first served basis so email Leigh Ann Reinero and get on the waiting list.

Like the Academy Awards, there will be an after party, also at the Doubletree Hotel. To accommodate those who would like to stay that night at the hotel, rooms at a special price have been provided for. I have heard that those rooms are selling out so if you are inclined call the hotel for a room.

We normally have a VIP party for those who are either a Major Donor, Bequest Society Member, or a Member of the Paul Harris Society. It is getting that we are having more at this party then our room can hold so we are changing our VIP Reception this year to include only those who are part of the “Triple Crown”. Those who will be invited are Rotarians and partners who are Major Donors, a Bequest Society Member, and a member of the Paul Harris Society. They will have time to meet both our MC Jean Irwin Hatfield, a former Ambassadorial Scholar and our Keynote Speaker, Steve Solomon, also a former Ambassadorial Scholar and a member of the RI Staff and have a question and answer with them.

Dress for the fun filled event will be “Hollywood Dress” so be appropriate.

ROTARY INTERNATIONAL AWARDS

The Rotary International Foundation is changing their awards program. EREY as we have become accustomed to the last few years is no longer at award and banners will not be given to clubs in the 2015-16 year for EREY. The following are the awards that will be given by the Rotary International Foundation:

- **100% Foundation Giving** – This award will be given to clubs that achieve an average of $100 per dues paying member with 100% participation. Contributions to the Annual Fund, Polio Plus, Global Grants, and the Endowment Fund will be included in the $100 per dues paying member and 100% participation.

- **100% EREY Sustaining Club** – Clubs that have every member personally contribute $100 to the Annual Giving Fund will receive this award at the end of the Rotary year.

- **100% Paul Harris Fellow Club** – A club will receive this designation if every member of their club is a Paul Harris Fellow.
MILLION $$$$ CHALLENGE

This was discussed last month so see what you will be judged on. Top three per capita will receive District Awards.

NEW MAJOR DONOR DINNER

Mark your calendars for May 14th. PDG Al Frumkin is out talking to all clubs regarding their members and there giving to become a Major Donor. On May 14th a special dinner will be held at the home of Al and Christi celebrating our District’s new major donors that have received that Designation during the current Rotary year. Incoming Rotary President John Germ will be in the District on that day and will be awarding the Major Donor Awards to all new members. Check out where you are and how much you need to get to the next level of this designation so you will not miss out on this special day and a chance to meet Rotary next President.

Dear District 5180 Rotarians,

Thank you for the many requests to help the individuals, families and fire fighters for both the Butte and Valley Fire. Below are places where you can directly help. It has been mentioned that cash donations are the best way to help.

- I have spoken with the Mayor in the city of Jackson, who happens to be a Rotarian as well, suggested for the Butte Fire victims is through their community website.
  
  http://amadorcommunityfoundation.org

The Valley Fire seems to be the most devastating, below is the Red Cross, two Rotary clubs and Salvation Army.

- The Red Cross is actively helping victims of the Butte Fire in Amador and Calaveras counties, and the Valley Fire in Lake and Napa counties. They are asking for just cash donations at this time. People can help by donating to Red Cross Disaster Relief by visiting redcross.org, calling 1-800-RED CROSS or texting the word REDCROSS to 90999 to make a $10 donation. Donations to Disaster Relief will be used to prepare for, respond to and help people recover from disasters big and small.

- Lakeport Rotary has established a fire relief fund for anyone wishing to donate. We have all opened our homes and continue to do what we can to help with those immediate needs. But the days, weeks and months ahead are when some big challenges will unfold. With any funds donated we will work closely with the other 3 lake County rotary clubs to determine how to best deploy those funds.
  
  You can mail your check to:
  
  Lakeport Rotary Valley Fire Relief Fund
  
  PO box 937
  
  Lakeport, CA 95453

- The Rotary Club of Calistoga has created a Relief Fund for the victims of the Valley Fire. What is most needed right now is monetary relief - Sunday saw an incredible flood of food, clothing and shelter supplies, and the Red Cross has actually asked us to temporarily halt that effort.

  If you want to help, here is what you can do: Send a Gift Card (WalMart, Target etc.) or a prepaid VISA or Mastercard to:

  Rotary Club of Calistoga
  
  Valley Fire Relief Fund
  
  P.O. Box 754
  
  Calistoga, CA 94515

  Note: please make out checks to the Calistoga Rotary Foundation – it makes them tax deductible. Be assured that we will deliver all funds received to the American Red Cross, for the exclusive use of Valley Fire relief efforts.

  Thank you,
  
  Jim Flamson, PDG
  Philippe Therene, President
  Rotary Club of Calistoga

The Salvation Army has deployed multiple canteens (mobile kitchens) to two major wildfire areas in Northern California: the Butte Fire in Calaveras County and the Valley Fire in Lake County and Napa County. Teams are on the scene to serve meals for first responders and evacuees in both disaster sites.

**Valley Fire**

Canteens from various Salvation Army locations (Auburn, Napa, San Rafael and Santa Rosa) are in the affected area:
- Kelseyville High School (5480 Main St, Kelseyville)
- Clearlake Senior Center (3245 Bowers Avenue, Clearlake)
- Clearlake Walmart (15960 Dam Rd, Clearlake)

So far, more than 1,800 meals have been served. Along the meal service, The Salvation Army will also provide emotional and spiritual care to residents seeking that assistance.

**Butte Fire**

- Yesterday, Salvation Army canteens from San Francisco and Modesto arrived to replace a team from Lodi which had been serving in various sites in the towns of Valley Springs and Burson.
- The Salvation Army is now focusing efforts at two shelter locations: Jenny Lind Veterans Memorial District (189 Pine Street, Valley Springs) and Good Samaritan Church (4684 Baldwin Street, Valley Springs). The Salvation Army team is also utilizing the kitchens at the shelters sites.
- The Salvation Army is also serving at the Red Cross command center.
- Starting Wednesday, The Salvation Army will add a feeding location at the Calaveras County Fairgrounds, providing an additional 300 meals per day. Since last Thursday, nearly 3,000 meals have been provided for this fire scene.

**Donation Information**

Monetary donations are only needed at this time. The Salvation Army uses 100% of disaster donations in support of local disaster relief operations.

To give, http://salar.my/northerncaliforniawildfires or call 1-800-SAL-ARMY (1-800-725-2769) and designate “Northern California Fires.” Donations by mail may be designated “Northern California Fires” and sent to:

The Salvation Army
PO Box 348000
Sacramento, CA 95834

In-kind donations are not currently being accepted outside the disaster area. However, these gifts are vitally important to your local Salvation Army. To give items locally, visit www.SATruck.com or call 1-800-SA-TRUCK.

Yours in Rotary,

Glenn Fong, Governor 2015-2016

On Thursday, September 10, the Rotary Cycling Team drove to Calistoga to participate in the 29th Annual Breathe California Bike Trek. The bike trek is a three day cycling event that raises funds to support clean air, healthy lungs, and a tobacco-free tomorrow. We camped at the Napa County Fairgrounds in Calistoga and cycled out from there Friday and Saturday on routes that ranged from 20 to 50 miles. There were short, medium, and long rides with a metric century on Saturday of 62 miles. The cycling team this year included Rotary Club of Folsom members John Messner, Ken Stuart, John Lindow, and Frank Woods plus Susan Lindow and Bob Roehrs.

The event abruptly ended on Saturday evening due to the Valley fire that started close to Cobb, CA in the early afternoon and spread along Highway 29 toward Middletown. Although, the fire spread very quickly, we were advised at dinner that we were not in eminent danger and that Breathe California staff would keep us updated as news came in. At 8 PM, when the dance was going on, we were all asked to go to the cantina for an important announcement. That announcement asked us all to pack up and leave, not because of the fire danger to us, but because the Fairgrounds are an evacuation center and 1,500 evacuees were expected within two hours of the announcement. When we left around 9:30 PM, there were already some evacuees there.

On Friday evening after dinner, Breathe California announced awards and thanked their sponsors. Each trekker had to raise a minimum of $475 and for trekkers that raised $1,000 or more; they make the “Winners Circle”. Four of our members are in the Winners Circle this year – Bob Roehrs, John Messner, Frank Woods, and John Lindow. Bob Roehrs is 87 years old and has ridden every trek since they started. Prior to the bike trek, he participated in earlier, similar fund-raisers for the organization. John and Susan Lindow have ridden in at least 20 treks. Frank Woods, John Messner, and Ken Stuart each have ridden in 15-16 treks. Here is Bob, ready to ride. Note his rider number is the same as his age.
Roehrs was the number one fund-raiser as of Friday. He had raised $5,898 needing only $102 to break $6,000. When he announced that he wanted to break that mark, several in the audience immediately gave him money and he did break the $6,000 mark. As of Friday, the Rotary Team was in second place for fund-raising total for small teams (less than 10 members) with a total of $10,868.

On Saturday, the rest stop on the middle route was Hanna Winery in Healdsburg. Unfortunately, we were there about 9 AM and the tasting room did not open until 10. It was a great photo op location. The theme of this year’s trek was Mardi Gras. Here is the team ready to party on Saturday night.

The trek is great fun and the money goes to a great cause funding clean air projects in the Greater Sacramento area. We would like to have more Rotarians join us next year. Friends of Rotarians are welcome to join us. If you are interested in riding with us, please contact Frank Woods at fcwoods@sbcglobal.net or (916) 337-0769.
DO YOU WANT TO LEAVE A LEGACY?

How would you feel about helping to make the world a better place beyond your lifetime? Do you think Rotary and the Rotary Foundation is effective in making a real difference in people’s lives? If you have been a Rotarian for a while, you have seen and experienced the way Rotary improves and enriches lives around the globe.

Here’s your chance to leave a legacy that will make a difference for years, perhaps decades, to come.

A gift from your estate (i.e. trust, will, insurance policy, IRA beneficiary change) can provide ongoing financial support for one or more of Rotary’s amazing projects in perpetuity.

If you commit as little as $10,000, you receive membership in the Bequest Society and $25,000 or more qualifies for a customized fund in your name. The details of your gift remain confidential. But any amount promised will make a difference.

You may visit www.Rotary.org/Bequest and submit the form online or tear off the form below, fill it out and mail to:

The Rotary Foundation, 1560 Sherman Avenue, Evanston, IL 60201-3698

The Rotary Club of Midtown-Sacramento is small, but mighty. Our membership almost doubled last year from 5 members to 9, and we are on the move in Midtown. Our club participates in an average of 1.5 service projects per month, some of which include park and street cleanups, the Rotary District Dictionary project, donation of backpacks and school supplies to local foster youth, and holiday giving to a variety of organizations. You may have seen one of our Midtown community mural service projects from last year if you drive by the Gifted Gardner at the corner of 17th and J Streets. Midtown Rotary partnered with the Midtown Business Association and local artist, Michael Kennedy to start a mural movement in the Midtown area as both an anti-graffiti effort and a way to showcase local artists in the Midtown community.

We are a sustaining club with the Oak Park Rotary House, serving on the board of directors, and on a variety of Rotary House committees. Additionally, we have recently sponsored a new Interact Club at The Met High School in Downtown Sacramento, and are working to potentially co-sponsor a Rotary Youth Exchange student from McClatchy High School for the next RYE year.

Our members work hard to put together two annual fundraisers, both of which also serve as amazingly fun fellowship events. In February or March, after the duck hunting season has ended, Past Rotary President Bob Daby donates several ducks he has hunted to our annual Duck Feed which takes place at Simon’s Restaurant. His ducks are then prepared by Simons’ chef in a variety of ways for a wonderfully delicious sit-down dinner.

Midtown Rotary’s other annual fundraiser is our Rotary Bus Wine Tour. Each year, we select an area to visit and plan an all-day tour of several wineries for wine tasting, wine education, and fun. The bus picks attendees up and drops them off in Midtown-Sacramento and has plenty of storage for cases if you choose to stock up for your next dinner party. We play a variety of games on the bus throughout the day, including bus wheel roulette and pub quiz style trivia.

Wall Cleaning for prep of Mural: Greg VanAcker, Bear Williams, Shery Monahan, Martha Nelson, Bob Daby.
We have a great weekly program which includes speakers such as past Assemblyman Roger Dickinson; CASA Youth Coordinator, Crystal Burns; past Rotary Youth Exchange and Rotary Youth Leadership Award camp students; Glynn Phillips, owner of Rubicon Brewing Company; and Sid Garcia-Heberger, former manager of the Historic Crest Theatre to name a few. We meet Wednesdays 5:30-6:30pm at Café Bernardo, Midtown and welcome whole-heartedly visiting Rotarians and guests.

Dictionary Delivery: Bear Williams, Phil Konz, Bob Daby, Martha Nelson.

Midtown Street Cleanup: Ellie VanAcker, Greg VanAcker, Bob Daby, Gerald Moore, Scott Moore, Martha Nelson, & kids/grandkids (not sure names!)

Duck Feed: Ellie VanAcker and Gerald Filice (with duck lettuce wrap appetizers and wine).

HAVE YOU EVER WONDERED?

AS A FIXED FEATURE ARTICLE, WE ENCOURAGE YOUR PARTICIPATION.

PLEASE CONTACT THE EDITOR @ TRISH@ALEAPAHEADIT.COM WITH YOUR QUESTIONS AND ROTARY DOCTRINE RELATED ARTICLES.
The myriad hues and changing palettes of the fall landscape remind us how necessary each individual color is to the overall glorious view. The same holds true for a lifesaving blood supply that relies on individual contributions from Rotarians like you who give in different ways to help patients with unique needs. All donation types are needed, including whole blood donation. Red blood cells or RBCs, collected primarily from whole blood donations, are the most frequently transfused blood component - nearly 14 million units in the most recent national survey of annual blood usage! RBCs are needed whenever there is blood loss due to traumatic injuries from accidents, post-childbirth complications, heart surgeries and more.

Depending on your blood type, eligibility considerations and patient needs today, you may be asked to donate whole blood or blood components, like platelets or plasma. Donors with Blood Type O negative – the universal donor – are often called to donate RBCs for newborn babies and patients in emergency situations whose blood type has not been determined. With only 38 percent of the population able to give blood and less than 10 percent donating, your contribution is important. Make a difference – a Rotary difference!

Support your Rotary Donor Club and schedule your donation to give what’s needed today. Please call 866.822.5663 or visit bloodsource.org to learn more about your ability to donate blood.

ALL ABOUT RED CELLS

- Red blood cells can be transfused up to 42 days after donation.
- Patients with massive blood loss for any reason need red blood cells.
- Premature or fragile babies like Christian often receive Blood Type O- red blood cells.
- Every 56 days! Whole blood donors can donate every eight weeks. It takes about an hour.
- Donors’ bodies replace the fluid lost from a whole blood donation within 24 hours. It may take up to two weeks to replace red cells.
- Hemoglobin is a red protein containing iron that gives blood its color and also carries oxygen throughout the body.

Christian at birth

Christian today

“THANK YOU TO THOSE WHO PAY IT FORWARD TODAY BY DONATING BLOOD FOR PATIENTS LIKE MY SON. I LOOK AT CHRISTIAN TODAY…AND HE’S AMAZING!”

– CHRISTINA RIOS-ASHLEY, MOTHER

Christian Nathaniel came into the world far earlier than expected, born at 23 weeks, barely registering on the scale at one pound, 4.7 ounces! Due to anemia, he received red blood cells every day for the first month of his life. His need did not stop there. Due to complications, Christian required daily platelet transfusions for another three weeks. Now a thriving toddler, Christian's parents, Christina and Daniel, thank blood donors whenever they can.

Yes, you save lives.
I watch CBS Sunday Morning. It is one of my many guilty pleasures. About a month ago, I watched a vignette about a group of Navajo’s in New Mexico, living on a reservation, that have never had running water. The situation is so bad now, the woman who drives the school bus delivers water in her off time by way of a water truck. Needless to say, this is not a great idea.

I contacted the group www.digdeep.org about this situation. I introduced myself as a Rotarian in the message I left. I was contacted by this group a few days later and, much to my amazement, learned about 12 other Rotarians had contacted them, also. I am actively participating in discussions with DigDeep and attempting to contact the other Rotarians to see if we can do something.

The whole point of this is I am proud to be a Rotarian. No matter how much we hear, don’t hear, we have an amazing organization. Rotary touches the world in many ways every day. This not only happens locally, but globally. Visiting the Uyoba School in Zambia and seeing what Rotary dollars have given the community in Mfuwe was amazing. Seeing the children respond to us the way they did was remarkable.

Wear your Rotary pin with pleasure, gratitude, and pride.
