PURPOSE OF DIRECTORY
The purpose of this directory is to provide District and Club Officers, District Committee Chairs, and other District Leaders with information helpful to the orderly and effective conduct of Club and District activities. This directory is printed solely for the use of Rotarians. Its use as a commercial mailing list and its distribution in whole or part to non-Rotarians is prohibited.

(Rotary International Manual of Procedure)
John F. Germ is board chair and chief executive officer of Campbell and Associates Inc., consulting engineers. He joined the firm as an engineer in 1965 after four years in the U.S. Air Force. He serves on the boards of several organizations, including the board and executive committee of the Public Education Foundation, Orange Grove Center Inc., and as board chair of Blood Assurance Inc. He also is founder and treasurer of the Chattanooga State Technical Community College Foundation and president of the Tennessee Jaycee Foundation.

He was Tennessee Young Man of the Year in 1970; Engineer of the Year, 1986; Volunteer Fundraiser of the Year, 1992; and Tennessee Community Organizations Volunteer of the Year, 2009. He is a recipient of the Boy Scouts Silver Beaver Award and the Arthritis Foundation Circle of Hope Award. In 2013, the White House recognized him as a Champion of Change.

Germ joined Rotary in 1976 and has served Rotary as vice president, director, Foundation trustee and vice chair, aide to the Foundation trustee chair, chair of Rotary’s US$200 Million Challenge, RI Board Executive Committee member, RI president’s aide, Council on Legislation representative and chair, membership zone coordinator, chair of numerous committees, area coordinator, RI training leader, and district governor.

Germ has received RI’s Service Above Self Award and The Rotary Foundation’s Citation for Meritorious Service and Distinguished Service Award. He and his wife, Judy, are Benefactors and members of the Arch Klumph Society of The Rotary Foundation. They have four children and six grandchildren.
A native Californian, Barbara grew up in the Bay Area and ended up in Sacramento after earning her undergraduate degree in mathematics at UCD. As a high school math teacher, she spent so much time outside class talking to her students about life that she returned to CSUS and earned an MS in counseling. Later, she earned a doctorate in Educational Administration from UOP. After 22+ years in the classroom, she moved into administration, serving as a high school vice principal, a district project director, and the principal of three schools. Barbara still keeps her hand in education by providing a free math tutoring program and helping teacher interns develop their skills.

Barbara has been very active in Rotary both at the club and district levels. Barbara served as club president in 2007-08. At the district level, she served as 5180’s RYLA chair (2008-14), the District Assembly Chair in 2013, an assistant governor (2011-15), and the 2015 District 5180 Conference chair. She is a multiple Paul Harris Fellow, a member of the Paul Harris Society and the Bequest Society, and a major donor.

Barbara and her Rotarian husband Jim have three children and two grandchildren between them. They enjoy doing Rotary service together and had the joy of participating in a wheelchair delivery in Peru in 2009, a Polio National Immunization Day in India in 2014, and the delivery of water filters in Brazil during the 2015 International Convention. Barbara thinks she was born a Rotarian since service has been part of her life for as long as she can remember. Rotary, because of the opportunity to serve with great people, has made it even more enjoyable.
Originally from Alaska, Sandi lived near Denali National Park as a child. She graduated from U.C. Berkeley with a degree in Political Science and later obtained her J.D. from McGeorge School of Law. She currently lives and practices law in Sacramento.

Sandi joined the Rotary Club of Sacramento Breakfast in 1996 and served as President in 2005-2006. In addition to Club Secretary, Foundation Chair, International Chair and Club Information Officer, Sandi has chaired her Club’s annual Poinsettia Fundraiser for the past 16 years. She is a Paul Harris Fellow +6 and member of the Paul Harris Society.

Within District 5180, Sandi has served as Assistant Governor, chaired the District Conference in 2014, chaired one District Assembly and co-chaired another, and was the alternate GSE Team Leader to Austria. She also has been a team-member on two Rotaplast International missions -- one to India and one to Colombia.

Although Sandi has a passion for shoes, her true passion is traveling. She was an exchange student to Germany and has traveled extensively in Europe several times. After law school, she bought an around-the-world plane pass and circled the globe for seven months. She and Barry Kalar enjoy cruising and have sailed through the Panama Canal and around Cape Horn. When Sandi is not practicing law or serving Rotary, she teaches water aerobics and indoor cycling.
Jack Arney has been an active member of the Rotary Club of Roseville since 2007. He served as president in 2012-13 and has served the district as EREY Chair, Annual Giving Chair, Assistant Governor, Chair of the 2015 Foundation Dinner, and Chair of the 2017 District Conference.

Jack was born in San Francisco, grew up in the Bay Area, and spent his high school days in Beaverton, Oregon. He returned to California to attend Santa Clara University where he earned his bachelor’s degree in mechanical engineering.

He is married to Maureen, who sees Rotary through the eyes of her mother who contracted polio in her late teens. It altered her mother’s life, but not her spirit. Jack and Maureen have two teenage children, Isabel and Reagan. Isabela is a senior at Del Oro High School and plays volleyball, swims, and participates in the Interact Club. Reagan is a freshman, who occasionally can be seen at club meetings with his father. He also plays football and rugby and wrestles.

When not working on Rotary projects, Jack works in his own business, coaches football, manages a cycling team, and races bikes.
