The Rotary Foundation, The Achievements,

And You!

What Critics are saying:

- *"Lively, fun and very entertaining"*
- *"The atmosphere? Pure Hollywood meets Las Vegas, circa 1960. Swingin', flowin' with booze, broads and pallies, a gasser of a time and a sound that will knock you right outta your Mary Janes"*
- *"Best show I've seen in years"*
- *"This is the event everyone will be talking about"*
