ROTARY

COME DRESSED TO PLAY

What a Magnificent Playground!
Dear Rotarians,

We look ahead this month to the 2016 District Conference in Berkeley, CA on May 19-22nd. It is a first time venue at the Double Tree Hotel by Hilton, right on the Berkeley marina. Our stellar Committee has been planning for over two years and has a fun filled weekend lined up for you! With a family friendly venue and theme “Sports,” my family and I invite you to come dressed to play!

For early birds, we start Thursday afternoon with excursions to 4th Street for shopping and dinner with the Committee. Friday morning brings more excursions to Alcatraz and golfing at Tilden Golf Course. Event goers can hop on the Amtrak train leaving Sacramento and arrive at the Berkeley train station nearby. Friday lunch is in SF Chinatown and our opening session commences that afternoon. Friday night features a dinner cruise on the Hornblower Empress sailing out to the SF Bay with a view of the city lights and skyline at night. Saturday morning is our keynote speaker Michael McQueen from Australia, our district speech contest finals, Rotary trivia and House of Friendship. Lunch features our speaker Rose Adams from Canada and her program BREATHE. Saturday afternoon excursion galore with Caesar Chavez park, local pub crawl and Disney museum excursions. Our fun continues Saturday night with parade of presidents, local hypnotist Alan Sands and hospitality suites! Sunday we celebrate our clubs and Rotarians with district awards. Not too late to join the fun! Register now on our district website.

May is Youth Service Month. If there is one thing certain Rotarians and our Rotary clubs do, it is helping our youth. Whether it is RYLA, Rotaract, Interact, RYE or any number of our club youth programs, we make a difference in a young person’s life and for their future. I have been fortunate to have met so many wonderful people who have benefitted from all our Rotary youth programs. The future of Rotary is in good hands!

ROTARIO DE LOS BARRILES, CABO ESTE, BCS

GIVES SPECIAL THANKS TO TWO DISTRICT 5180 CLUBS

Over two thousand small pueblos of under a hundred residents populate the hills of Baja California Sur. Most of these small towns don’t have the numbers to support schools, so their children are forced to commute to larger pueblos to attend class. Some live so distant the commute can be up to four hours each way. Children who live too far to commute regularly stay weekdays in albergues, or dormitories, during days they attend class, and return to their families on weekends and holidays. Often there are little funds to maintain the facilities, and the children and their caretakers are forced to make do in less than preferable conditions.

In March five Rotary Clubs from California worked alongside our Los Barriles club and families of the children who benefit from the renovation of their albergues. Truckee Noon and Sunrise Clubs, Nevada City Club, Point West - Sacramento Club, and Fair Oaks Club members pitched in materials and labor to paint and repair children’s facilities in the pueblos of La Ribera and San Antonio. Members who represented Rotary District 5180 are Karen Romines, and Jim and Diana Cralle from Fair Oaks, and Andy Fiske with his son Calvin, Mike Bruce with his son Ryan, and Eric Snyder with his son Matthew from Point West.

Rebuilding albergues is not the only need on the Baja Peninsula. The need to improve water quality in BCS has been clear for many years. Many of those most in need are within our Rotary service area, and we are now addressing the problem by working with Waves4Water of San Diego to distribute simple gravity-feed filtration systems capable of removing most contaminations found here. With the help of the visiting members, we have now distributed 300 systems to individual ranchos along the remote eastern slopes of the Sierra Laguna range. These Rotarians crossed borders both physically and metaphorically, and made an impact greater than any of us might have anticipated.

Muchas gracias to the members of Fair Oaks and Point West, and all the rest who arrived as strangers, but are now missed as friends. Please come back when you can stay awhile. You will always be welcome.
Did you know, there is a huge Young Professional movement in Rotary happening right now. Our district was a recipient of a RI Grant to host our very first Young Professional Summit. It was a full day of brainstorming, collaborating and working with District Leadership and Young Professionals on breaking down the most common stereotypes and barriers of Young Professionals and Rotary. Young Professionals left the summit feeling their voices are heard and they matter. District Leaders left the summit with excitement and goals for future events and support. The chair of the Young Professional Summit is Samantha Hoshida, member of the Rotary Club of Point West – Sacramento. She joined Rotary at the age of 28 and sees the need and value of engaging and forming a Young Professional network in our district. Samantha was the recipient of the Rookie of the Year District Award in 2014 and was selected to attend the very first West Coast Young Professional Summit in August of 2015.

ROTARIANS CELEBRATE NEW BEGINNINGS!
BLOOD DONORS ARE PART OF CREATING THE FUTURE.

“I thought her life was ending... but then I realized with each blood transfusion came a new beginning.”

Kristina’s daughter, Cameron, is healthy and growing. A new beginning.

Throughout the year, Rotary District 5180 clubs and members have been part of new beginnings by donating blood or working in other ways to support the need for a safe and plentiful blood supply. Patients battling a host of illnesses need blood components to survive.

Kristina Knobloch’s daughter Cameron endured 15 rounds of chemotherapy during treatment for a rare disease. Kristina thanks blood donors for helping her toddler get back on track for a healthy future.

Be part of new beginnings! Donate blood today and remember to give your Rotary Club’s name. The results of the Rotary District 5180 Blood Drive Challenge will be announced at the District Conference.

Together, we do save lives.

DO YOU WANT TO LEAVE A LEGACY?

How would you feel about helping to make the world a better place beyond your lifetime? Do you think Rotary and the Rotary Foundation is effective in making a real difference in people’s lives? If you have been a Rotarian for a while, you have seen and experienced the way Rotary improves and enriches lives around the globe.

If you commit as little as $10,000, you receive membership in the Bequest Society and $25,000 or more qualifies for a customized fund in your name. The details of your gift remain confidential. But any amount promised will make a difference.
