

Join us in our International Project

"Water for Life "

Rotary Club of Point West - Sacramento

- Project: "Water for Life" wells in Zambia
- Location: Luangwa Valley - Eastern Zambia
- Purpose: To provide clean water by drilling 10 wells in remote areas of eastern Zambia, serving 10,000 people (approx. 1,000 per well)
- Partners: Rotary Clubs of District 5180
- Total Funding Needed: \$50,000 (\$5,000 per well)
- Immediate need for wells due to the severe drought
- Several villages have been designated for the first wells. The drilling company has already been selected by the Rotary Club of Mfuwe
