As we roll into August, the first month of the new term is behind us. The enthusiasm and hope for an exciting year remains high.

The Human Trafficking district project has kicked off the year with media events, billboards and great support from partners and members of our district. We are committed to reducing the number of victims through both education and community awareness of the problem.

We are working closely with our community partners, Bloodsource and Save Mart. They are supporting our district and investing in our district conference. We support them as well, and together, we are exploring ways to make an impact on improving our community.

Our Club Presidents are working hard to “Be The Inspiration” to their members. They have planned amazing projects and fundraisers for the year. I ask that we all support them in making this a wildly successful year for their clubs and our district.

Let’s commit to building vibrant clubs where our club’s culture is supportive, enthusiastic and energetic. If we leverage our talents, ideas and passions, we will “Be The Inspiration” that RI is asking us to be. As individuals we can dream of change, but as a team we can make change happen.

August is Membership and New Club Development Month for Rotary International. Our goal is to increase our numbers this year by adding individuals who are committed to the ideals that make Rotary an organization like no other in the world.

Eyes are on us! We have an opportunity to make this another banner year for District 5180. Each month we will see more accomplishments due to the hard work and dedication of all of you. I am proud to be your District Governor this year, and I appreciate the support you are giving me.

Have a great and successful August everyone. You are my inspiration.

DG, Jack Arney
Don’t let the dog days of Summer drift by. Be purposeful in your efforts to attract new members into our Rotary family. The key is to develop your own plan and have fun driving membership and retention programs with your club. The RI and District sites are full of resources to help you.

I truly believe that membership is Priority One in a club. Past RI President John Germ eloquently puts it like this, “We need more helping hands, caring hearts and bright minds to move our work further.” That’s it...Don’t overthink it.

I recently had the honor of joining DG Jack Arney at the Rotary Club of North Sacramento. We had a great discussion on how our brand drives membership which in turn drives the Foundation. That’s the three legged stool... Brand/Membership/Foundation. As I wrapped up the discussion, Past President Abe Aboali asked me if there was one thing that he could focus on to help drive membership, what would it be?

My response is and will always be that we all know great Rotarians. They just aren’t Rotarians YET. These are people we see daily. They have a Four Way Test Heart. It might not be today, tomorrow or next year, but they will be Rotarians one day as long as you do your part. Be the Inspiration that helps this organization grow and change the world.

Please go to rotary5180.org and rotary.org (My Rotary) for some helpful membership development ideas.

Also, there is a great membership article in this month’s Rotarian magazine called “Step Right Up” on page 26.

President Jack said he wanted clubs to think of something different to do when he does his club visits. Citrus Heights Rotary took him at his word and organized a “Dunk The Dignitary” event in his honor.

The dignitaries were: CH police Chief, Christopher Boyd; CH City Manager, Ron Lawrence; CH Rotary President, Rich Hale; and of course, DG Jack.

The crowd anxiously waited for their chance to take a shot.
DG Jack (in his suit and tie) and President Rich (in a suit too—just shorter), were good sports as they were dunked several times. Who knew so many people had good aim! The weather was HOT, which would have been good, except Rotarians dumped buckets of ice in the water. The participants paid $10 for 3 chances to hit the target. The line that the hurlers were supposed to stand behind kept getting closer to the target as the day went on. When it was over, the Citrus Heights club raised $800 for the district’s Human Trafficking campaign, and DG Jack had a club visit he will never forget.
“Rotary was in the house.” declared Sacramento District Attorney Anne Marie Schubert at the July 17th press conference that launched our public awareness campaign to stop human trafficking in our area. We were well represented at the event that had an amazing turnout of approximately 150 people.

Many media outlets were there including TV and Radio coverage both locally and as far away as Monterrey, Fresno and Bakersfield. Rotary received more recognition when campaign chair, Brian Gladden, was interviewed on Access Sacramento’s “Live Wire” show.

FEED MY STARVING CHILDREN
A Club Collaboration Project
Coordinated by Randy Green (South Placer Rotary)

A wonderful club collaboration project started last year to support “FEED MY STARVING CHILDREN.” Ten Rotary Clubs from Placer County (6 from 5180 and 4 from 5190) donated money needed for us to have our own Rotary packing time slot through FMSC. With that, we had channel 13/31 doing a live broadcast of us that was great exposure for Rotary and in particular for our clubs.

FEED MY STARVING CHILDREN was founded in 1987. It is a non-profit group that provides nutritionally complete meals specifically formulated for malnourished children. Ways to support this fine cause are:

1. Donations
2. Volunteering to hand-pack meals

The meals are donated to FMSC food partners around the world, where kids are fed and lives saved.

https://www.youtube.com/watch?v=bCpgpu7djO0

This year Randy wants to expand Rotary’s support. The goal is to have all 5180 clubs allocate funds to help raise money for FMSC and to provide volunteers needed to pack 100,000 meals. We will need 400 people to help pack meals on October 20th from 8:00 am to 10:00 am at William Jessup University in Rocklin. The monetary goal is $40,000.

We are partnering with Randy Peters Catering for a special event on Saturday, August 18th (see flyer on next page). To make this event a success, it is the hope that each club will do the following:

* Identify one $500 sponsor for the event
* Sell or purchase ten tickets
* Contribute an auction item worth $400

Yes, You Do Save Lives

Giving blood is one of the most generous acts of kindness that one human being can do for another. Blood Source has been collecting blood donations and providing lifesaving blood products to our communities and beyond, since its inception in 1948. Hundreds of our District 5180 Rotarians have proudly given the precious gift of blood that has helped Blood Source become the sole provider of nearly every drop of blood used in over 40 hospitals in our region. We will have our annual Blood Drive Challenge again this year. Last year’s champions were: South Sacramento (small club category), Lincoln (medium club) and Point West (large club). Let the challenge begin!
The Arden Arcade Club is off to a good start this year. Be sure to check out their new website. It’s awesome!
