LIVE ROTARY
COME DRESSED TO PLAY
I Love The Smell of Fresh Cut Grass

District 5180
March 2016
Dear Rotarians,

Our success continues in what will be the busiest month of the year in April. Lots of club fundraising events, training, speech contests and chartering a new club fills out the month!

First out of the gate is our District Leadership Assembly coming on Saturday, April 2. As we begin transitioning for another Rotary year, the Assembly is packed with new topics and ideas to keep your club running strong! There is no cost for D5180 Rotarians to attend, providing they’ve registered. A few days later on April 6, is Charter Night for the Rotary Club of Twin Rivers Sacramento. Come join the festivities as we welcome another new club into our district. Meet the members and our keynote speaker is PRID Steve Snyder. A week later on April 16, is our first very own Young Professionals Summit. Open to D5180 Rotarians between the ages of 18-45 plus a club board member. Enjoy a meet and greet the night before and next day enjoy friendships and workshops to help define Rotary for the future and in our clubs. The very next day is the Rotary Youth Exchange International Cookout. Bring a dish from your heritage or come out and taste the dishes made by our students and guests. It will be delicious! A week later on April 23, we have the 3 in 1 District Summit featuring Membership, Foundation and Public Image. Then we end the month of April with Rotarians-At-Work Day on April 30th. That special day is where all Rotarians work together in helping their local community with a project. Clubs can register and feature their project on Rotary Showcase for the entire world to see. All of these events and flyers are on our district website at Rotary5180.org. Busy, busy, busy!

April is Maternal and Child Health Month. This is one of The Rotary Foundation’s Six Areas of Focus. Many of our own clubs help mothers and babies in our own communities but also around the world with their international projects. Most of us by simply giving to The Rotary Foundation, your contribution dollars will help children’s health around the world. Whether it be housing, clean water, education or disease prevention, you will be saving lives.

Rotarians, keep up the great work you do!

Yours in Rotary,

Glenn Fong

WOODCREEK HIGH SCHOOL INTERACT
NATURE ACT PROJECT

In 2015 the Rotary Clubs of Roseville, and Roseville-Sunrise jointly chartered the Woodcreek High School Interact Club. After a challenging 2015, the Club under the direction of new Interact Advisor Natasha Schaefer and with the support of Kendra Grinsell’s and Kelly Mayo’s Nature Center, they developed the Nature Act Project. It brought together Rotarians from the both Roseville Rotary Clubs and the North Highlands and Passport Clubs to support a student lead “clean-up” of the City owned wetlands.

The 75-acre wetlands adjacent to Woodcreek High School was originally preserved by the City of Roseville, and dedicated to the “interactive education” of community youth. Under the direction of Ms. Grinsell and Mr. Mayo, thousands of elementary students have and will continue to experience the Nature Center’s student-docent guided tours of the wetlands.

On February 6, 2016 dozens of Students and Rotarians gathered to:

- Paint and restore some two dozen Interactive Information Sign-posts,
- Prune trees and shrubs and
- Expose and repair damaged or missing irrigation,
- Create debris mounds to encourage the return of birds and small mammals,
- Paint the maintenance storage shed, and
- Paint the benches forming two amphitheater clusters where Nature Center student docents present information to elementary students.

Originally planned as a half-day event, thanks to the turnout of more than 60 Rotarians and students, the planned half-day effort was completed in less than 2-1/2 hours.

The Interact Club is now working on a Phase 2 workday to complete other tasks in the wetlands preserve.

Questions to Sandi Sava at sava@mjplawfirm.com  
(916) 920-5983
DO YOU WANT TO LEAVE A LEGACY?

How would you feel about helping to make the world a better place beyond your lifetime? Do you think Rotary and the Rotary Foundation is effective in making a real difference in people’s lives? If you have been a Rotarian for a while, you have seen and experienced the way Rotary improves and enriches lives around the globe.

Here’s your chance to leave a legacy that will make a difference for years, perhaps decades, to come.

A gift from your estate (i.e. trust, will, insurance policy, IRA beneficiary change) can provide ongoing financial support for one or more of Rotary’s amazing projects in perpetuity.

If you commit as little as $10,000, you receive membership in the Bequest Society and $25,000 or more qualifies for a customized fund in your name. The details of your gift remain confidential. But any amount promised will make a difference.

You may visit [www.Rotary.org/Bequest](http://www.Rotary.org/Bequest) and submit the form online or tear off the form below, fill it out and mail to:

*The Rotary Foundation, 1560 Sherman Avenue, Evanston, IL 60201-3698*

Yes, I would like to make a commitment to the Rotary Foundation.
