Subject: Global Grant - Metropolitan Center for Functional Recovery

To: "bobdeering5180@gmail.com" <bobdeering5180@gmail.com>

Dear Fellow Rotarian
Robert Deering
District 5180, United States

Greeting from District 4420 – São Paulo – Brazil

Today the Rotary Club de Santos-Porto, is doing Global Grant Project in the focus area “Disease Prevention and Treatment”.

The Project called “**Metropolitan Center for Functional Recovery**” offers access to Physiotherapeutic treatment for the Santos Metropolitan Region Population for patients with:
Hemophilia
Cardiopulmonary diseases
Chronic degenerative diseases
Chronic spinal column problems

The project helps in relieving physical consequences developed from such diseases. The MCFR intends to promote the healthy educational campaigns while training health care professionals and students enrolled in the physiotherapy courses through internships. The MCFR will also help improve the Santa Cecilia University Clinic infrastructure by adding the most modern health equipment to assist the poor population.

It will be boost to our effort if your District can participate in our Global Grant project by providing DDF (up to USD 24,000) or direct funding from your clubs, or a mix of both.

The amount of the Project is USD 99,714.59.

See the link to the project with detailed information:

https://1drv.ms/b/s!AmtAocPpcAnRgfRgXeoWzPcspMPR_A

It would be great if you could, relay to potential partners.

Please feel free to ask any question concerning this GG Project.

With sincere regards

Ronaldo Varella
