

## 2020-21 Rotary Citation

Your Rotary, Rotaract, or Interact club can earn a Rotary Citation for achieving goals that strengthen Rotary and your club. Goals include increasing club membership, developing sustainable service projects, giving to The Rotary Foundation, and building awareness of Rotary in your community.

For the 2020-21 Rotary year, all clubs will choose to pursue goals that they select from a list of possible goals as follows:

- Rotary Clubs: 13 of 25 possible goals
- Rotaract Clubs: 12 of 22 possible goals
- Interact Clubs: 11 of 20 possible goals

The Rotary Citation program is administered by Rotary International, not District 5180. For more information and forms, go to this website:
