

2023-2024 Rotary Citation Awards

Your Rotary, Rotaract, or Interact club can earn a Rotary Citation for achieving goals that strengthen Rotary and your club. Goals include increasing club membership, developing sustainable service projects, giving to The Rotary Foundation, and building awareness of Rotary in your community.

For the 2023-2024 Rotary year, your clubs will choose to pursue at least half of the goals noted on the Rotary International website (in Rotary Club Central) and once achieved, report those achievements in Rotary Club Central no later than June 30, 2024.

The Rotary Citation program is administered by Rotary International, not District 5180.
