

# **ROTARY FELLOWSHIPS**

Rotary Fellowships are groups of Rotary members who

- Share a common interest in recreational activities, sports, hobbies, or professions
- Further their vocational development with others in the same profession or field
- Enhance their Rotary experience by exploring new opportunities and making connections around the world

# HOW ROTARY FELLOWSHIPS OPERATE

- Each fellowship functions independently of Rotary International, establishing its own rules, dues requirements, and administrative structure
- Membership is open to Rotarians, spouses of Rotarians, and Rotaractors
- Fellowships must have an international scope, with active members in at least three countries

#### BENEFITS OF ROTARY FELLOWSHIPS

#### Fellowships:

- Enable Rotarians to make lasting friendships outside their own club, district, or country
- Contribute to the advancement of Rotary's public image and identity
- Serve as an incentive for joining Rotary and for continuing as a member
