

## **Rotary International District 5180 Foundation Report for 2019-2020**

### **District Designated Funds (DDF) Available: \$316,940**

(Based on Annual Fund Giving in 2016-2017, plus rollover from previous year)

### **How We Spent the District Designated Funds**

#### **District Donation to Polio Eradication: \$31,000**

District 5180's Rotarians donated \$118,504 to Polio Plus, that plus the \$31,000 in DDF, matched 2:1 by the Gates Foundation is a \$448,512 impact on Rotary's efforts at polio eradication.

#### **District Grants to assist Rotary Club Projects in Their Communities: \$80,929**

Twenty-four clubs planned on doing 46 projects for \$176,747 and requested \$90,977 in matching DDF, but COVID-19 left them doing only 23 of the original projects, but the Rotary Clubs quickly stepped up and did 15 COVID-19 related projects and ended up requesting almost \$80,975 in DDF. We will be returning \$10,002 of DDF that we were not able to use for district grants. We understand that will be designated for our use in global grants next year.

#### **Support of Global Grants around the world: \$31,320**

We supported three new Global Grant projects valued at \$168,194. This brings our total to 21 Global Grants that our district is involved in, for a total impact of \$2.25 M. And we have another 8 in process. What an impact our district is having worldwide! One of the new Global Grants is in Uganda and is aimed at improving the hygiene, sanitary and economic conditions of the Bufumbanswa Community. Another is a rain harvesting and rehabilitation of sanitation facilities at a school in Tegucigalpa, Honduras. And the other is a clean water project for three cities in Honduras: Pacayas, El Bosque, and Villa Nueva.

#### **Rolled Forward Amount of DDF for District 5180 for 2019-2020: \$173,645**

With the unused DDF for district grants of \$10,002, our district's total of unused DDF for 2019-2020 will total \$173,645. Our goal for next this year is to zero out our DDF and not rollover any at the end of the year. Our district last did that in 2004-2005 when Steve Lemmon was DG and Jo Ann Lemmon was DRFCC.
