1. PURPOSE

This policy document provides direction to the District and Clubs of the District for allocating District Designated Funds (DDF), authorizing Global Grants, awarding District Grants, and performing overall Stewardship of the grant program managed by the District. A glossary of terms used in this policy is included herein as Appendix 1. The approved Policy shall be posted on the District website.

2. OVERVIEW

The Rotary Foundation's grant program supports district and club humanitarian and educational projects through two types of grants: District Grants and Global Grants.

- **District Grants** are block grants to the District that allow clubs and districts to address immediate needs in their own communities. District Grants may be for projects that the District, through its grant approval process, believes support the humanitarian and educational activities that relate to the mission of The Rotary Foundation (TRF).
- **Global Grants** are grants that range from \$30,000 to \$500,000. The minimum award from TRF is \$15,000, and the award must be matched by the applicant using District Designated Funds (DDF) or other funding sources, resulting in a minimum \$30,000 total project cost. Global Grants fund large international humanitarian projects, vocational training teams, and scholarships that have sustainable and measurable outcomes in one or more of the following Areas of Focus:
 - Disease Prevention and Treatment.
 - Peace and Conflict Resolution.
 - Clean Water, Sanitation and Hygiene.
 - Maternal and Child Health.
 - Basic Education and Literacy.
 - Economic and Community Development.
 - Supporting the Environment.

The District Rotary Foundation Committee Chair (DRFCC) and the Grants Sub-Committee Chair form the Grant Approval Committee and are charged with deciding the priorities and allocation plans for how the District will use its District Designated Funds. The priorities and allocation plans are developed and approved in consultation with the District Governor, the District Governor-Elect, and the District Foundation Committee.

Because the TRF grant application and approval process and the schedule for Global Grants differ from those for District Grants, Global DDF Proposals are evaluated individually as they are received. All District Grant Applications are evaluated at the same time and ranked for inclusion in the District Block Grant Application to TRF.

Each year, TRF notifies District 5180 of the available DDF, which generally represents 50 percent of the Annual Fund contributions made during the period three-years earlier. For example, the DDF for 2022-23 comes from the Annual Fund SHARE contributions made in 2019-20. This DDF is divided equally into two categories, Global DDF and District DDF.

All unused DDF from prior years and unused funds returned from earlier grants is rolled over to the District's Global DDF Fund. TRF retains all Global DDF in its treasury as a ledger account for D5180 and allocates it based on District approval of a DDF allocation request.

District Grant DDF is awarded to the District based on a Block Grant Application (only one application is permitted each year) submitted by the District. District 5180 submits its Block Grant request after the District Grant application period has concluded. District DDF is received as cash to a District checking account dedicated to district grants.

3. GRANT APPROVAL PROCESS

The District 5180 Foundation Committee, in consultation with the District Governor and the District Governor-Elect, will review, update as necessary, and approve the "District Designated Funds, District Grants, and Global Grants Policy Manual" for the Rotary year.

4. ROTARY CLUB GRANT QUALIFICATION REQUIREMENTS

Clubs must meet the following qualification requirements to participate in District and The Rotary Foundation grant programs:

4.1 General Requirements: The Club Presidents and Presidents-Elect must sign a Club Memorandum of Understanding (MOU) (Appendix 2), with any applicable district addendum (Appendix 3), and submit them to the District Stewardship Chair along with their training diplomas indicating that they have completed the required training. The club must:

- Be current on its dues, and in good standing with the District and Rotary International.
- Be current on its tax returns.
- Be current on all District and Global grants reporting requirements.

4.2 Training Requirements:

- The following people must complete the District 5180 Grants Seminar (scheduled for April 13, 2023 at 5:00pm via Zoom) and the TRF online Grants Management Seminar (**must print and submit the TRF diploma**):
 - The President-Elect.
 - Writer of the District Grant.
 - All persons on a Global Grant.
- The training is also recommended for:
 - Club TRF Chair.
 - Club Treasurer.
 - District Grant Committee members.
 - Potential grant applicants and any other interested club members.
- The link to the TRF online course is:
<https://learn.rotary.org/learn/lp/101/grant%2520management%2520>
- It is recommended that the following persons also complete the grants training:
 - Club Foundation Chairs.
 - Club Grant Committee Members.
 - Potential grant applicants.
 - Club Treasurers.
 - All interested club members.
 - Any grant will not be accepted unless the training has been completed (**the diplomas must be printed out and submitted to the District Stewardship Chair**).

4.3 Club Qualification: Qualification is valid for that Rotary year and grant cycle.

5. DISTRICT DESIGNATED FUNDS (DDF)

5.1 DDF Distribution

5.1.1 District Grant DDF: District 5180 distributes DDF for District Grants through a competitive process. Reimbursement for approved district grant projects will be made at 50 percent of project expenses, up to \$5,000. If a club spends \$10,000 on district grant projects, it will be reimbursed with \$5,000 of district grant DDF. This is to encourage large community projects that highlight the good work that Rotary does. Community projects, RYLA, and scholarships at all levels, are projects that can receive approval.

5.1.2 Global Grant DDF: District 5180 allocates all Global Grant DDF on an allocation process based on 25 percent of what a club gave to the Annual Fund SHARE three-years prior (Appendix 4). DDF matches cash on a 1:1 basis; the cash can be from the club, or a combination of clubs. Clubs are encouraged to join together on grants to combine their cash and DDF to do larger grants.

5.1.3 Insufficient DDF: If requests exceed available DDF, the requests will be ranked by the Grant Review Panel.

5.2 DDF Funding and Record Keeping

5.2.1 Record Keeping: The District Rotary Foundation Committee Chair is responsible for maintaining accurate records to plan for and track the district's DDF funds. The approved distribution of DDF shall be posted on the District website.

5.2.2 Limitations to Allocation of DDF: Because of the limited amount of DDF available for both District and Global DDF, the following limitations will apply.

5.2.2.1 District Grant DDF -- If the district receives more requests than there is DDF available, the proposed projects will be ranked according to:

- The projected positive impact on the community.
- The number of people potentially benefiting.
- The number of Rotarians involved in the project.

5.2.2.2 Global Grant DDF – Available DDF will be allocated based on Appendix 4. Clubs are encouraged to join together on global grants to combine DDF and cash to do larger projects.

5.2.3 Strategic Plan: The District Rotary Foundation Committee Chair is responsible for ensuring annual review and updating of the Committee's Strategic Plan.

6. GRANTS

6.1 Grant Online Application System: The District will use an online application system. Applicants should consult the District website for application instructions.

6.1.1 Final Grant Application Submission Period; Limitations: Final applications for District Grants must be submitted to the Grants Sub-Committee Chair by **May 26, 2023. Final reports can be submitted as soon as proper documentation is available, but are due no later than May 10, 2024.** Consult the District website for application instructions.

6.1.2. District Block Grant Request to TRF; District Grant award to clubs: Upon completion of the review, the Grant Review Panel will submit recommendations to the Grant Approval Committee for inclusion in the District Block Grant Request to TRF. Clubs will be notified once the Block Grant has been approved by TRF and funding has been authorized. TRF has final approval on all District Block Grant Requests. Do not start work on a project until notice of approval by TRF. (Please note that TRF approval of the District Block Grant may take several weeks or longer to complete).

6.1.3 Block Grant Approval: Typically, TRF approval of our Block Grant is received by the end of July, but that is not a guarantee. Applicants need to be aware that any funds spent on a grant project prior to receiving TRF approval are not considered eligible expenses. The District will not authorize any exceptions.

6.1.4 Terms and Conditions: When completing an application, applicants should be mindful that the Grant Review Panel (see Appendix 1: Glossary) is comparing it to other applications, and it is the applicant's responsibility to provide sufficient information for the committee to fairly evaluate the application. Potential conflicts that might result in a personal benefit to the applicant or another Rotarian are not disqualifiers but should be thoroughly reported. Please refer to the Terms and Conditions guidance provided by The Rotary Foundation.

6.1.5 Posting Approved District Grants: The approved District Block Grant, with details, shall be posted on the District website.

6.2 District Grant Evaluation Criteria: Grants will be evaluated on the basis of the following criteria:

6.2.1 Does the applicant agree to adhere to the Terms and Conditions for Rotary Foundation District Grants and Global Grants?

6.2.2 Has the proposing club met the Qualification requirements of the District (i.e., MOU and Grant Management Training)? Has the Club MOU been signed by the President and the President-Elect and submitted to the District Stewardship Chair prior to application for a grant?

6.2.3 Have potential conflicts of interest been noted in the application?

6.2.4 Has the applicant certified that they have reviewed the TRF Grant Management Manual?

6.2.5 Has the applicant certified that they have attended/or watched the District Grant/Global Grant training and the Learning Center Grant Management Seminar?

6.2.6 Has the District Grant Application (Appendix 5) been approved by the sponsoring Club Board of Directors, Club President, and Club President-Elect?

6.2.7 No to any question above disqualifies an application.

6.3 District Grant Ranking Criteria: Once an application has successfully qualified, it will be evaluated and ranked on the following criteria:

6.3.1 Completeness: Has adequate information been given to all questions on the Application Form?

6.3.2 Value to community: What meaningful benefit will the project have in the community?

6.3.3 Feasibility: What is the likelihood that the project can be implemented as planned?

6.3.4 Sustainability: What anticipated lasting impact will the project have beyond the grant period? Are ongoing commitments made to continue the project beyond the grant?

6.3.5 Visibility: How will awareness of Rotary be promoted locally?

6.3.6 Community Support: What, if any, non-Rotary support will be given in planning and implementing the project?

6.3.7 Funding Sources: What proportion of project funds will come from Club and other non-DDF sources?

6.4 Global Grant Applications: TRF will accept Rotary Foundation Global Grant Applications (Appendix 6) on a rolling basis throughout the year. The process for submitting proposals for D5180 Global Grant DDF funding requests is as follows:

6.4.1 Submitting Global Grant Application Form: For Global Grants requesting DDF, District 5180 clubs are first required to submit a Global Grant Applications Form to the Grants Sub-Committee Chair. Global Grant Application Forms can be found on the District website.

6.4.2 Grant Application Form Submittal Timeline: Global Grant Application Forms will be accepted for review throughout the year on a first-come, first-served basis.

6.4.3 Submittal of Memorandum of Understanding: The Global Grant Application Form must also include a copy of the Club-signed TRF MOU and District 5180

MOU addendum, as well as certification that all signatories have completed the Rotary online Grants Management Training and District 5180 Grants Training as outlined in "Training Requirements" (Section 4.2).

6.4.4 Contributions to Other District's Global Grants: For clubs that want to contribute to other district's global grants, they must still submit a Global Grant Application Form which states how much cash they will contribute and how much DDF they want to contribute.

6.4.5 DDF Allocation To Club Once approved by the Grant Approval Committee, DDF will be allocated (held in reserve) for the proposed Global Grant. The club may then complete the submittal of its Global Grant application to TRF.

- 6.4.6 Global Grant Application Submittal to TRF: The Club must submit the Global Grant draft application to TRF within 90 days after the DDF allocation has been approved or the DDF allocation may be rescinded. A copy of the completed TRF grant application, in Adobe PDF format, must be submitted to the Grants Sub-Committee Chair concurrent with submittal to TRF.

- 6.4.7 Reallocating Funds to Club: It is strongly recommended that members consult with the Global Grants Chair throughout the process to allow for better planning of DDF allocation. If the Global Grant proposal is not approved by TRF, the District will re-allocate the DDF for use with other Global Grants projects in the usual manner. Funds are not reserved. Global Grant Application Forms submitted after all Global Grant DDF are exhausted will be retained and administered on a first-come, first-served basis, should additional funds become available or when the next grant year begins.

6.5 Global Grant DDF Evaluation Criteria: Grants will be evaluated on the basis of the following criteria:

6.5.1 Will the proposed project comply with the Terms and Conditions for Rotary Foundation District Grants and Global Grants?

6.5.2 Has the proposing club met the Qualification requirements of the District (i.e., MOU and Grant Management Training-both District 5180 and Rotary online)?

6.5.3 Has the applicant disclosed any potential conflicts of interest in the application to TRF?

6.5.4 Has the Global Grant Application Form been approved by the sponsoring Club Board of Directors, Club President, and Club President-Elect?

6.5.5 No to any question above disqualifies an application.

6.6 Global Grant Application Considerations: Once an application has successfully qualified, it will be evaluated and ranked on the following criteria:

6.6.1 Completeness: Has adequate information been provided on the Global Grant Application Form?

6.6.2 Value to community: What meaningful benefit will the project have in the community?

6.6.3 Feasibility: What is the likelihood that the project can be implemented as planned?

6.6.4 Broad Rotary Support: Is there support of the project by multiple clubs (encouraged)?

6.7 Content Changes: The District 5180 Grant Approval Committee may require other specific content changes in the proposal to receive DDF. Any such changes are intended to strengthen the proposal at TRF.

GLOBAL GRANTS COMMUNITY ASSESSMENT RESULTS

Use this form to report community assessment findings to The Rotary Foundation when you apply for a global grant.

Assessing the strengths, weaknesses, needs, and assets of the community you plan to help is an essential first step in designing an effective and sustainable global grant project. See [Community Assessment Tools](#) for full instructions and helpful tips.

This form will help you report the results of your community assessment, and it's required when you apply for any humanitarian or vocational training team grant. Complete a separate form for each beneficiary community (e.g., school, health care system, or village), using information that is both current and specific to each community. Remember, you can't use global grant funds to cover the cost of doing an assessment, but you can use district grant funds.
