

## **Rotary District 6820 International Service**

District 6820 International Service Team's purpose is to assist all the clubs and the district in meeting their international service goals. This can include the projects that have selected for this year or the team can find a project that might be of more interest to your club. The goal is for every club to help purchase a toilet(s) in India and also participate in projects in Mexico or other projects your club might select.

**International Global Grant  
Mewat, India Latrine (Toilet) Project 2020 – 2021**

**Know the Facts:**

- Most of the schools and houses in Mewat do not have toilets or other private sanitation facilities.
- This project will aim to provide sanitation and dignity to communities in Mewat.

**WE NEED YOU!**

**You can help!  
Your Club can help!  
Help NOW!**

**Our Project Objectives:**

- To build sanitary toilets with handwashing sinks in schools and homes in poor areas.
- To provide awareness of the benefits of safe water, sanitation, and hygiene (handwashing.)
- To build toilets to reduce diseases from open sewage contaminated by human excreta.
- To improve attendance and retention of young girls in the school in poor areas.

**Home Toilets cost \$250 each.**

**School Block Toilets \$6,500 each.**
