

ROTARY DISTRICT 6820

POLIO PLUS 5K RUN/WALK

SATURDAY, OCT. 19 @ 8 A.M. / RENAISSANCE IN MADISON, MS

As long as a single child anywhere in the world remains infected with the poliovirus, ALL children are at risk of contracting this crippling and possibly deadly disease. For years Rotary has led the worldwide fight in

eradicating polio from the face of the earth, but our campaign won't be over until there are no diagnoses for a period of three years. Children worldwide need polio vaccinations to survive and thrive. Please lace up your running or walking shoes and help!
