Programme

A varied programme is being prepared. It will include lectures, activities and group discussions. A wide range of topics and presenters is a feature and high quality presentations and relevance to leadership development is assured throughout the week.

The programme topics will be based on the following themes:

- Leadership and You - Hopes and expectations
- Leadership in the Work place
- Leadership in the Outdoors
- Leadership through understanding
 - Wisdom and perspectives
- Leadership in the Community
- Leadership in Business
- Leadership in the Family
- Leadership through Communication
 - Planning and Organisation
- Leadership through Team Work
 - Group Dynamics

Time will be allocated for recreation and organised trips to places of special interest.

The Club based selection ensures delegates cover a wide cross section of vocations and backgrounds. The common denominator is all delegates are selected because they have leadership qualities and / or skills.

RYLA is a wonderful opportunity for all clubs in our district to collectively recognise, inform and inspire worthy young people from our local district community and to enhance their futures.

What is RYLA -

Rotary Youth Leadership Awards

RYLA is a Rotary organised programme promoting youth leadership and catering to young aspiring leaders aged between 20-28. Since its inception in 1960, thousands of young people around the world have benefited from RYLA. Many have gone on to be outstanding leaders of their families, their businesses and the communities in which they live.

Delegates are sponsored either by a local Rotary Club, a local business, the business for whom they work or by private arrangements. We encourage businesses to promote their young leaders with a RYLA experience as the benefits are numerous and embrace all areas of the young person's lives.

The varied, one week live in RYLA programme has proved extraordinarily successful for many years. It provides an environment in which young people can develop their leadership, team work and communication skills. Many RYLA graduates have referred to the experience as "the week that changed my life". Often the friendships made during the RYLA week develop into life time networks, benefiting the delegates in all areas of their lives.

Administered by Rotarians and facilitated by professional trainers, it targets young people aged 20-28 who may still be at university or already working. They do not need to be in a leadership role at this time.

The interactive programme is focused on:

- Leadership theory and skills.
- Leadership in practice.
- Team situations to apply the skills learned.

Where young people develop:

- Self-awareness and Self-reliance.
- An attitude that enables delegates to lead with confidence in any situation.
- Communication and networking skills.

While not an Outward Bound experience, there are physical aspects involved that are well within the reach of all young people with an average level of fitness.

The RYLA Mission is to:

Create a leadership experience combining theory with experiential learning situations to promote the skills and behaviours required of leaders by utilising outstanding facilitators and inspirational leaders to share knowledge and modern leadership practice with delegates.

Objectives

1. To bring together young people aged 20 to 28, who have shown leadership qualities and will benefit from the programme of lectures, discussions, activities and interactions during a week long seminar.
2. To demonstrate Rotary's respect and concern for young people.
3. To provide information, instruction and experience on a wide range of subjects of interest and benefit to the delegates, utilising appropriate industry and community leaders and experts as presenters.
4. To equip, instruct and encourage promising young people from differing cultures and backgrounds, to better serve their communities and countries.
5. To encourage leadership of young people by young people.
6. To recognise young people who are providing service to their communities.
7. To provide delegates with an experience they will not forget and that will benefit them well into the future.
8. To provide an environment for young leaders to build relationships that develop into lifetime friendships and networks.

"RYLA was an incredible experience that armed me with practical leadership tools I wouldn't have otherwise gained. I was so inspired by the people I met, presenters and facilitators." Beatrice
