RC OF WINNIPEG JOINS INDIGENOUS ACCORD

The Rotary Club of Winnipeg joined the Winnipeg Indigenous Accord in a signing ceremony at City Hall with Mayor Brian Bowman, Grand Chief Arlen Dumas, and Indigenous Elders, Chiefs and representatives on June 18, 2019. Strini Reddy, the Rotary Club’s Board Representative and Member of the Club’s Honouring Indigenous Peoples (HIP) Committee, signed the accord along with twenty-five other Winnipeg organizations following a traditional smudging and prayer. More than 140 local organizations have joined the Accord to date in a commitment to set goals and report on progress toward Building Pathways to Truth and Reconciliation with Indigenous Peoples.

SEPTEMBER 30TH IS ORANGE SHIRT DAY
EVERY CHILD MATTERS

Orange Shirt Day is a legacy of the St. Joseph Mission (SJM) residential school commemoration event held in Williams Lake, BC, Canada, in the spring of 2013. It grew out of Phyllis’ story of having her shiny new orange shirt taken away on her first day of school at the Mission, and it has become an opportunity to keep the discussion on all aspects of residential schools happening annually.

The date was chosen because it is the time of year in which children were taken from their homes to residential schools, and because it is an opportunity to set the stage for anti-racism and anti-bullying policies for the coming school year. It also gives teachers time to plan events that will include children, as we want to ensure that we are passing the story and learning on to the next generations.

ORDER ORANGE SHIRTS FOR YOUR CLUB OR ORGANIZATION!

Orders must be placed prior to August 15th to ensure arrival before September 30th. Proceeds raised from shirt sales will be split between the Orange Shirt Society & HIP’s Literacy Program.

LIVING IN TALL GRASS
by Kelly Brownbill

“We should not have to change to fit into society the world should adapt to embrace our uniqueness.” -- Chief Stacey Laforme In Living in the Tall Grass: Poems of Reconciliation, Chief Stacey Laforme gives a history of his people through stories and poetry to let Canadians see through the eyes of Indigenous people. Living in the Tall Grass is written in a way that makes the reader feel he or she might be sitting down with Chief Laforme, sharing experiences from their lives. Some poems share humour, while others express pain, though each comes from the heart.

NEWS FROM THE WEST

HIP Director, David G. Newman, is pleased to announce that the Rotary Club of Winnipeg has been chosen to become a partner in the Winnipeg Indigenous Accord. (https://www.winnipeg.ca/indigenous/WIA/default.stm).

The club joins other civil society partners who are committed to TRC Calls to Action. Each partner identifies its objective and then reports every year on what they have done towards their objectives set out in their application. An official partner signing took place on June 18th at Winnipeg City Hall. Thanks go out to the Club’s board, HIP Committee, David and other individuals who assisted in making this happen. HIP looks forward to hearing more about their work! David is continuing to connect with individuals in Winnipeg and Calgary over the next few months all in collaboration building.

In Winnipeg of D5550, there are 4 Winnipeg clubs each now with HIP committees: RC of Winnipeg, RC of West Winnipeg, RC of Winnipeg-Charleswood and RC of Transcona. On June 25th, the first joint meeting will be at the Neeginan Centre Restaurant in the heart of Winnipeg’s urban Indigenous community where most of the movers and shakers have offices.

Also, the Winnipeg club’s HIP Committee facilitated with teachers at a school with students travelling to and visiting with a sister school at St. Theresa Point First Nation in a northern remote community. It was a mutually positive experience that is enhancing the virtual relationships nurtured over the last year by Skype meetings and projects south to north and north to south.

While attending the RI Convention in Hamburg, Germany this month, Mr. Newman visited a booth hosted by Friends United and founder Rolf Bouman https://www.friends-united.ca/convention-centre/

The Friends United International Convention Centre is more than 20,000 square feet in size and is the largest of its kind in Canada. It was constructed by the Bouman Group of companies for the purpose of honouring all Indigenous North American Peoples to celebrate their culture and heritage. It features a collection of paintings, totem poles, carvings, Inuit stone sculptures, quill baskets and many other cultural items. Many cultural and business seminars are held with an international audience and allows the Native artists belonging to Friends United to display their artwork worldwide. Coincidentally, the Rotary Club of Port Hawksbury is a partner. If you are travelling to the area, it would be worth the visit.

Visit a First Nation Community this Summer
and Make New Friends

Pat and I find it’s always lots of fun to visit a new place, talk with people and listen to their stories. Several years ago we realized there were many places in Southern Ontario we had not visited, in particular some of the close Indigenous communities. These included the Saugeen, Christian Island, 6 Nations, Kenisawkwwe, Curve Lake, Manitouin Island, Whata, Hagersville, and Cape Croker to name a few. There are many more to go and we anticipate doing it again this summer, possibly a little further away.

Most communities in Canada have First Nation communities close by. Unknown to many is that First Nations peoples want people to visit them. This is a wonderful opportunity to learn something about First Nations people not just by observing how they live but by talking and listening to them. Many indigenous people are shy but if you can get them talking they have great stories and are a wealth of information about their communities and history.

To make this happen, just wander into a store or gas station and start a conversation. Many communities also have community centres, trading posts and museums. In the process you might, as we did at Curve Lake, come out with some wonderful indigenous art and crafts (We also spoke with the artist about the symbolism and stories in the art) or discover after a short ferry ride on Georgian Bay, the beautiful beaches on Christian Island.

You could also watch their dances, learn about the heartbeat of the drum and talk with a wise elder at a Pow Wow (Go on line to obtain a list). Every area has many opportunities and places to visit and every province has an Indigenous tourism website. In fact Indigenous tourism is growing. Think Haida Gwai in BC, the Blackfoot in Alberta, the Metis in Manitoba, the Inuit in the Arctic, the Cree in Quebec and the Mi kmaq, and early settlers in the Maritimes. It is all yours to listen, learn and enjoy.
