

STAYING CONNECTED

ONLINE MEETINGS

- Learn more about Zoom's [updated security measures](#)
- Make sure your club meeting information is current so others can join your virtual meetings
- Use your connections to find your next guest speaker

ANNOUNCEMENTS

Need a little more guidance? Rotary is offering these 2 webinars in April!

Optimizing Rotary's Learning Center

21 APR | 14:00 - 15:00 (CDT)

Get an overview of the Learning Center, explore social learning features available in learning topics, and get ideas for online meeting topics.

Connect with the (Online) Rotary World

28 APR | 15:00 - 15:45 (CDT)

Hear from Rotarians who are leading their clubs and districts in the move to virtual connection.

CONSIDERING DIVERSITY, EQUITY, AND INCLUSION

As more meetings move online, try to remember...

- Not everyone has reliable internet access - what can you do to engage those that don't?
- Some people aren't comfortable using online meeting tools - how can you help them navigate?

Some clubs have shared that they are reconnecting with members who had stopped showing up to in-person meetings or had moved away!

CLUB SPOTLIGHT

The [Rotary Club of Medellín, Colombia](#) (District 4271), in partnership with Dinntec, have developed a prototype of a mechanical respirator. [Check it out on YouTube](#)

Remember to use #RotaryResponds as you share your stories on social media!

DISTRICT HIGHLIGHTS

Some districts, like 7010 (Canada), have added [dedicated pages](#) on their websites showcasing how clubs have been responding to COVID-19.

The assistant governors in [District 5020](#) (Canada/USA) were each given a Zoom license to share with their club groupings.
