Winter RYPEN
28 to 30 August 2026
The Y Shakespear Lodge, Auckland

Summer RYPEN
26 to 28 March 2027
Hunua Falls Camp, Auckland

As a program supported by Rotary Clubs of District 9920 and now District 9910, the Rotary Youth Program of Enrichment (RYPEN) is a Youth Leadership over a weekend long camp for Year 11 and Year 12 students, designed at developing young people's potential through a mixture of lecture style sessions and adventure-based learning.

The weekend is run by young and past RYLA graduates and Rotaractors sharing their experiences, hope and ideals with participants with keynote speaker invited on Saturday evening.

Web address [https://rotarydistrict9920.org/page/rotary-youth-programme-of-enrichment-\(rypen\)](https://rotarydistrict9920.org/page/rotary-youth-programme-of-enrichment-(rypen))

Investment	\$390.00 (including gst) per student (winter) \$400.00 (including gst) per student (summer2027)
Applications Close:	10 days before Camp weekend
Club payment:	August 2026 (winter) & Feb 2027 (summer)

RYPEN Winter Chair	Jessie Scott, RC Warkworth (0224770730)

Rotary Youth Driver Awareness

Participants; Secondary School Students between the ages of 15 to 16

The RYDA Program is a Rotary initiative that aims to deliver coordinated, updated, and practical road safety information to school students who have recently or are in the process of obtaining their driving license.

The Program which is run by Road Safety Education (RSE) engages local community experts to complement the school road safety curriculum and to provide an opportunity for 15 and 16-year-old students to access additional road safety resources not available within schools.

The key aim is to influence the attitude of young people and inform them of their responsibilities when driving or riding in a vehicle, thereby assisting our community in achieving a reduction in deaths and injuries on our roads.

The program is conducted over a one-day period, during school time, away from the school environment.

Rotary clubs support their nominated school by providing volunteers on the day that school attends and by making a financial contribution to ensure that no students miss out for financial reasons and that costs to schools and students are minimized.

Program Coordinator: Adele Hall (auckland@rse.org.nz or 021 545 725)
District 9920

General Manager RSE: **Maria Lovelock** Website: www.rse.org.nz

District Chair: South: George Wilson (RC Papakura)
Central: Peter Ross (RC Newmarket)

Rotary Youth Exchange

www.youthexchange.org.nz

Participants: **Secondary School Students aged 15 and under 18
at the start of the exchange**

Purpose

The opportunity of a lifetime! Rotary Youth Exchange offers a 12-month overseas exchange (January to January) with the opportunity to participate in the family, academic and community life of another country. The program's goals are to develop international goodwill and understanding and to ensure the growth and personal development of participants.

Applicants must be aged between 15 and 18 in the January of departure on exchange and will attend a high school in that other country. Local Rotary Clubs will also call for applications, conduct initial screening interviews and forward chosen applicants to the district committee which conducts the selection process and administers exchanges in compliance with Rotary International procedures. Your family can also host an overseas student for 3 months as part of the reciprocal hosting of overseas students – have the world come to your place!

**To find out more information, contact us with questions or to apply for an exchange,
go to the website: <http://youthexchange.org.nz/>**

Key Dates:

Outbound student applications close **30 April** for following January departure.

Club applications to host inbound ***Northern Hemisphere students*** close **30 April** for July arrival.

Club applications to host ***Argentinian students*** close **31 August** for January arrival.

Anyone interested in being a host family can contact the RYE committee any time.

Chair of RYE Committee: Deeanah Winders (deeanah@trustlawmore.com)
(RC Remuera)

"Breaking Barriers" Disability Day

31 October 2026

Vector Wero Whitewater Park, Manukau City

"Breaking Barriers" Disability Day (BBDD) is a day program for the disabled & neuro-diverse community. It is a program whereby the participant is encouraged and challenge themselves in a safe environment through sport and experiences that will help improve their self-development and interactions with other youths they may not otherwise have met.

The program is run by young leaders from recent and past RYLA graduates and in partnership with the Auckland University Canoe Club. For the young leaders, the BBDD program is an opportunity for them as well to understand, show empathy and connect with persons they may not have otherwise met. The Program also allows and involves past RYLArrians to give back to the community as part of the RYLA journey.

Age limits are 9 to 16 years (indicative and guidelines only)

Investment	\$150.00 (incl gst) for 1 student + 1 mentor/buddy
Applications Close:	10 days before Program weekend start
Club payment:	September 2026
Venue:	Vector Wero Whitewater Park, Manukau City
Team Lead	Olivia Hennessy (RYLA 2025)
District Oversight	Ainie Kwok (ainiekwok@gmail.com) RC St Johns Ellerslie

The Rotary National Science and Technology Forum

9 to 23 Jan 2027, Auckland

Participants: Year 12 Students who will be returning to Year 13

This fully residential (Halls of residence) program is conducted by the tertiary institutions of Auckland. By the end of the Forum students should have a better understanding of the area of science they wish to pursue and the tertiary courses available. They should also gain an appreciation of the part that science and technology play in the wider community. The Forum provides an opportunity for high achieving students to spend time with similar minded people and the experiences gained invariably result in overall personal growth.

Fee **2026/2027** \$2,560 (including GST). Student's family is expected to contribute to the cost; school may also agree to contribute. Clubs typically pay 50%.

Timeline: *approx.*

1. 27 May Application materials with details and guidelines mailed to Clubs and Schools
2. 1 June Clubs please contact your schools - Head of Science to chase applications
3. 9 Aug. Applications close at Club level / Interviews arranged within next five weeks
4. 14 Sept. Interviews completed, and club selections confirmed and Forwarded to District co-ordinators
5. 21 Sept. Last date for applications to be with District Coordinators and for payment
6. 30 Oct All application forms and supporting documentation plus fees to reach the Director

mid- Dec the Student Handbook containing all details of Forum mailed directly to students

MODEL UNITED NATIONS ASSEMBLY

21 to 22 May 2027

Participants: Year 12 and 13 Students from Districts 9910 and 9920

Purpose

MUNA simulates the working of the United Nations Assembly by having school in teams of two or three Year 12 and 13 (Forms 6 and 7) students represent a participating UN country in debates on matters of world politics and social concern. Debates are held over the weekend from Friday morning to mid-afternoon Saturday.

Venue: Rosmini College, Auckland

MUNA Goals:

1. To develop in students an awareness of the United Nations and the international situation of the countries of the world.
2. To enable students to improve their public speaking and debating skills.
3. To encourage students to make informed comments on world problems.
4. To encourage students to share their opinions and friendship with students from other schools.

Cost

Approximately \$300 (tbc) per team of three students. This is usually split between the school and the Rotary club.

[https://rotarydistrict9920.org/event/muna-\(model-United-nations-assembly\)](https://rotarydistrict9920.org/event/muna-(model-United-nations-assembly))

Overall maximum of 100 teams with schools limited to 3 teams with a team in reserve

Timetable:

February	Clubs to liaise with their affiliated school(s)
April 7th	Final entry forms due with organizers

Co-Chair	Jan Malcolm
mobile	0274442151
email	janmalcolm1@gmail.com

The support team is drawn from Rotarians across a wide range of 9910, 9920 Rotary clubs, plus members of Rotaract and past RYLA awardees

District 9920 Secondary Schools Liaison

It is the District Youth teams intentions to implement a much closer and integrated relationship with all Secondary Schools across the district

It is now planned to have a dedicated resource solely focused on building relationships across Secondary Schools in the district, working with Rotary Clubs where they need assistance in introducing programs or developing fresh relationships where none presently exist.

Leader: Ainie Kwok (St Johns Ellerslie) 0212203090 ainiekwok@gmail.com

Support.

George Wilson
Peter Ross

Southern Schools
Central Auckland Schools

Students between the ages of 12 to 18

Interact clubs bring together young people ages 12-18 to develop leadership skills while discovering the power of Service Above Self.

Interact clubs organize at least two projects every year, one that helps their school or community and one that promotes international understanding. Rotary club sponsors mentor and guide Interactors as they carry out projects and develop leadership skills.

The Interactors are encouraged to get involved with:

- World Interact Week
- Interact Video Awards
- Rotary Youth Day at the United Nations
- Global Youth Service Day
- District 9920 & 9910 Interact Conference, May 2027

Goals:

- To encourage Interact clubs to participate in their sponsoring Rotary club's activities
- To encourage collaboration between Interact clubs for projects and fundraising activities
- Yearly participation at District Interact Club Forums and RYPEN
- To have Interact clubs participate in the District Conference.

Foundations for Young Leaders in Business and the community

Participants Young People 20-28 years
Date: 26 Jun to 2 Jul 2027, Willow Park

A weeklong residential course for young adults, from **26 Jun to 2 Jul 2027**

Objectives:

- 1 To further develop the leadership ability and drive of young people who will be the future leaders of our country across the whole spectrum of society
- 2 By bringing together people who have already demonstrated leadership qualities and who will benefit further from a seminar covering a balanced program of lectures, discussion groups and interaction as well as testing activities over a week-long period.
- 3 To provide inspiration, information, and instruction on subjects of interest and of benefit to young people through various industry leaders and experts on a wide range of topics.
- 4 To better equip, instruct, and encourage promising young people from differing cultures and backgrounds to better serve their community and their country.
- 5 To encourage leadership by young people who are ready and enthusiastic to take of the mantle of responsibility
- 6 To recognise young people who are providing service to their communities.
- 7 Provide award recipients with an experience they truly will never forget. And which may change their lives

Rota Pacific Study Tour to Auckland

Participants: Students and young people 20-28 years from the Islands

Date: 20 to 26 Jun 2027

What is Rota Pacific?

A Rotary International District 9920 educational program which brings a group of young people from the Pacific Island nations of the District to Auckland for Two weeks of vocational and leadership training.

Objectives:

1. To encourage the young people of the Pacific Islands to develop leadership qualities and to accept the responsibilities of good citizenship
2. To develop understanding between the countries of the South Pacific by allowing young people to meet and live together in a spirit of friendship.
3. To build confidence and maturity
4. To participate in RYLA

Applications:

Applications are made on the forms which will be available to Rotary Clubs in Fiji, Western and American Samoa, Tonga, the Cook Islands and Tahiti. The age range is 20-28 and all young people within that age group are eligible including relatives of Rotarians. These forms and letters will also have the final application and acceptance dates

Costs

This program totally relies on financial support from clubs across the district. Sponsoring Island Clubs must meet costs of return airfares visas, passports and Insurance for each participant sponsored by their club. District 9920 will raise the funds from the Auckland based Rotary Clubs to meet additional costs for the first week and attendance at RYLA

Young Totara Award

Information and Guidelines

The Young Totara Award:

- ❖ recognises the positive achievements of our young people,
- ❖ promotes sound role models for our youth, and
- ❖ fosters responsible attitudes towards the community.

Objectives:

- To recognize significant contributions by youth to the life and well-being of their community, affecting those around them in a positive manner.
- To recognize the importance of qualities such as innovative thinking, effective enterprise, leadership, and planning abilities.
- To recognise the “Service above self” in our young people.

Investment

A charge of \$60 per award has been set to cover the lapel pin, a frame, certificates, and courier costs if necessary.

For further information and nomination forms, contact:

Ainie Kwok

Rotary Club of St Johns Ellerslie

Young Totara Award Chair

District 9920

Youth Activity Wellbeing Policy (YAWP)

Rotary District 9920 recognises its duty of care to young people engaged in events and activities that comprise part of the D9920 Rotary Youth Programs

The district has adopted the RI Youth Activity Wellbeing Policy (**YAWP**) document to assist the district and its clubs to conduct its programs for Young People in a professional manner with proper regard for the wellbeing of participants.

Remember, should anything go wrong at one of these events, it is our worldwide Rotary brand that gets tarnished as well as individual Rotarians, Rotary clubs, and our District.

The Policies contained in the **YAWP** are:

1. Youth Activity Supervision Guidelines (two deep chaperoning; no one to one contact).
2. Wellbeing & Abuse Protection (Conduct and safe environment).
3. Abuse and Harassment Reporting Guidelines (Determination, Allegation & Environment).
4. Wellbeing & Abuse Protection Training Information (Prevention Program).
5. Volunteer Screening & Vetting (Guidelines & Declaration, Consent waiver).
6. Youth Volunteer Declaration (Personal Information).
7. Host Family Home Inspection (Guidelines Checklist).
8. How to approach any incident, and
9. Police vetting of volunteers is essential (3 years validity period).

The complete policy document containing all the elements noted above can be obtained from the **website**; rotarydistrict9920.org

Click on; District 9920 Homepage

For Rotarians

District Committees

Youth and Leadership <https://rotarydistrict9920.org/page/youth-and-leadership>

Committee Objectives. click on the line (click here for a copy of Youth Wellbeing Policy)

Document retention is vital and the Activity Organiser who is responsible for particular event/programme needs to ensure.

- The implementation of these Policies and Procedures.
- A report is compiled at completion containing names, times, place & any incidents

REP Literacy Volunteers

Reading Enrichment Program

Founded by Penrose Rotary in 1997 at One Tree Hill College, this literacy mentoring initiative continues to grow. Other current High Schools: Otahuhu College, Wesley College, Pacific Advance Secondary School, Bay of Islands College, Papatoetoe High School and Aorere College.

Literacy levels are a serious barrier for many students and young people struggling with the transition to high school can get left behind. Penrose Rotary identified an untapped resource of active retirees who are keen to contribute to their communities and become engaged at a personal level.

The model, REP is a 1:1 tutoring and mentoring program, funded and developed under Penrose Rotary's direction, by experienced teaching professionals. REP has been very favourably reviewed by ERO and continues to produce annual results that show solid literacy gains, as well as a marked increase in confidence for all students who participate. Well-tested, the program is simple and easy to adopt. **REP continues to be led and funded through the Rotary Club of Penrose and many Donor organisations.**

The cost of running REP in each new school is negligible. Schools provide the resource box, an attractive classroom, and a teacher supervisor from their Learning Support team. Each program requires **a volunteer tutor coordinator** who works with the local Rotary Club to identify and recruit Mentors from local communities. The coordinator is the liaison with the school and Rotary Club. There is no cost to the local Rotary Club

Students love the program and comment on the "roomful of smiles" when they arrive in the classroom. They revel in the opportunity to engage with a tutor who is interested in them, without stress or pressure in a fun, supportive environment. Tutors love the program, because they know they are making a difference with each conversation they have. It feels safe, it's fun and they meet other interesting adults.

REP is robust and sustainable, because it plays to the strengths of both schools and communities, with a strong team ethos that provides back-up at all times, so no-one is asked to do too much.

REP schools and community coordinators form a collaborative network, to maximize growth and strength of the program, while the Rotary Club of Penrose fulfils the governance role.

Penrose Rotary requests that when a Rotary Club gets approached about introducing REP into a local high school, that they distribute flyers to their members who are likely to know someone who would welcome the opportunity to engage with a young person in a safe classroom, for an hour or more each week.

Further details from.

Literacy for Life

the Bill and Lorna Boyd Charitable Trust

Rotary Dictionary Project.

Started in 2008 by the Bill and Lorna Boyd Charitable Trust and the Rotary Club of Pakuranga, the Rotary Dictionary Project has expanded across New Zealand and the Pacific Islands.

Participating clubs gift the Usborne Illustrated English Dictionary to Year 4 students, who keep it for use at school and home.

Selected for its 9-year-old reading level, British spelling, and 1,000+ colour illustrations, the reference book is updated almost annually. Over 250,000 copies have been distributed to primary schools nationwide and the Pacific Islands. Participating clubs cover local transport costs, order via the Trust, and handle personal presentations using provided guidelines.

Rhyming Through the Alphabet. A newer addition designed by Dame Wendy Pye, targets Year 1 students. Featuring alphabetical flashcards, this pack helps year 1 and pre-schoolers to master letter sounds in a structured, engaging way at home and in class

Trees for Survival TfS

Trees for Survival (TfS) started in New Zealand in 1991 and now have over 150 schools participating throughout New Zealand. This results in over 70,000 children being exposed to the program and over 1 million trees planted since the program started.

All clubs, and their allocated schools, in all districts, are encouraged to become active supporters of Trees for Survival which could be a key aspect of any Rotary Environmental Committee established. The program involves young people growing seedlings in a Plant Growing Unit (PGU) at their school and planting the young trees on 'at risk' land where they will prevent erosion, improve water quality, increase biodiversity, renew a natural resource and increase the removal of carbon dioxide from the atmosphere.

How does it work?

- Schools (primary/secondary) apply to become Trees for Survival School,
- TfS assists the school to locate a sponsor to fund a PGU. (Plus, ongoing financial and physical support) This is frequently a Rotary Club or local business which provides the one-off cost of a PGU (approx. \$5000) and an annual servicing/supplies charge of approx. \$750
- School pupils supported by TfS/Regional Councils/school community grow plants from seedlings to planting out stage.
- Regional Councils liaise with landowners & select planting site.
- School pupils & school community plus landowner and TfS partners, plant out native trees.

Rotary Club school liaison persons should be fully aware of the Trees for Survival program and its objectives, and a brief PowerPoint presentation or DVD is available for clubs' meetings etc. The TFS website is also available www.tfsnz.org.nz

Rotary Flying Scholarships

The Walsh Memorial Scout Flying School (WMSFS) is supported by the Rotary Club of Newmarket in association with other Rotary Clubs throughout New Zealand and is offering the opportunity for high school students from participating schools to apply for a Rotary Flying Scholarship to attend the WMSFS to be held in January each year.

The course is intensive and covers essential aspects of aviation from, time in the seat, to theory lectures and operational functions. Highly qualified instructors from Air New Zealand and the best Flying Schools and Aero Clubs in New Zealand will give individual instruction in accordance with a detailed, industry standard program designed by the Chief Flying instructor.

The Program:

Eight Hours' Flying, The Theory of Flight, Air Traffic Control, Aviation Engineering, Rescue Fire, Meteorology, Aviation Human Factors, Aviation Careers.

Students from participating schools will need to be over the age of 16 before the 1st of January 2013 and have passed an Aviation Medical prior to attending the school

No special equipment is required for the Flying School. However, you will require personal camping equipment including a tent. Tents can be provided for South Island Students. Insurance for all your personal equipment is your responsibility. All information about the school can be found on the Scouts Website <https://scouts.nz/walsh/>

Costs:

WMSFS School Fee	\$2665.00
LESS the Rotary Scholarship of	<u>\$1315.00</u>
Student to pay WMSFS directly	\$1350.00
Plus, medical costs (estimated)	\$250 - \$350

Applications

Students who attend a Gateway Aviation course are eligible to apply for a Rotary scholarship. In the Auckland Region the Auckland Aero Club at Ardmore run a Gateway programme, the club's contact details are on their website <https://www.aac.org.nz/>.

Outward Bound

Outward Bound is New Zealand's leading organisation for showing people their full potential through outdoor challenge and adventure. Established in 1962, Outward Bound still operates from its original location, Anakiwa, in the Marlborough Sounds.

Outward Bound operate monthly 21-day (Classic) courses for 18 to 26-year old's which are an ideal leadership opportunity for young people recently out of High School or further engaged in vocational training or tertiary study. Over 21 days participants will build levels of self-confidence. and self-reliance which will assist them greatly in building Character and good productive lives.

Rotary Clubs are encouraged to investigate their communities and where appropriate select a deserving young person to be the recipient of a Rotary Outward-Bound Scholarship.

These courses have a cost per person of \$4100 which does not include travel to the camp just outside of Picton or the cost of a medical sign off.

Clubs are encouraged to look closely at how they will conduct fundraising for such a scholarship and the extent to which they will look to a participant for a financial contribution. There is no hard and fast rule on the proportions involved. In some cases of hardship where the candidate is particularly deserving an approach to Outward Bound may also elicit some direction to sources of financial assistance.

Contact: call Outward Bound on 0800688927
 Or Call the Youth Director from the Club involved
