

Article for the DG Newsletter

DISTRICT 9920 GOVERNOR CHANGEOVER

On Saturday the 1st of July it was that time again for D9920 to celebrate the past year under DG Allan and hear from new DG Vineeta as to her aspirations for this next Rotary year. Attended by more than 80

Rotarians from many clubs the breakfast event was certainly vibrant and lots of expectations around Rotary for the future and how we are going to create hope in the world.

As part of the celebrations as we did not have a District Conference, we were able to now recognise Clubs and Rotarians for the efforts that they did within their communities.
