

Rotary Four Way Test

The *Rotary Four Way Test* speaking contest is part of the School Link Program, originated by PDG Fred Marsh in his year as Governor [1988-89] This public speaking competition was first held at the District Conference, in March 1989.

The *Rotary Four Way Test* encourages teachers and students from each club's link school to take part in this opportunity for public speaking, confidence building and ethics consideration. The *Rotary Four Way Test* is a state-wide competition with a State final being conducted in conjunction with fellow Western Australian District 9465.
