Dear Club Presidents and RYLA Representatives

RYLA 2023 will be June 5—June 9 at South Plains College in Levelland, Texas.

Our theme is the same as last year “**Build A Winning Team.**”

The student application and health form has been combined into one document. Also making it easier we are not requiring physicals as we have in the past.

There will be some additional information we will want applicants to fill out online. Expect to get that link out before the end of March.

We are holding the sponsorship fee the same as last year at \$390.

Sending a Rotarian to be a counselor will earn your club one free sponsorship. I’m expecting to have six teams and think I have the Rotarian counselors already lined up, but would love to be prepared in case we need more teams or if a Rotarian can’t make it. If you have any one who might want to be a counselor please have them call.

Last year 38% of participants ranked RYLA a “Best Week Ever”. Where else can you be a part of the best week of someone’s life?

Applications and health forms should be turned in by May 15th. Acceptance after that will be on a case by case basis.

Please return forms and payment to the PO Box or email address above.

Thank you,

A handwritten signature in blue ink that reads 'John Early'.

John Early
